Notice of Meeting

2024 Annual General Meeting

EXPLANATORY STATEMENT

This Explanatory Statement forms part of this Notice of Meeting and should be read in conjunction with it. The purpose of this Explanatory Statement is to provide Shareholders with an explanation of the items of business and the Resolutions to be proposed and considered at the AGM.

Item 1 Financial Report

The Corporations Act requires the Company's Annual Report (which includes the financial Statements and Directors' declaration), the Directors' Report and the Auditor's Report in respect of the financial year ended on 30 June 2024 to be laid before the AGM.

The Company's Annual Report in respect of the financial year ended on 30 June 2024 accompanies the Notice of Meeting and is also available online at the ASX's website at www.asx.com.au (ASX: AGH).

Neither the Corporations Act nor the Company's constitution requires Shareholders to approve the Annual Report, the Directors' Report or the Auditor's Report. However, in accordance with the Corporations Act, Shareholders will be given a reasonable opportunity at the AGM to ask questions and make comments on these reports and on the business, operations and management of the Company.

The Auditor, or a representative of the Auditor, is required to attend the AGM and will be available to take Shareholders' questions relevant to the conduct of the audit, the preparation and content of the Auditor's Report, the accounting policies adopted by the Company in relation to the preparation of its Annual Report and the Auditor's independence in relation to the conduct of the audit.

Item 2 Remuneration Report (Resolution 1)

Background

The Corporations Act requires the annual directors' report of a listed company to include a remuneration report discussing the board's policies for determining the nature and amount of remuneration paid to key management personnel.

Section 250R(2) of the Corporations Act then requires the remuneration report of the listed company for the relevant financial year to be laid before the annual general meeting and a resolution that it be adopted be put to shareholders for consideration. The outcome of the resolution is advisory only and does not bind the directors or the listed company.

The Remuneration Report for the financial year ended 30 June 2024 is set out in the Annual Report.

Voting consequences

At last year's annual general meeting, 52.55% of the votes cast on the resolution to adopt the 2023 remuneration report were against the resolution. Accordingly, the Company received a "first strike". In response to the "first strike" received at the 2023 annual general meeting, the Company undertook a comprehensive review of its remuneration policies and practices and implemented several key changes to enhance alignment with shareholder interests and industry standards. These adjustments include updating the executive remuneration framework with regard to performance metrics, reviewing the incentive policies to ensure they are aligned to the Company's agreed strategy and adjusting incentive structures and calculation methodologies to better reflect long-term Company performance. These changes were in part implemented in FY2024 and further improvements have been introduced

Notice of Meeting

2024 Annual General Meeting

in relation to the 2025 financial year.

The Board will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at this Annual General Meeting when reviewing the Company's remuneration policies. This vote is advisory only and does not bind the Directors or the Company. However, if 25% or more of the votes that are cast are voted against the adoption of the Remuneration Report at this Annual General Meeting, Resolution 8 will be put to the Annual General Meeting and Shareholders will be required to vote on a resolution (a "spill resolution") that another meeting be held within 90 days at which all of the Directors must be offered up for election.

The operation and consequences of a "spill resolution" are set out in Resolution 8 below.

Board recommendation

As Resolution 1 relates to matters including the remuneration of the Directors, the Board, as a matter of corporate governance and in accordance with section 250R(2) of the Corporations Act, makes no recommendations regarding this Resolution.

The Chair of the Annual General Meeting intends to vote undirected proxies in favour of Resolution 1, subject to compliance with the Corporations Act.

Voting exclusion

The Company will disregard any votes cast on this resolution:

- by or on behalf of a member of the KMP whose remuneration is disclosed in the Remuneration Report; and
- a Closely Related Party of such a member,

unless the vote is cast as proxy for a person entitled to vote on this resolution and either:

- the voter is appointed as a proxy by writing that specifies the way the proxy is to vote on the resolution; or
- the voter is the Chairman and the appointment of the Chairman as proxy does not specify the way the proxy is to vote on the resolution and expressly authorises the Chairman to exercise the proxy even if the resolution is connected directly or indirectly with the remuneration of a member of the KMP.

Item 3 Approval for additional 10% placement capacity (Resolution 2)

Background

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under ASX Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25% (**Additional 10% Placement Capacity**).

