Upfront consideration for the ImaginAb acquisition is US\$10 million cash and US\$35 million in fully paid ordinary TLX shares (Consideration Shares). Refer ASX announcement 13 January 2025. US\$31 million of Consideration Shares will be issued at closing and US\$4 million of Consideration Shares will be issued at the end of a 15 month indemnity period, subject to set-off of any substantiated claims by Telix above a threshold amount. The number of Consideration Shares to be issued is determined by converting the 10 trading day VWAP of TLX shares up to and including 10 January 2025 to USD using the RBA conversion rate on that date and then dividing US\$35 million (assuming no substantiated claims) by the USD VWAP of TLX shares. Assuming the full USD\$35 million of Consideration Shares is issued, 2,318,255 Consideration Shares will be issued at an effective price of A\$24.3745 (or US\$15.0976) per Consideration Share.

Performance Rights represent rights to TLX shares to the value of up to US\$60 million in aggregate on the achievement of certain Milestone Events. The Performance Rights will be issued in four tranches of US\$15 million, corresponding to four Milestone Events. Refer to ASX announcement 13 January 2025. As and when Milestone Events are satisfied, Performance Rights will be settled by the issue of TLX shares or cash (at Telix's election). The number of any TLX shares to be issued will be calculated by converting the USD amount of the relevant Performance Rights to AUD using the RBA conversion rate at the time the Milestone Event is satisfied and dividing that amount by the 20 trading day VWAP of Telix shares at the time. Each Performance Right will have a USD face value that most closely reflects the value of 1 Telix share at the time of issue. If issued on 13 January 2025, approximately 3,914,631 Performance Rights would be issued and each would have a face value of US\$15.3271.
