The Directors have committed to taking up their entitlement collectively for \$122,343.

The Company will apply to the ASX for official quotation of the New Shares.

The right to subscribe for the New Shares in accordance with an Entitlement under the Entitlement Offer will be non-renounceable (meaning Entitlements cannot be traded and are not otherwise transferrable) and is not underwritten. Further details of the Entitlement Offer will be contained in the Prospectus. Eligible Shareholders should consider the Prospectus carefully before deciding whether to participate in the Entitlement Offer and consult their professional advisors if they have any queries.

### Use of Funds

The proceeds from the Entitlement Offer will ensure the Company is well funded to continue exploration activities and drilling programmes towards defining a resource at the Mt Palmer Gold Mine and for working capital purposes, including repayment of a related party loan totalling approximately \$470k.

Under the earn-in agreement with Aurumin Limited, the Company can acquire a further 29% interest in the Mt Palmer Gold Mine Tenements to 80% by incurring exploration expenditure of \$1m. The Company has incurred exploration expenditure of \$777,943 on the Mt Palmer Gold Mine Tenements leaving a balance of approximately \$222k. Thereafter Aurumin Limited may contribute on a pro rate basis or dilute.

(ASX Announcement dated 31 May 2024, Mt Palmer Gold Mine Acquisition & Placement).

During the second half of 2024, the Company has undertaken significant cost reductions by reducing the size of or relinquishing tenements held where exploration potential has been downgraded, allowing the key focus to be on Mt Palmer Gold Mine where the exploration potential has been significantly increased from work completed to date.