An 'eligible entity' means an entity which is not included in the S&P/ASX300 Index and which has a market capitalisation of \$300 million or less. As at the date of the Notice of Meeting, the Company is an eligible entity. Accordingly, the Board believes that the Company will be an eligible entity at the date of the AGM.

Resolution 2 seeks Shareholder approval by way of special resolution for the Company to have the Additional 10%

Notice of Meeting

2024 Annual General Meeting

Placement Capacity provided for in ASX Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

If Resolution 2 is passed, the Company will be able to issue Equity Securities for the further 10% without Shareholder approval, subject to the Company complying with all requirements in order to be able to utilise that further 10%.

If Resolution 2 is not passed, the Company will not be able to access the Additional 10% Placement Capacity to issue Equity Securities without Shareholder approval provided for in ASX Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in ASX Listing Rule 7.1.

Resolution 2 is proposed as a **special resolution**. Accordingly, at least 75% of votes cast by Shareholders present and entitled to vote at the meeting must be in favour of Resolution 2 for it to be passed.

Shareholders' attention is drawn to the voting exclusion statement in relation to this resolution set out below. As at the date of the Notice of Meeting, the Company has not approached any particular existing Shareholder or any associate of a Shareholder to participate in an issue of Equity Securities under the Additional 10% Placement Capacity. Accordingly, no Shareholder is precluded from voting on Resolution 2.

The Company notes that the Company has recently become aware that it exceeded its ASX Listing Rule 7.1 and ASX Listing Rule 7.1A placement capacity in issuing the 101,333,100 Placement Shares. Only

- 31,230,974 Shares were able to be issued within its ASX Listing Rule 7.1 placement capacity; and
- 38,923,171 Shares were able to be issued within its ASX Listing Rule 7.1A placement capacity.

As a consequence, the Company can only seek to ratify the issue of Placement Shares that lawfully fell within its ASX Listing Rule 7.1 placement capacity and within its additional placement capacity under ASX Listing Rule 7.1A.

In the 12-month period since the Company's 2023 annual general meeting, on 22 July 2024, the Company issued 40,533,234 Equity Securities (being ordinary shares) which it assumed were issued under ASX Listing Rule 7.1A. The 40,533,234 ordinary shares were issued under a placement to sophisticated and professional investors on 22 July 2024 at \$0.02 per ordinary share to raise \$810,664. These funds were used to support ongoing growth initiatives through expansion into the US cannabis beverage market and the launch of additional products in Canada, with funds principally applied to equipment procurement and installation to commence cannabis beverage production in the USA, expansion activities in the USA & Canada and general working capital. Of this amount \$nil remains to be spent.

Given the Company exceeded its ASX Listing Rule 7.1A placement capacity by 1,610,063, it may be that the Additional 10% Placement Capacity will be reduced by this 1,610,063.

ASX Listing Rule 7.1A.2 Formula

If Shareholders approve Resolution 2, the maximum number of Equity Securities that the Company may issue under the Additional 10% Placement Capacity will be calculated according to the following formula (set out in ASX Listing Rule 7.1A.2) (**ASX Listing Rule 7.1A.2 Formula**):

$$(A \times D) - E$$

Where:

- A = The number of fully paid ordinary shares on issue 12 months before the issue date or date of agreement to issue:

Notice of Meeting

2024 Annual General Meeting

- *plus* the number of fully paid ordinary shares issued in the 12 months under an exception in ASX Listing Rule 7.2 (other than exceptions 9, 16 or 17);
- *plus* the number of fully paid ordinary shares issued in the 12 months on the conversion of convertible securities within an exception in ASX Listing Rule 7.2 exception 9 where the convertible securities were issued or agreed to be issued before the commencement of the 12 months or the issue of, or agreement to issue, the convertible securities was approved, or taken under the ASX Listing Rules to have been approved, under ASX Listing Rule 7.1 or ASX Listing Rule 7.4;
- *plus* the number of fully paid ordinary shares issued in the relevant period under an agreement to issue securities within ASX Listing Rule 7.2 exception 16 where the agreement was entered into before the commencement of the 12 months or the agreement or issue was approved, or taken under these rules to have been approved, under ASX Listing Rule 7.1 or ASX Listing Rule 7.4;
- *plus* the number of partly paid ordinary shares that became fully paid in the 12 months;
- *plus* the number of any other fully paid ordinary shares issued in the 12 months with approval of holders of ordinary shares under ASX Listing Rule 7.1 or ASX Listing Rule 7.4; and
- *less* the number of fully paid ordinary shares cancelled in the 12 months.

