## Receipt of R&D and DGTO Rebates

---

### Highlights

- Funds receipted of \$1.809m via payment of R&D and DGTO rebates.
- 

Mighty Kingdom Ltd (ASX: MKL) ("**MKL**" or the "**Company**") wishes to advise of the receipt of funds totalling \$1.809m via payment of tax rebates owed to the Company as outlined in the Annual Report

\$1.152m was paid against the Company's Digital Games Tax Offset rebate which is a refundable tax offset allowing eligible Australian companies that develop digital games to claim a percentage of their qualifying costs as a tax offset or tax refund.

In addition, \$657k was paid against qualifying R&D tax incentives to the Company.

The receipt of these funds materially improves the Company's capital flexibility as it continues to refine existing studio operations and assess future options.

Authorised for release by the Board of Directors of Mighty Kingdom Limited.
