1 CEO'S LETTER

28 January 2025

Dear Red Hawk Shareholder,

We are pleased to enclose this Bidder's Statement in relation to an Offer from FMG Pilbara Pty Ltd (ACN 106 943 828) (the **Bidder** or **we**), a wholly owned subsidiary of Fortescue Ltd (**Fortescue**), to acquire all of your Red Hawk Shares for \$1.05 in cash per Red Hawk Share, increasing to \$1.20 if the Bidder obtains a Relevant Interest in 75% or more of all Red Hawk Shares on or before 7.00pm (AEDT) on 4 February 2025. Information on the Bidder is set out in this Bidder's Statement.

Benefits of the Offer

We believe that the Offer is highly attractive to Red Hawk Shareholders, and provides a compelling opportunity for Red Hawk Shareholders to realise both optimal and immediate value for their Red Hawk Shares.

The Offer Price of \$1.05 per Red Hawk Share represents:

- a 29% premium to the 30-day volume weighted average price (**VWAP**) of Red Hawk Shares up to 24 January 2025; and
- a 28% premium to Red Hawk Share price at close the day prior to the Announcement Date.

If the Bidder obtains a Relevant Interest in 75% or more of all Red Hawk Shares by 7.00pm (AEDT) on or before the date that is 7 days after the Offer, the Offer Price will increase to \$1.20 per Red Hawk Share, representing a 48% premium to the 30-day VWAP of Red Hawk Shares and a 46% premium to the last closing price of Red Hawk Shares as at the Last Practicable Date.

The Bidder is offering 100% cash for the Red Hawk Shares enabling Red Hawk Shareholders to realise a certain and immediate cash value for their Red Hawk Shares either by:

- accepting the Offer and receiving payment should the Offer become or be declared unconditional; or
- selling Red Hawk Shares on-market. The Bidder may immediately commence purchasing Red Hawk Shares on-market at or below the Offer Price.

If you retain your Red Hawk Shares, the amount you will be able to realise for your Red Hawk Shares is uncertain and subject to a number of potential risks (both company-specific and market-based).

For further information on the above reasons to accept the Offer please see Section 2 of this Bidder's Statement.

Conditions of the Offer

This Offer and any contract which results from your acceptance of the Offer is subject to the Condition that, between the time beginning on the Announcement Date and ending at the end of the Offer Period, none of events referred to in sections 652C(1) and 652C(2) of the Corporations Act have occurred.

The Bidder intends to:

- waive any breach of the Condition due to the issue of Red Hawk Shares upon exercise or conversion of options or performance rights (or similar) on issue as at 26 January 2025, or the issue of new Red Hawk Shares to Mr Steven Michael pursuant to the terms of his employment agreement; and
- waive the Condition by no later than the date which is 14 days after the Bidder acquires a Relevant Interest in at least 50.1% of the Red Hawk Shares, unless the Condition has been breached on or before that date, in which case the Bidder shall, within five Business Days of such breach, publicly state either that it will:

- not rely on (and will waive) such breach; or
- will rely on such breach and will cause the offers to lapse or be withdrawn by no later than 10 Business Days after the relevant statement is made.

There is no minimum acceptance condition or any other condition.

Recommended Offer

The Red Hawk Board unanimously supports the Offer and the Red Hawk Directors unanimously recommend the Offer at both the Offer Price and, if relevant, the Increased Offer Price in the absence of a Superior Proposal, and subject to the Independent Expert continuing to conclude that the Offer is fair and reasonable, or not fair but reasonable to Red Hawk Shareholders.

Next Steps

Please carefully read this Bidder's Statement. Full terms of the Offer are set out in Section 10 of this Bidder's Statement.

I encourage you to accept the Offer as soon as possible. The Offer is scheduled to close at 7.00pm (AEDT) on Monday, 3 March 2025, unless extended or withdrawn. To accept the Offer, you must follow the instructions in the attached Acceptance Form. If you accept the Offer, the Bidder will pay you the Offer Price within:

- 10 Business Days of the Offer being declared unconditional; or
- 10 Business Days after the Offer is accepted by you, if the Offer is already free from the Condition at the time you accept.

If you require additional assistance, please call the Offer Information Line on 1300 116 256 (for callers within Australia) or +61 3 9415 4036 (for callers outside Australia), Monday to Friday between 9:00am and 5:00pm (AEDT).

Yours sincerely,

Dino Otranto

Fortescue Metals CEO

2 REASONS TO ACCEPT THE OFFER

WHY YOU SHOULD ACCEPT THE OFFER

1. Offer premium: The all-cash Offer of \$1.05 per Red Hawk Share represents a compelling opportunity for Red Hawk Shareholders to realise value for their Red Hawk Shares, at a substantial premium and with the certainty of a fixed cash price. The Offer represents a 29% premium to the 30-day VWAP up to 24 January 2025 and a 28% premium to the last closing price of Red Hawk Shares prior to release of this Bidder's Statement. If the Bidder obtains a Relevant Interest in 75% or more of all Red Hawk Shares by 7.00pm (AEDT) on or before the date that is 7 days after the Offer, the Offer Price will increase to \$1.20 per Red Hawk Share, representing a 48% premium to the 30-day VWAP of Red Hawk Shares and a 46% premium to the last closing price of Red Hawk Shares as at the Last Practicable Date.

