About the Magellan Global Fund - Open Class Units – Active ETF

The Fund’s primary investment objective is to achieve attractive risk-adjusted returns over the medium to long-term, while reducing the risk of permanent capital loss. The Fund primarily invests in securities of companies listed on stock exchanges around the world. The Fund's portfolio comprises 20 to 40 stocks at any one time although will also have some exposure to cash. It is not our intention to hedge the foreign currency exposure of the Fund arising from investments in overseas markets.