Note that “A” has the same meaning in ASX Listing Rule 7.1 (described above) when calculating Althea’s usual annual 15% placement capacity under that ASX Listing Rule.

D = 10%

E = The number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the issue date or date of agreement to issue that are *not* issued with the approval of holders of ordinary securities under ASX Listing Rule 7.1 or ASX Listing Rule 7.4.

If the Company obtains the approval of its Shareholders to the Additional 10% Placement Capacity:

- any Shares issued under that Additional 10% Placement Capacity will not be counted in variable “A” above until their issue has been ratified under ASX Listing Rule 7.4 (described above) or 12 months has passed since their issue; and
- any Shares issued under that Additional 10% Placement Capacity are counted in variable “E” above until their issue has been ratified under ASX Listing Rule 7.4 (described above) or 12 months has passed since their issue.

Placement capacity under ASX Listing Rules 7.1 and 7.1A

Subject to a number of exceptions, in general terms, ASX Listing Rule 7.1 limits the number of Equity Securities that a listed entity such as Althea may issue or agree to issue without Shareholder approval in any 12-month period to 15% of its issued ordinary shares. The Additional 10% Placement Capacity is in addition to the Company’s usual annual 15% placement capacity under ASX Listing Rule 7.1.

As at the date of the Notice of Meeting, the Company has 507,836,476 Shares on issue and, accordingly, it will have capacity to issue 50,783,647 Shares under ASX Listing Rule 7.1A without the prior approval of its Shareholders if Shareholders approve Resolution 2. This capacity to issue additional shares will be in addition to any other Shares

Notice of Meeting

2024 Annual General Meeting

and other Equity Securities which it can issue under the permitted exceptions to ASX Listing Rules 7.1 and 7.1A.

The actual number of Shares that the Company will have capacity to issue or agree to issue under ASX Listing Rule 7.1A or ASX Listing Rule 7.1 at any particular point in time will be calculated at the relevant time in accordance with the ASX Listing Rule 7.1A.2 Formula (outlined above) or the formula applicable to ASX Listing Rule 7.1 (as the case may be).

Period of approval

Shareholder approval of the Additional 10% Placement Capacity is valid from (and, therefore, Equity Securities may be issued under the Additional 10% Placement Capacity) the date of the AGM at which Shareholder approval is provided until the first to occur of the following (**Period of Approval**):

- (1) the date that is 12 months after the date of the AGM at which Shareholder approval is provided.
- (2) the time and date of the entity's next annual general meeting.
- (3) the date of the approval by Shareholders of a transaction under ASX Listing Rule 11.1.2 (*Proposed change to nature or scale of activities*) or ASX Listing Rule 11.2 (*Change involving main undertaking*).

Upon the expiry of the Period of Approval, the Company's placement capacity will be governed by ASX Listing Rule 7.1 (and ASX Listing Rule 10.11, in the case of placements to related parties) unless the Company has obtained a further approval under ASX Listing Rule 7.1A.1 before the end of the Period of Approval.

Any approval under Resolution 2 will cease to be valid if Shareholders approve a transaction under ASX Listing Rule 11.1.2 or 11.2 referred to above.

Minimum issue price

Under ASX Listing Rule 7.1A.3, the minimum price at which each Equity Security may be issued under the Additional 10% Placement Capacity is 75% of the VWAP for securities in that class calculated over the 15 trading days on which trades were recorded immediately before:

- (1) the date on which the price at which the securities are to be issued is agreed; or
- (2) if the securities are not issued within 10 trading days of that date, the date on which the securities are issued.

If Althea issues any Equity Securities under ASX Listing Rule 7.1A for non-cash consideration, it must provide to ASX for release to the market a valuation of the non-cash consideration that demonstrates that the issue price of those Equity Securities complies with the minimum issue price outlined above.