2. Unanimous recommendation from Red Hawk Board: The Red Hawk Board unanimously recommends accepting the Offer at both the Offer Price and, if relevant, the Increased Offer Price in the absence of a Superior Proposal, and subject to the Independent Expert continuing to conclude that the Offer is fair and reasonable, or not fair but reasonable to Red Hawk Shareholders. Additionally, Red Hawk Directors who own or control Red Hawk Shares have confirmed that they intend to accept or procure acceptance of the Offer in respect of the Red Hawk Shares that they own or control, in the absence of a Superior Proposal, and subject to the Independent Expert continuing to conclude that the Offer is fair and reasonable, or not fair but reasonable to Red Hawk Shareholders.

3. Independent Expert's conclusion: The Independent Expert has concluded that the Offer is fair and reasonable to Red Hawk Shareholders. Refer to the Target's Statement (containing a copy of the Independent Expert's Report), which Red Hawk will send to Red Hawk Shareholders as required by the Corporations Act.

4. Minimal conditionality: The Offer is only conditional on there being no Prescribed Occurrences. This Condition will be satisfied unless one of the events referred to in sections 652C(1) and 652C(2) of the Corporations Act occurs, for example where Red Hawk is impacted by an event of insolvency or the Red Hawk Board undertakes certain transactions such as the sale of major assets or restructuring Red Hawk's share capital.

The Bidder intends to:

- waive any breach of the Condition due to the issue of Red Hawk Shares upon exercise or conversion of options or performance rights (or similar) on issue as at 26 January 2025, or the issue of new Red Hawk Shares to Mr Steven Michael pursuant to the terms of his employment agreement; and
- waive the Condition by no later than the date which is 14 days after the Bidder acquires a Relevant Interest in at least 50.1% of the Red Hawk Shares, unless the Condition has been breached on or before that date, in which case the Bidder shall, within five Business Days of such breach, publicly state either that it will:
 - not rely on (and will waive) such breach; or
 - will rely on such breach and will cause the offers to lapse or be withdrawn by no later than 10 Business Days after the relevant statement is made.

Importantly, there is no minimum acceptance condition for the Offer, meaning that if you accept the Offer but other Red Hawk Shareholders do not, you will still be paid following the satisfaction or waiver of the "no Prescribed Occurrences" Condition.

- 5. The Offer removes your exposure to the risks and uncertainties associated with a continued investment in Red Hawk:** The Bidder believes that the cash consideration payable under the Offer represents attractive value for your Red Hawk Shares. As a Red Hawk Shareholder, you are exposed to a number of general market risks, such as equity market volatility, inflation, interest rates, foreign exchange rate changes and consumer volatility.

You are also exposed to Red Hawk specific risks that could affect the trading price of Red Hawk Shares, namely the development and funding risks faced by Red Hawk Shareholders in connection with the future development and operation of the Blacksmith Project. This includes the long haulage route and port capacity constraint challenges currently faced by Red Hawk. If you accept the Offer and the Offer becomes unconditional, you will no longer be exposed to those risks and uncertainties.

- 6. Avoidance of minority shareholder risk:** Accepting the Offer removes possible minority shareholder risks of remaining a Red Hawk Shareholder. Being a minority shareholder in Red Hawk may have the following implications:

- the price at which Red Hawk Shares are traded may fall and may trade at a material discount to the Offer Price;
- the market for Red Hawk Shares may become less liquid; and
- Red Hawk's capital structure, board configuration and distribution policy may change.

Importantly, the Bidder intends to request that the Red Hawk Board apply to delist Red Hawk from the ASX upon the Bidder acquiring a Relevant Interest in more than 75% of the Red Hawk Shares and on the satisfaction of ASX's requirements for delisting. If you do not accept the Offer and Red Hawk is delisted from the ASX, you will be unable to sell your Red Hawk Shares on the ASX and will have limited pathways to dispose of those shares in future. There may also be a reduced likelihood of a subsequent takeover bid for Red Hawk from parties other than the Bidder.

- 7. 100% cash consideration delivers certain and immediate value for your Red Hawk Shares:** The consideration offered to Red Hawk Shareholders is 100% cash. The Offer provides an opportunity for Red Hawk Shareholders to realise their investment for a certain value. If you accept the Offer in accordance with the instructions contained in the Offer and the Offer becomes unconditional, you will be sent payment within:

- 10 Business Days of the Offer being declared unconditional; or
- 10 Business Days after the Offer is accepted by you, if the Offer is already free from the Condition at the time you accept.

Full details in respect of the payment of the cash consideration are set out in Section 10.6.

- 8. Red Hawk's Share price may fall if the Offer lapses:** While there are many factors that might influence the market price of Red Hawk Shares, there is a risk that the Red Hawk Share price may trade at levels below the Offer Price, at least in the short term, if the Offer does not succeed and no takeover offer is made for Red Hawk at or above the Offer Price (although this is difficult to predict with any degree of certainty). As a result, Red Hawk Shareholders who have not accepted the Offer may not have another opportunity to sell their Red Hawk Shares at or above the Offer Price. Further, if the Offer does not succeed and no Superior Proposal emerges, the Red Hawk Share price may decline and Red Hawk may need to raise significant equity capital at a price that is lower than the Offer Price or the recent trading price of the Red Hawk Shares.

