## DECEMBER 2024 QUARTER AND CALENDAR 2024 FUM AND FLOW UPDATE

During the December 2024 quarter ("4Q24"), FUM for Regal Partners Limited (ASX:RPL, "Regal" or the "Company") rose to \$18.0 billion, a 4.6% increase versus the \$17.2 billion of FUM as at 30 September 2024. The \$18.0 billion is consistent with the preliminary estimate announced by the Company on 7 January 2025 and equates to a 64% increase in FUM over calendar 2024 through a combination of strong net inflows, positive investment performance and the acquisition of Merricks Capital and Argyle Group in July 2024 (where acquisitions are reflected in 'Other' in the above tables as applicable).<sup>4</sup>

Excluding the acquired \$4.3 billion of FUM from these acquisitions, Regal's FUM rose 25% over the year.

**4Q24 Flows:** Net inflows of +\$720 million in 4Q24, a record quarter for the group, were driven by a wide range of funds and asset classes. Taurus Funds Management received over +\$0.1 billion from a US State Pension investor (with a further +\$0.2 billion binding commitment that is not included in 4Q24 flows above) and Kilter Rural received an initial investment from a top 10 global sovereign wealth fund. Other flows were predominantly driven by the unlisted multi-strategy Regal Partners Private Fund, a capital raising for the Regal Investment Fund (ASX:RF1) and the PM Capital global long/short strategies.

**Calendar 2024 Flows:** The strong 4Q24 flows take total net inflows and commitments for calendar 2024 to around +\$2.1 billion, representing a record 12 months for the Company. Pleasingly, the +\$1.1 billion of net inflows into long/short equities during calendar 2024 was from a broad range of existing funds and new mandates, with both Regal Funds Management and PM Capital contributing strongly. Within multi-strategy, the +\$0.5 billion of net inflows in 2024 reflected ongoing interest in the Regal Partners Private Fund (launched in December 2023) and the RF1 raising in 4Q24 mentioned above. Credit & royalties (+\$0.2 billion of net inflows) and real & natural assets (+\$0.1 billion of net inflows) also experienced solid demand during the year.

Regal looks forward to releasing further information at its 2024 results (for the year to 31 December 2024) on Wednesday, 26 February 2025.
