Preferred Tenderer Notice Received – Mining Services – Gold Duke Project

ASX ANNOUNCEMENT

SSH Group Ltd (ASX:SSH) (**Company** or **SSH**) is pleased to advise that, following a competitive process, it has been selected as the preferred contractor for provision of project management services to Western Gold Resources Ltd (ASX:WGR) (**WGR**) at its 100% owned Gold Duke Project in Western Australia.

The Company is pleased to have received a non-binding Notice of Preferred Tenderer (**Notice**) from WGR in respect of a Master Services Agreement (**MSA**) for the provision of a full turnkey solution covering site establishment, mining and ore haulage to third-party processing facilities.

The MSA will be subject to WGR internal milestones, including the execution of a toll treatment or ore purchase agreement and a Final Investment Decision by the WGR Board.

Final binding contract terms, including pricing and payment conditions, will be formalised via the execution of an MSA.

WGR is the 100% owner of the Gold Duke Project, a highly prospective gold project located west of Wiluna in Western Australia's mid-west.

SSH Managing Director Daniel Cowley-Cooper commented:

“SSH Group is proud to be selected as the preferred contractor for Western Gold Resources' Gold Duke Project. This milestone aligns with our strategic goal to greater expand our services into Western Australia's mining industry by delivering reliable turnkey solutions.

We are excited to support WGR's project milestones and contribute to the success of this highly prospective asset in Western Australia.”

AUTHORISATION

This release has been authorised in accordance with the Company's published continuous disclosure policy and approved for release by the Board of SSH Group Ltd.