9. You will not incur any brokerage cost or stamp duty with your acceptance of the Offer: You will not pay stamp duty on the disposal of your Red Hawk Shares if you accept the Offer. If your Red Hawk Shares are registered on an Issuer Sponsored Holding and you deliver them directly to the Bidder, you will not incur any brokerage in connection with your acceptance of the Offer.

If your Red Hawk Shares are registered in a CHESS Holding, or if you are a beneficial owner whose Red Hawk Shares are registered in the name of a broker, bank, custodian or other nominee, no brokerage will be payable by you, but you should ask your controlling participant (usually, your broker or the bank, custodian or other nominee) whether it will charge any transaction fees or service charges in connection with your acceptance of the Offer.

6.3 Further intentions upon acquiring 90% or more of Red Hawk Shares

In addition to the intentions described in Section 6.2 above, this Section sets out the Bidder's further intentions if it were to acquire a Relevant Interest in 90% or more of the Red Hawk Shares.

(a) Compulsory acquisition at end of Offer Period or a later time

If it becomes entitled to do so under the Corporations Act, the Bidder may compulsorily acquire any outstanding Red Hawk Shares.

It is possible that even if the Bidder is not entitled to or required to proceed to compulsory acquisition of minority holdings after the end of the Offer Period under Part 6A.1 of the Corporations Act, it may subsequently become entitled to exercise rights of general compulsory acquisition under Part 6A.2 of the Corporations Act; for example, as a result of acquisitions of Red Hawk Shares in reliance on the "3% creep" exception in item 9 of section 611 of the Corporations Act. If so, the Bidder may exercise those rights.

(b) ASX De-Listing

If a compulsory acquisition process is undertaken, the Bidder would procure the removal of Red Hawk from the official list of the ASX.

(c) Red Hawk Board Composition

The Bidder intends to replace all the members of the Red Hawk Board and the members of the boards of Red Hawk's subsidiaries with nominees of the Bidder. Replacement board members have not yet been identified by the Bidder and their identity will depend on the circumstances at the relevant time.

(d) Operational and strategic review

Following completion of the compulsory acquisition process, the Bidder intends to undertake a detailed and broad-based review of Red Hawk's assets, strategy and operations in the light of the more detailed information then available to it. The Bidder current expectation is that the review will focus on:

- (i) Red Hawk's asset portfolio with a view to the potential disposal of some assets;
- (ii) integration of management operating systems, administrative procedures, systems and reporting lines, the intention being to bring these into line with the Bidder

Group's current operations, standards and practices and to optimise operating costs;

- (iii) review of management and operations;
- (iv) potential synergies and cost savings, including overheads, insurances, professional advisory fees and other synergistic operational costs;
- (v) Red Hawk's current financing arrangements and future funding requirements to determine the optimal capital structure. Red Hawk's need for additional capital, either in the form of debt or equity will be assessed, including the Bidder Group's ability to provide Red Hawk with such capital; and
- (vi) external commercial relationships with service providers.

The outcome of this review may result in changes to the structure of Red Hawk, including changes to the way the Blacksmith Project is developed, changes to the number of employees and the possible divestment of assets.

(e) **Business integration**

The Bidder intends to centralise certain of Red Hawk's corporate functions (such as the company secretarial, financial management and information technology functions) in order to eliminate duplication and reduce those costs where possible. Other similar functions within the Bidder Group and Red Hawk will be reviewed and either totally merged where relevant or continue under current arrangements. In addition, some functions of Red Hawk's head office may no longer be necessary if Red Hawk is removed from the ASX following the conclusion of the Offer.

(f) **Impact on management and employees**

After the Offer Period, the Bidder will discuss with employees any potential impacts to the organisational structure and their ongoing employment as part of the general operational review described above. As with any operational review, and subject to consideration of any matters raised by employees, it is possible that job losses, including redundancies, may be a potential outcome. The incidence, extent and timing of any potential structural changes cannot be predicted in advance and will depend on the outcome of the strategic review, consideration of any matters raised by employees and any potential mitigation opportunities. If, as part of the operational review, redundancies become operationally required, the Bidder Group will discuss this with employees, including seeking their feedback and exploring any suitable alternative redeployment opportunities before any final decision is made. If applicable, redundancy pay entitlements are provided for in the National Employment Standards based on an employee's years of service with the employer, in addition to any contractual entitlements set out in each employee's individual contracts of employment.

(g) **Senior management terms of employment**

The terms of employment of the members of the senior management team who remain with Red Hawk after completion of the Offer will remain substantially the same as their existing employment terms, subject to any individual negotiations between the Bidder Group and the individual.

(h) **Red Hawk Constitution**

The Bidder intends to amend Red Hawk's constitution to reflect its status as a wholly-owned subsidiary of the Bidder and will seek to convert Red Hawk from a public company to a proprietary company.

(i) **Consolidated tax group**

If the Bidder acquires 100% of Red Hawk, Red Hawk and its wholly owned subsidiaries will become members of the consolidated tax group of which Fortescue is the head company and Red Hawk and each of its wholly owned subsidiaries will enter into, or become parties

to, the tax sharing agreement and tax funding agreement in place in relation to that consolidated tax group.

6.4 **Intentions if the Bidder does not acquire 50.1% of Red Hawk Shares**

This Section sets out the Bidder's intentions if the Offer closes and the Bidder has not acquired a Relevant Interest in at least 50.1% of Red Hawk Shares on issue.