Purpose and allocation

As at the date of the Notice of Meeting, the Company does not have any specific intention to use the Additional 10% Placement Capacity nor has it invited any Shareholder to participate, or consider participating, in an issue of Equity Securities under the Additional 10% Placement Capacity.

The Company is seeking approval to take advantage of the ASX's recognition that flexibility is sometimes required if action needs to be taken swiftly. The Additional 10% Placement Capacity may be used to raise funds to support the Company's ongoing business and general working capital purposes or for the acquisition of assets or investment in business opportunities which may arise from time to time.

Ultimately, if Resolution 2 is approved, the Company's allocation policy for issues of Equity Securities under the Additional 10% Placement Capacity will depend on various considerations including the purpose of the proposed

Notice of Meeting

2024 Annual General Meeting

issue, the alternative methods for raising funds which are available to the Company at the time, the effect of the proposed issue on the control of the Company, the circumstances of the Company including its financial position, the prevailing market conditions at the time of the proposed issue and any advice received from corporate, financial or other advisers (as applicable).

The identity of the placees will be determined on a case-by-case basis at or around the time of issue. However, the placees of any Equity Securities could consist of current Shareholders, new investors, or both, none of whom will be related parties of the Company. Placees may also include vendors of assets or businesses of the Company or its subsidiaries. It is unlikely that such a placee will be a person to whom the Company is required to issue a prospectus or other disclosure document under the Corporations Act.

The Company may issue Equity Securities under the Additional 10% Placement Capacity for cash consideration. Any funds raised under the Additional 10% Placement Capacity may be used to support the Company's ongoing business and general working capital purposes or for the acquisition of assets or investment in business opportunities which may arise from time to time

The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A.4 and 3.10.5A upon the issue of any Equity Securities under the Additional 10% Placement Capacity.

Risk of economic and voting dilution

Any issue of Equity Securities under the Additional 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Equity Securities under the issue.

If Resolution 2 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the Additional 10% Placement Capacity, the economic and voting dilution of existing Shareholders through the Company using the Additional 10% Placement Capacity is as illustrated in the table below.

The table below has been prepared based on the number of quoted Equity Securities (i.e. fully paid ordinary shares) on issue in the Company as at the date of the Notice of Meeting and the closing price of those securities as at close of trade on ASX on 27 November 2024.

The table below also shows the voting dilutionary impact where the number of Shares on issue (variable A in the ASX Listing Rule 7.1A.2 Formula) changes and the economic dilutionary impact where there are changes to the issue price of Shares issued under the Additional 10% Placement Capacity.

*The number of Shares on issue could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or securities issued under a takeover offer) or that are issued with Shareholder approval under ASX Listing Rule 7.1.

The table above uses the following assumptions:

1. The current Shares on issue are the Shares on issue as at the date of the Notice of Meeting.
2. The current issue price set out above is the closing price of the Shares on ASX on 27 November 2024.
3. The Company issues the maximum possible number of Equity Securities under the Additional 10% Placement Capacity.
4. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own Shareholding depending on their specific circumstances.
5. This table does not set out any dilution pursuant to issues under or exceptions to ASX Listing Rule 7.1.
6. The 10% voting dilution reflects the aggregate percentage dilution against the issued Share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
7. The issue of Equity Securities under the Additional 10% Placement Capacity consists only of Shares. Based on its current issued securities, only Shares can be issued by the Company under the Additional 10% Placement Capacity.

Shareholders should note that there is a risk that:

- (1) the market price for the Company's Equity Securities may be significantly lower on the issue date than on the date of the AGM; and
- (2) the Company's Equity Securities may be issued at a price that is at a discount to the market price for those Equity Securities on the issue date.

Voting exclusion (ASX Listing Rule 7.3A.7)

The Company will disregard any votes cast in favour of this resolution by:

- a person who is expected to participate, or who will obtain a material benefit as a result of, the proposed issue of ordinary securities under ASX Listing Rule 7.1A (except a benefit solely by reason of being a holder of ordinary securities in the Company); or
- an associate of that person or those persons.

However, this does not apply to a vote cast in favour of a resolution by:

- a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or

Notice of Meeting

2024 Annual General Meeting

- the Chairman as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the Chairman to vote on the resolution as the Chairman decides; or
- a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

As at the date of the Notice of Meeting, the Company has not approached any particular existing Shareholder or any associate of a Shareholder to participate in an issue of Equity Securities under the Additional 10% Placement Capacity. Accordingly, no Shareholder is precluded from voting on Resolution 2.

