Appendix 4C – Quarter 2 ended 31 December 2024 and Business Update

Field Solutions Holdings (ASX: FSG), Australia’s leading rural, regional and remote telecommunications carrier announces a quarter of neutral operating cashflow for the quarter ended 31 December 2024:

- Customer receipts of \$13.95m
- Positive operating cashflow of for the quarter \$1.68m
- Investment in regional network and PPE for the quarter of \$2.71m

As announced to the market, FSG is currently in a trading halt, pending the results of a capital raise.

The Group has successfully exited its Wholesale nbn® business, and has received a non-binding term sheet for the divestment of its mining business unit.

We anticipate making further announcements in the coming weeks as to the progress of these matters, together with a series of announcements relating to our Regional Australia Network.

This announcement has been authorised for release by the Board of FSG