In that circumstance:

- (a) the Bidder does not expect to be in a position to give effect to the intentions set out in Sections 6.2 or 6.3 of the Bidder's Statement; and
- (b) the Bidder would have regard to the circumstances at the time and consider the appropriate courses of action that are in the best interests of the Bidder. If the Bidder does not acquire a Relevant Interest in 50.1% or more of Red Hawk Shares on issue, the Bidder may review its substantial shareholding in Red Hawk.

6.5 **On-Market Purchases**

From the date the Bidder's Statement is given to Red Hawk, the Bidder intends to conduct on-market purchases of Red Hawk Shares from time to time in accordance with item 2 of section 611 of the Corporations Act at or below the Offer Price.

6.6 **Limitations of intentions**

The intentions and statements of future conduct set out in this Section 6 must be read as being subject to:

- (a) Red Hawk's constitution, the law (including the Corporations Act) and the ASX Listing Rules;
- (b) the outcome of reviews referred to in this Section 6; and
- (c) the legal obligation of the Red Hawk Directors at the time, including any candidates for the Red Hawk Board nominated by the Bidder, to act in good faith in the best interests of Red Hawk and for proper purposes and to have regard to the interests of all Red Hawk Shareholders.

7 FUNDING

7.1 Offer Price

The consideration for the acquisition of the Red Hawk Shares by the Bidder will be satisfied by the payment of A\$1.05 cash for each Red Hawk Share (being the Offer Price).

The consideration will be increased to A\$1.20 if the Bidder obtains a Relevant Interest in 75% or more of all Red Hawk Shares by 7.00pm (AEDT) on or before the date that is 7 days after the Offer is open for acceptance (being, Tuesday, 4 February 2025).

Accordingly, the maximum amount of cash consideration which would be payable by the Bidder under the Offer if acceptances for all the Red Hawk Shares existing at the Record Date are received is A\$209.8 million based on the Offer Price, and A\$239.8 million based on the Increased Offer Price. This excludes Red Hawk Shares issued after the Record Date whether on conversion of convertible securities or otherwise.

7.2 Sources of Funding

The Bidder does not currently have existing cash reserves available to pay the consideration under the Offer. However, the Bidder has entered into binding documentation with Fortescue whereby Fortescue has agreed to provide funds, or procure that its Related Bodies Corporate provide funds, to the Bidder sufficient for it to meet all of its obligations under the Offer (including the Bidder's transaction costs) on an irrevocable, unconditional, interest-free, non-recourse basis.

The necessary funds being made available to the Bidder will be sourced from Fortescue's existing cash reserves and cash equivalents. As at 31 December 2024, Fortescue and its Related Bodies Corporate had approximately US\$3.4 billion of cash and cash equivalents.

7.3 Provision of consideration by the Bidder

On the basis of the arrangements described above, the Bidder believes that it has reasonable grounds for holding the view, and it does hold the view, that the Bidder will be able to provide the consideration offered in respect of the Offer. The Offer is not subject to any financing condition.

8 TAXATION CONSIDERATIONS

8.1 Introduction

The following is a general description of the Australian Capital Gains Tax (**CGT**) consequences to Red Hawk Shareholders in relation to the disposal of their Red Hawk Shares, through acceptance of the Offer, in return for cash consideration. General comments are also provided in relation to Australian income tax, stamp duty and Goods and Services Tax (**GST**).

The following information is based upon taxation law and established practice in effect as at the date of this Bidder's Statement. It is not intended to be, nor is it, an authoritative or complete statement of the taxation laws of Australia applicable to the particular circumstances of every Red Hawk Shareholder. This summary is necessarily general in nature and therefore should not be relied upon as advice.

The following comments apply only to those Red Hawk Shareholders who hold Red Hawk Shares on capital account for tax purposes, such that they will be subject to CGT in respect of their dealings in their holdings of Red Hawk Shares. This summary does not address the tax consequences that arise for Red Hawk Shareholders:

- (a) who hold their Red Hawk Shares on revenue account or as trading stock;
- (b) who hold their Red Hawk Shares as assets used in carrying on a business or as part of a profit-making undertaking or scheme;
- (c) who acquired their Red Hawk Shares through an employee share scheme;
- (d) who are Australian tax residents but who hold their Red Hawk Shares as part of an enterprise carried on, at or through a permanent establishment in a foreign country;
- (e) who are financial institutions, insurance companies, partnerships, tax exempt organisations, sovereign entities, trusts (except where expressly stated), superannuation funds (except where expressly stated), entities subject to the Investment Manager Regime under Subdivision 842-1 of the *Income Tax Assessment Act 1997 (Cth)* or temporary residents; or
- (f) who are subject to the taxation of financial arrangements rules in Division 230 of the *Income Tax Assessment Act 1997 (Cth)* in relation to gains and losses on their Red Hawk Shares.

The outline does not take into account or anticipate changes or proposed changes in the law (by legislation or proposed legislation, government announcements or judicial decision) or practice (by ruling or otherwise). The outline is also not exhaustive of all tax considerations which could apply in the circumstances of any given Red Hawk Shareholder.