Board recommendation

The Board unanimously recommends that Shareholders **VOTE IN FAVOUR** of Resolution 2.

Corporations Act; and

- give the benefit within 15 months following such approval, unless the giving of the financial benefit falls with an exception set out in section 210 to 216 of the Corporations Act.

The two non-associated Directors on the Board have separately considered the Performance Rights issue and, taking into account the circumstances of the Company and its subsidiaries, the circumstances of the Directors, and the remuneration practices of other similar entities, considers that the financial benefits provided to the Director by way of the issue of Performance Rights constitute reasonable remuneration, given they are being issued in reduction of 25% of Mr Fegan's cash based salary. Accordingly, approval under Chapter 2E of the Corporations Act is not being sought.

Calculation of the number of Performance Rights

Notice of Meeting

2024 Annual General Meeting

Items 7 and 8 Ratification of the issue of 31,230,974 Placement Shares issued under ASX Listing Rule 7.1 and 38,923,171 Placement Shares issued under ASX Listing Rule 7.1A (Resolution 6 and Resolution 7)

General

On 22 July 2024 (**Issue Date**), the Company issued 101,333,100 Placement Shares (**Placement Shares**) to raise approximately \$2.0 million (before costs).

The funds raised from the issue of the Placement Shares will be or were used for the purposes set out below.

Of the 101,333,100 Placement Shares, at that time the Company considered that 60,799,866 of the Placement Shares were permitted to be issued within the Company's 15% limit permitted under ASX Listing Rule 7.1 without the need for Shareholder approval and 40,533,234 of the Placement Shares were issued under ASX Listing Rule 7.1A without the need for Shareholder approval.

The Company has recently become aware that it exceeded its ASX Listing Rule 7.1 and ASX Listing Rule 7.1A placement capacities in issuing the 101,333,100 Placement Shares. Only

- 31,230,974 Shares were able to be issued within its ASX Listing Rule 7.1 placement capacity; and
- 38,923,171 Shares were able to be issued within its ASX Listing Rule 7.1A placement capacity.

As a consequence, the Company can only seek to ratify the issue of the Placement Shares that lawfully fell within its ASX Listing Rule 7.1 placement capacity and within its additional placement capacity under ASX Listing Rule 7.1A.

Under these Resolutions, the Company seeks to ratify the issue of the 31,230,974 of the Placement Shares issued within the Company's 15% limit under ASX Listing Rule 7.1 and 38,923,171 Placement Shares issued under ASX Listing Rule 7.1A, being 70,154,145 Shares (**Ratification Placement Shares**).

Resolution 6 and Resolution 7 are both ordinary resolutions.

ASX Listing Rules 7.1, 7.1A and 7.4

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its Shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period (15% Placement Capacity).

Under ASX Listing Rule 7.1A however, an eligible entity can seek approval from its shareholders by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

The Company obtained approval to increase its limit to 25% at the 2023 annual general meeting.

The issue of the Placement Shares does not fit within any of these exceptions and, as it has not yet been approved by the Company's Shareholders, it effectively uses up all of the 25% Placement Capacity in ASX Listing Rule 7.1 and 7.1A, reducing the Company's capacity to issue further equity securities without shareholder approval under ASX Listing Rule 7.1 and 7.1A for the 12-month period following the Issue Date.

ASX Listing Rule 7.4

ASX Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under ASX Listing Rule 7.1 and so it does not reduce the Company's capacity to issue further equity securities without shareholder approval

2024 Annual General Meeting

under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issue under ASX Listing Rule 7.1.

To that end, Resolutions 6 and 7 seek Shareholder approval for the ratification of the issue of the Ratification Placement Shares under and for the purposes of ASX Listing Rule 7.4.

Technical information required by ASX Listing Rule 14.1A

If Resolution 6 and Resolution 7 are passed, the Ratification Placement Shares will be excluded in calculating the Company's combined 25% limit in ASX Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Ratification Placement Shares.

If Resolution 6 and Resolution 7 are not passed, the issue of the Ratification Placement Shares will be included in calculating the Company's combined 25% limit in ASX Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Ratification Placement Shares.

