ASX RELEASE

20 January 2025

HALF-YEARLY REPORTING RELIEF – RELIANCE ON ASIC INSTRUMENT 2016/190

DigiCo Infrastructure REIT (**ASX: DGT**) gives notice that it intends to rely on the relief provided by *ASIC Corporations (Disclosing Entities) Instrument 2016/190 (Instrument 2016/190)* in respect of its first financial year.

Instrument 2016/190 provides relief from the half-year reporting requirements in sections 302 and 306 of the *Corporations Act 2001* (Cth) where a disclosing entity's first financial year lasts 8 months or less. Accordingly, DGT will not release a half-year report.

DGT makes the following confirmations demonstrating compliance with the requirements of Instrument 2016/190:

- Each of HMC Digital Infrastructure Ltd and HMC Digital Infrastructure Trust are disclosing entities.
- It provides this notice to ASX explaining the effect of Instrument 2016/190 and that it intends to rely on Instrument 2016/190.
- The directors' report for the financial year ending 30 June 2025 will explain the effect of Instrument 2016/190 and that DGT relied on it with respect to its first financial year.

The release of this announcement was authorised by the Board of HMC Digital Infrastructure Ltd.