Similarly, this tax summary does not address income tax implications for all Red Hawk Shareholders nor the tax implications arising from the disposal of Red Hawk Shares which were acquired before 20 September 1985. Such shareholders should seek specialist tax advice tailored to those circumstances.

All Red Hawk Shareholders, and particularly those shareholders not covered by this outline as noted above, should consult their own tax advisers.

Red Hawk Shareholders who are not resident in Australia for tax purposes should seek their own independent taxation advice which takes into account the tax consequences under the laws of their country of residence, as well as under Australian law, in relation to the disposal of Red Hawk Shares.

8.2 Australian resident Red Hawk Shareholders

Acceptance of the Offer will involve the disposal by Red Hawk Shareholders of their Red Hawk Shares by way of transfer to the Bidder and, as such, the disposal will have Australian CGT implications.

Australian resident Red Hawk Shareholders may make a capital gain or capital loss on the sale of their Red Hawk Shares. A capital gain will result where the Offer Price is more than the cost base of those Red Hawk Shares. Alternatively, a capital loss will result where the Offer Price is less than the reduced cost base of those Red Hawk Shares.

The cost base of a Red Hawk Share is generally the cost of acquisition or deemed cost of acquisition. Certain other amounts associated with the acquisition and disposal of the Red Hawk Share (such as brokerage or stamp duty) may be added to the cost base.

Capital gains and capital losses of a taxpayer in a year of income are aggregated to determine whether there is a net capital gain. Capital losses carried forward from earlier years may (subject to conditions) be applied to reduce the capital gain. Any remaining net capital gain is included in assessable income and subject to Australian income tax. However, a 'CGT Discount' may be available to reduce the capital gain for certain Red Hawk Shareholders (see Section 8.3 below for further information).

Capital losses may not be deducted against other income for income tax purposes, but may be carried forward to be offset against future capital gains subject to the satisfaction of certain conditions.

8.3 CGT Discount

The availability of the 'CGT Discount' in calculating the amount of the capital gains included in assessable income depends on the period for which the Red Hawk Shares disposed of under the Offer have been held and the classification of each Red Hawk Shareholder (e.g. individual, superannuation fund or certain trusts).

The CGT Discount described in this Section is not available where the Red Hawk Shares have not been held for 12 months as at the date of acceptance of the Offer. Special rules apply to determine if shares have been held for the requisite period. Red Hawk Shareholders should seek their own advice on these matters.

Individuals, complying superannuation entities or trustees that have held Red Hawk Shares for 12 months or more before accepting the Offer may be entitled to discount the amount of the capital gain (after application of capital losses) from the disposal of the Red Hawk Shares by 50% in the case of individuals and eligible trustees, and by 33.33% in the case of complying superannuation funds. The CGT Discount is not available to companies.

The CGT Discount is not relevant for the purposes of calculating a capital loss.

8.4 Non-Australian resident Red Hawk Shareholders

If you are a non-resident of Australia for tax purposes and hold your Red Hawk Shares on capital account, you will generally not be subject to CGT in Australia on the disposal of your Red Hawk Shares unless:

- (a) your Red Hawk Shares constitute "indirect Australian real property interests";
- (b) you held your Red Hawk Shares at any time in carrying on a business through a permanent establishment in Australia; or
- (c) you were previously a resident of Australia for tax purposes and chose to disregard a capital gain or loss on your Red Hawk Shares on ceasing to be a resident.

Your Red Hawk Shares will constitute indirect Australian real property interests if both the following conditions are satisfied:

- (a) you (together with your associates, as defined for tax purposes) owned at least 10% of the Red Hawk Shares either at the time you sold your Red Hawk Shares or for any 12-month period during the 24 months before you sold your Red Hawk Shares (in which case, your Red Hawk Shares would be a **Non-Portfolio Interest**); and
- (b) at the time of the disposal, "taxable Australian real property" assets (which for these purposes includes real property and mining, quarrying or prospecting rights where the minerals, petroleum or quarry materials are located in Australia) comprise more than 50%

of the market value of the assets owned directly or indirectly by Red Hawk (called the **Principal Asset Test**).

Foreign resident Red Hawk Shareholders who are subject to CGT on the disposal of their Red Hawk Shares are not entitled to the CGT Discount.

Red Hawk Shareholders who are not resident in Australia for income tax purposes should note that the Australian tax consequences from the disposal of the Red Hawk Shares may be affected by any double tax agreement between Australia and their country of residence. Foreign resident Red Hawk Shareholders should obtain specific tax advice.

8.5 Foreign resident capital gains withholding tax

If you are a foreign resident Red Hawk Shareholder, the amount you receive for the sale of your Red Hawk Shares under the Offer may be reduced as the Bidder may have the obligation to withhold an amount of foreign resident capital gains withholding (**FRCGW**) tax from the Offer Price and pay such amount to the Australian Taxation Office on your behalf. The current rate of the FRCGW tax is 15%.

The FRCGW will not apply if you sell your Red Hawk Shares on-market on the basis that there is an exclusion from withholding tax for disposals on the ASX.

