

ASX Release

16 January 2025

**Launch of 90 gram presentation of Dapsone 5%, Gel
in the United States**

Melbourne, Australia; Acrux Limited (ASX:ACR)

Acrux and its partner TruPharma today announced the launch of a 90 gram pack size of Dapsone 5%, Gel in the United States.

Dapsone 5%, Gel is a topical prescription medicine to treat acne vulgaris.

Annual market sales for Dapsone 5%, Gel products for the 12 months ending August 2024 exceeded US\$15.8 million (AUD\$24 million) as measured by IQVIA.

CEO and Managing Director of Acrux,
Michael Kotsanis, said:

“While the market for the 90 gram pack size represents only 16% of volume for the product, the offering of both pack sizes will improve the product’s competitive profile and we anticipate a positive impact on market share for the product following this launch.”

Authorised for release by the Board of Acrux Limited.
