Extension of Voluntary Suspension

Field Solutions Holdings Limited (ASX: FSG)(**Company**) today announced that it is extending the voluntary suspension of its securities until the commencement of trade on Wednesday, 8 January 2025 or such earlier time as the Company makes an announcement to update the market.

Field Solutions originally made the request, which was granted, for a voluntary suspension of its securities to Monday, 23 December 2024.

The reason for the voluntary suspension is that the Company is still in the process of negotiating its capital raising arrangements referred to in its original request for a voluntary suspension dated 17 December 2024. At this stage and due to the Christmas holiday period, a final outcome of those arrangements is expected to be announced by commencement of normal trading on Wednesday 8 January 2025.

This ASX announcement has been approved and authorized for release by the Board of Field Solutions Holdings Limited.