If you dispose of your Red Hawk Shares off-market pursuant to this Offer, the FRCGW generally applies to the disposal of your Red Hawk Shares if:

- (a) your Red Hawk Shares constitute “indirect Australian real property interests” (see Section 8.4 for further information); and
- (b) any of the following apply:
 - (i) the Bidder knows that you are a foreign resident for Australian tax purposes;
 - (ii) the Bidder reasonably believes that you are a foreign resident for Australian tax purposes;
 - (iii) the Bidder does not reasonably believe you are an Australian resident for Australian tax purposes and either:
 - (A) you have an address outside Australia (according to any record in the Bidder’s possession, or is kept or maintained on the Bidder’s behalf); or
 - (B) the Bidder is authorised to provide a financial benefit (e.g., the payment of the Offer Price) to a place outside Australia; or
 - (iv) you otherwise have a connection outside Australia of a kind specified in the tax regulations.

If the Bidder determines or reasonably believes that it has an obligation to deduct FRCGW tax, the Bidder will withhold the applicable FRCGW amount from the Offer Price payable to you and pay that amount to the Australian Taxation Office. You will only receive the net proceeds and will be taken to receive the full Offer Price for the purposes of this Offer, such that the Bidder will be discharged of any liability to pay that amount of the Offer Price to you.

Depending on your specific circumstances, you may be entitled to apply to the Australian Taxation Office, before the disposal of your Red Hawk Shares, to vary and reduce the rate of the FRCGW tax that applies to you.

As at the date of this Bidder’s Statement, the Bidder expects that the Principal Asset Test will be met in respect of the Red Hawk Shares. Accordingly, the Bidder expects that your Red Hawk Shares will be indirect Australian real property interests if you also satisfy the Non-Portfolio Interest test.

Notwithstanding the above, if you and your associates (as defined for tax purposes) sell an interest of 10% or more in Red Hawk as part of the Offer, or the Bidder otherwise determines that the FRCGW tax provisions may be enlivened in respect of you, the Bidder will use reasonable

endeavours to contact you so that you have an opportunity to provide a declaration (that the Bidder has no reason to believe is false) to the effect that either:

- (a) You are an Australian resident for Australian tax purposes (**Australian Residency Declaration**); or
- (b) Your Red Hawk Shares are not Non-Portfolio Interests (see Section 8.4 for further information) and/or are not indirect Australian real property interests (Non-Indirect Australian Real Property Interest Declaration).

This will require you to complete a 'Foreign resident capital gains withholding declaration – vendor declaration' form which is published by the Australian Taxation Office.

If you do not provide a completed Australian Residency Declaration or Non-Indirect Australian Real Property Interest Declaration to the Bidder before the Bidder acquires your Red Hawk Shares, the Bidder reserves the right to deduct any applicable FRCGW tax from the Offer Price payable to you.

If you are unsure about how the FRCGW tax applies to you or whether you are entitled to complete an Australian Residency Declaration or a Non-Indirect Australian Real Property Interest Declaration, you should seek independent tax advice.

Any FRCGW tax withheld from the Offer Price is not a final tax. You may be entitled to claim a credit in your Australian income tax return, for the relevant income year, for any FRCGW tax withheld and remitted by the Bidder in respect of the disposal of your Red Hawk Shares. To the extent the FRCGW tax exceeds your final Australian tax liability for the disposal of your Red Hawk Shares, you may be entitled to a refund of the difference.

8.6 **Stamp Duty**

The Bidder will pay the stamp duty (if any) payable in Australia on the transfer of the Red Hawk Shares to the Bidder under the Offer.

8.7 **GST**

No GST in Australia will be payable on such transfers, except that GST may be payable on any fees or charges that a broker, bank, custodian, or other nominee (in respect of Red Hawk Shares held for a separate beneficial owner) may charge in connection with acceptance of the Offer (see Section 10.15 for further information).

9 OTHER MATERIAL INFORMATION

9.1 Bid Implementation Deed

On Sunday, 26 January 2025, the Bidder and Red Hawk entered into a bid implementation deed (**BID**). The BID sets out the agreed basis on which the Bidder will make the Offer and the respective obligations of the Bidder and Red Hawk in relation to the Offer.

The BID was released to ASX on Tuesday, 28 January 2025 and a copy is available from Fortescue's and Red Hawk's ASX announcements page on the ASX website (www.asx.com.au).

A summary of the key elements of the BID is set out below.

- (a) The Bidder has agreed to offer \$1.05 per Red Hawk Share, increasing to \$1.20 if the Bidder obtains a Relevant Interest in 75% or more of all Red Hawk Shares on or before 7.00pm (AEDT) on 4 February 2025.
- (b) The Bidder is required to make the Offer on terms no less favourable to Red Hawk Shareholders than those agreed (which are reflected in the Offer terms).
- (c) Red Hawk has agreed to certain exclusivity arrangements until the earlier of the date on which the Offer Period ends, the date the BID is validly terminated, or the date which is six months after the date of the BID (**Exclusivity Period**). The BID contains no shop, no talk and no due diligence restrictions on Red Hawk during the Exclusivity Period, some of which are subject to fiduciary exceptions as is typical for transactions of this nature.
- (d) The BID also confers a matching right on the Bidder, under which Red Hawk must provide notice to the Bidder of a 'Competing Proposal' (as defined in the BID) and allow the Bidder the right to match that proposal.
- (e) The BID includes other customary terms for an agreement of this nature including, but not limited to, customary warranties and representations and obligations on Red Hawk to conduct the business in the ordinary course until the end of the Offer Period, and not to undertake acts that prevent the Condition from being satisfied or which cause the Condition to be breached.

