QUARTERLY ACTIVITY STATEMENT TO 31 DECEMBER 2023**(including an Up Date to 31 December 2024)**

The Company advises its operational activities for the quarter to 31 December 2023 as follows;

Sea Cucumber Project

The Company ceased its operations in Japan during the quarter to 30 June 2023.

In the quarter to 31 December 2023 the Company had no sales or costs in its previous sea cucumber business.

Inquiries into a Future Acquisition

In the quarter to 31 December 2023 Mr Nakamura continued discussions concerning various renewal energy projects in which the Company could fully own in the future, particularly projects to be undertaken in Japan and Australia. No firm proposals that could amount to a reasonable business were received in the quarter to 31 December 2023. The Entity acknowledges that any such new business would require ASX to confirm it had no objection to the Company undertaking such business and being listed.

The Company acknowledges that any new business will require the Company to undertake a re-compliance prospectus.

The Company also acknowledges that the ASX will require the Company to be a 100% owner of such business and to carry on such business into the future.

Investment Proposal

The Entity disclosed in its activity report to 30 September 2023 that it had continued negotiations with a prospective acquisition in the quarter to 31 December 2023. The Company confirmed in the activity report to 30 September 2023 that these subsequent negotiations ceased in such quarter to 31 December 2023 when the targeted entity ceased negotiations.

In the quarters to 31 March 2024, 30 June 2024, 30 September 2024 and 31 December 2024 the Entity has primarily pursued two separate new business opportunities. In both matters the Company proposed to acquire 100% of an existing business and to thereafter raise sufficient working capital for the ongoing business of the acquisition.

Subsequent to the quarter to 31 December 2024 and the signing of this report the Entity has pursued a further acquisition.

The Company notes that to pursue any of these matters further the Entity will require ASX consent and a full re-compliance prospectus. Any new proposal will also remain subject to the approval by the Company's shareholders, ASIC and the ASX.

As at end of the quarter to 31 December 2024 neither of the above referred to proposals or the subsequent proposal has reached final terms for the consideration of the Board and thereafter the ASX. The Company reasonably expects one of these proposals finalised in the next 4 to 6 weeks and to

thereafter make a submission to the ASX seeking its consent to the Company proceeding with such proposal.

Loans

The Entity has secured short and medium term funding of \$300,000 as set out in Appendix 4C.

The Company is continuing to seek further working capital and will keep the shareholders apprised of any future developments.

Corporate

The Company has placed on hold any possible further re-construction until the completion of the negotiations and the approval of the process by the ASX and approval of the documents by ASIC.