The Company notes that given it exceeded the Company's combined 25% limit in ASX Listing Rules 7.1 and 7.1A, the number of Placement Shares issued in excess of the placement capacities under ASX Listing Rules 7.1 and 7.1A will nonetheless always come off the total number of Shares that it can issue in the 12 month period following such issue irrespective of whether Shareholder approval is obtained under Resolution 6 and Resolution 7.

Technical information required by ASX Listing Rule 7.5

For the purposes of ASX Listing Rule 7.5, information regarding the issue of the 70,154,145 Ratification Placement Shares is provided as follows (being the information required to be disclosed for the purposes of ASX Listing Rule 7.4):

<p>The names of the persons to whom the Company issued the securities or the basis on which those persons were identified or selected</p>	<p>The Ratification Placement Shares were issued to sophisticated investors who are exempt from the disclosure requirements under Chapter 6D of the Corporations Act, none of whom are a related party of the Company or a party to whom ASX Listing Rule 10.11 would apply.</p> <p>For the avoidance of doubt, with the exception of Adam Lanes Pty Ltd, none of the recipients were issued more than 1% of the Company's current issued capital or are/were:</p> <ul style="list-style-type: none"> • a member of the key management personnel; • a substantial holder of the entity; • an adviser of the entity; or • an associate of any of the above.
<p>The number and class of securities issued</p>	<p>The 70,154,145 Ratification Placement Shares were issued by the Company pursuant to ASX Listing Rule 7.1 and Listing Rule 7.1A.</p>

Notice of Meeting

2024 Annual General Meeting

Recommendation

The Board unanimously recommends that Shareholders VOTE IN FAVOUR of Resolution 6 and Resolution 7.

Item 9 Spill Resolution – Conditional Resolution (Resolution 8)

At the 2023 annual general meeting, the Company received a ‘no’ vote of more than 25% in relation to the resolution to adopt the Remuneration Report for the financial year ended 30 June 2023 which constitutes a “first strike”.

If at least 25% of the votes validly cast on Resolution 1 to adopt the Remuneration Report for the year ended 30 June 2024 are against its adoption, the Company would receive a “second strike” and this item will be put to Shareholders as an ordinary resolution and Shareholders will be requested at this AGM to vote on whether the Company is to hold a subsequent general Shareholders’ meeting within 90 days to vote on a “spill meeting” resolution under section 250V of the Corporations Act.

If fewer than 25% of the votes are against the adoption of the Remuneration Report for the year ended 30 June 2024, there will be no “second strike” and this item will not be put to Shareholders.

In response to the “first strike” received at the 2023 annual general meeting, the Company undertook a comprehensive review of its remuneration policies and practices and implemented several key changes to enhance alignment with shareholder interests and industry standards. These adjustments include updating the executive remuneration framework with regard to performance metrics, reviewing the incentive policies to ensure they are aligned to the Company’s agreed strategy and adjusting incentive structures and calculation methodologies to better reflect long-term Company performance. These changes were in part implemented in FY2024 and further improvements have been introduced in relation to the 2025 financial year.

The Board considers the following factors to be relevant to a shareholder’s decision on how to vote on this item:

- the steps taken in response to the “first strike”, as outlined in the FY24 remuneration report;
- the recent appointment of a new Chairman; and
- the disruption and significant cost involved in convening a Spill Meeting.

Board recommendation

Having regard to the matters set out above, the Board does not consider the proposed resolution to be in the best interests of the Company or its Shareholders. The Board recommends that Shareholders vote **AGAINST** any spill resolution put to the vote at the General Meeting.

Voting exclusion

The Company will disregard any votes cast on this resolution:

- by or on behalf of a member of the KMP whose remuneration is disclosed in the Remuneration Report; and
- a Closely Related Party of such a member,

unless the vote is cast as proxy for a person entitled to vote on this resolution and either:

- the voter is appointed as a proxy by writing that specifies the way the proxy is to vote on the resolution; or
- the voter is the Chairman and the appointment of the Chairman as proxy does not specify the way the proxy is

Notice of Meeting

2024 Annual General Meeting

to vote on the resolution and expressly authorises the Chairman to exercise the proxy even if the resolution is connected directly or indirectly with the remuneration of a member of the KMP.