9.2 Call Option Deeds

On 26 January 2025, the Bidder entered into separate call option deeds with TIO and OCJ (**Call Option Deeds**), each being a substantial Red Hawk Shareholder, pursuant to which:

- (a) TIO granted a call option to the Bidder over 29,971,721 Red Hawk Shares amounting to 15% of the voting power in Red Hawk as at the Announcement Date; and
- (b) OCJ granted a call option to the Bidder over 9,970,593 Red Hawk Shares amounting to 4.99% of the voting power in Red Hawk as at the Announcement Date.

In summary, key provisions of the Call Option Deeds include:

- (c) each of TIO and OCJ granted the Bidder the option to purchase the Option Shares for \$1.05 in cash for each Option Share;
- (d) subject to Section 9.2(e), the Bidder can exercise the option at any time during the Option Period;
- (e) the call option is exercisable by the Bidder from the earlier of:
 - (i) the date a competing transaction is announced (whether at that time or at any future time, including without limitation upon the satisfaction of any conditions); and
 - (ii) the date which is nine days prior to the end of the Offer Period as at the date of the exercise notice;

- (f) the call option is only exercisable if the Bidder simultaneously exercises each other shareholder call option in respect of the relevant proportion of the Red Hawk Shares that are the subject of that other shareholder Call Option Deed, other than if those Red Hawk Shares the subject of that other shareholder Call Option Deed have been accepted into the Offer;
- (g) the call option can only be exercised by the Bidder once and ceases to apply to any Option Shares not subject to the exercise of the call option;
- (h) during the Option Period each of TIO and OCJ undertakes with the Bidder that it will not:
 - (i) sell, offer for sale, transfer, assign or otherwise part with possession or deal with the Option Shares; or
 - (ii) grant or allow to exist any third party interest or other right over the Option Shares, other than to accept the Offer or with the Bidder's prior written consent;
- (i) the call option lapses immediately at the end of the Option Period if the call option has not been exercised by the Bidder or if the Call Option Deed is terminated earlier;
- (j) the Call Option Deed will terminate on the earlier to occur of the following:
 - (i) the Offer Period lapses, the Offer is withdrawn or the Bidder indicates that it will not waive the Condition that fails or becomes incapable of being achieved;
 - (ii) OCJ or TIO (as applicable) submits or delivers a valid and binding acceptance of the Offer in respect of all of the Option Shares; or
 - (iii) the Bidder breaches certain obligations under the Call Option Deed; and
- (k) the Bidder may terminate the Call Option Deed by written notice to OCJ or TIO (as applicable).

Full copies of the Call Option Deeds are attached to the notice of initial substantial holder lodged by the Bidder with ASX on Tuesday, 28 January 2025 which is available from the ASX announcements platform of Red Hawk.

9.3 **Red Hawk Royalty Assignment**

In 2005, Red Hawk and the Bidder entered into an agreement pursuant to which the Bidder agreed to pay a royalty on certain tenements which are now held by the Bidder (**Royalty Agreement**).

On 22 January 2025, the Bidder, FMG Procurement (a Related Body Corporate of the Bidder) and Red Hawk entered into a deed of assignment pursuant to which Red Hawk assigned the royalty payable by the Bidder pursuant to the Royalty Agreement to FMG Procurement for cash consideration of \$3,000,000.

9.4 **ASIC modifications to and exemptions from the Corporations Act**

The Bidder has not obtained from ASIC any modifications to the Corporations Act to facilitate the Offer. The Bidder may, however, rely on various "Class Order" instruments published by ASIC which provide for certain modifications and exemptions that apply generally for all bidders, including the Bidder.

9.5 **Date for determining holders of Red Hawk Shares**

For the purposes of section 633(2) of the Corporations Act, the date for determining the people to whom information is to be sent under items 6 and 12 of section 633(1) of the Corporations Act is 7:00pm (AEDT) on Friday, 24 January 2025, being the Record Date.

9.6 **Public announcements**

Public announcement(s) on or after the date of this Bidder's Statement in relation to the Offer should be available on Red Hawk's announcements page on the ASX website referred to earlier in this Bidder's Statement.

9.7 Institutional Acceptance Facility

As at the date of this Bidder's Statement, the Bidder has not made a decision as to whether to introduce an institutional acceptance facility in connection with the Offer. However, the Bidder reserves the right to introduce such a facility.

9.8 Withholding payment

If any amount (the withholding amount) is required under any Australian law or by any public authority to be:

- (a) withheld from any consideration otherwise payable to you under this Offer and paid to a public authority; or
- (b) retained by the Bidder out of any consideration otherwise payable to you under this Offer,

the payment, provision or retention by the Bidder of the withholding amount (as applicable) will constitute full discharge of the Bidder's obligations to provide the consideration to you to the extent of the withholding amount. Refer to Section 8.5 for further information.

9.9 Return of documents

If the Offer does not become unconditional or any contract arising from the Offer is rescinded on the grounds of a breach of a condition of that contract, the Bidder will, at its election, either return by post to you at the address shown on the Acceptance Form any Acceptance Form and any other documents sent with it by you, or destroy those documents and notify the ASX of this.

9.10 Consents

Each of the following parties (**Relevant Persons**) has given and has not, before the date of this Bidder's Statement, withdrawn its consent to be named in this Bidder's Statement in the form and context in which it is named:

- (a) Fortescue as the ultimate holding company of the Bidder;
- (b) Thomson Geer as legal adviser to the Bidder; and
- (c) Computershare Investor Services Pty Limited as Registry.

The Bidder has retained a copy of each Relevant Person's consent. None of the Relevant Persons has caused or authorised the issue of this Bidder's Statement or has been in any way involved in making the Offer. Each of the Relevant Persons to the maximum extent permitted by law, expressly disclaims and takes no responsibility for any part of this Bidder's Statement.

As permitted by ASIC Corporations (Takeover Bids) Instrument 2023/683, this Bidder's Statement includes or is accompanied by statements which are made, or based on statements made, in documents lodged with ASIC or given to ASX. In addition to the documents specified as a source document elsewhere in this Bidder's Statement, these are: the BID, Red Hawk 2024 Annual Report, Red Hawk Quarterly Activities and Cashflow Report – September 2024, Red Hawk ASX announcement titled "Blacksmith PFS Delivers Robust Economics and Maiden Ore Reserve" dated 1 May 2024, most recent substantial holder notices by each substantial holder in Red Hawk, and most recent Red Hawk Appendix 3G. Pursuant to this ASIC Instrument, the consent of the person to whom such statements are attributed is not required for the inclusion of these statements in this Bidder's Statement. Any Red Hawk Shareholder who would like to receive a copy of any of these documents may obtain a copy free of charge (within two Business Days of the request) during the Offer Period by calling the Offer Information Line on 1300 116 256 (for callers within Australia) or +61 3 9415 4036 (for callers outside Australia), Monday to Friday between 9:00am and 5:00pm (AEDT).

Red Hawk Shareholders should note that the Bidder has assumed, for the purpose of preparing this Bidder's Statement, that the information contained in the documents lodged with ASIC or ASX is accurate. However, neither the Bidder nor the Bidder Directors take responsibility for the content of these documents and are not to be taken as endorsing, in any way, any or all statements contained in such documents, except to the extent required by law.

As permitted by ASIC Corporations (Consents to Statements) Instrument 2016/72, this Bidder's Statement contains share price trading data sourced from Bloomberg who has not consented to the use of such information in the Bidder's Statement.

9.11 **Regulatory approvals**

The Bidder has obtained all necessary regulatory approvals required in connection with the Offer. As such, this Offer is not subject to any regulatory conditions.

9.12 **Consent to early despatch**

The Red Hawk Directors have consented to the Bidder sending this Bidder's Statement to Red Hawk Shareholders earlier than would otherwise be permitted under the Corporations Act.

9.13 **Due Diligence**

The Bidder was given access by Red Hawk to certain information concerning Red Hawk and the Red Hawk Group which has not been publicly disclosed. This information allowed the Bidder to confirm information which has been publicly disclosed by Red Hawk.

None of the information to which the Bidder was given access, was, in the Bidder's opinion, information that, if it was generally available, a reasonable person would expect the information to have a material effect on the price or value of Red Hawk Shares or, except as disclosed in the Bidder's Statement, would otherwise be material to the decision by a Red Hawk Shareholder whether or not to accept the Offer.

9.14 **Other material information**

Except as disclosed elsewhere in this Bidder's Statement, there is no other information that is:

- (a) material to the making of a decision by a Red Hawk Shareholder whether or not to accept the Offer; and
- (b) known to the Bidder,

which has not previously been disclosed to Red Hawk Shareholders.

10 TERMS AND CONDITIONS OF THE OFFER**10.1 Offer**

- (a) The Bidder offers to acquire from you all Red Hawk Shares on issue at the Record Date together with all Rights attached to them, for the Offer Price and on the terms set out in this Bidder's Statement. This Offer extends to Red Hawk Shares in respect of which you become registered or become entitled to be registered as the holder prior to the end of the Offer Period as a result of the exercise, conversion or vesting of rights or options or other securities convertible into Red Hawk Shares that are on issue at the Record Date.
- (b) This Offer extends to any person who is able during the Offer Period to give good title to a parcel of Red Hawk Shares and has not already accepted an Offer for those Red Hawk Shares. If you accept this Offer to sell all of your Red Hawk Shares, you will be taken to have accepted the Offer for all your Red Hawk Shares for the purposes of section 653B of the Corporations Act.
- (c) If, at the time the Offer is made to you, or at any time during the Offer Period, another person is, or is entitled to be, registered as the holder of some or all of your Red Hawk Shares, then:
- (i) a corresponding offer on the same terms and conditions as this Offer will be deemed to have been made to that other person in respect of those Red Hawk Shares;
 - (ii) a corresponding offer on the same terms and conditions as this Offer will be deemed to have been made to you in respect of any other Red Hawk Shares you hold to which the Offer relates; and
 - (iii) this Offer will be deemed to have been withdrawn immediately at that time.

10.8 Nature and operation of the Condition

- (a) The Condition is a condition subsequent. The non-fulfilment of a condition subsequent does not, until the end of the third Business Day after the end of the Offer Period, prevent a contract to sell your Red Hawk Shares from arising, but entitles the Bidder by written notice to you, to rescind the contract that results from your acceptance of the Offer.

- (b) Subject to the Corporations Act, the Bidder alone is entitled to the benefit of the Condition or to rely on any breach of non-fulfilment of the Condition.
