ASX Announcement
5 February 2025

Successful Completion of Placement and Institutional Component of
Entitlement Offer

The Directors of Savannah Goldfields Limited (ASX:SVG) (**Savannah** or the **Company**) are pleased to announce that Savannah has successfully completed a placement of 79 million new fully paid ordinary shares (**New Shares**) and the institutional component of its 1 for 1 fully underwritten pro-rata accelerated non-renounceable entitlement offer.

Highlights:

- Successful completion of a placement to W&E Maas Holdings Pty Ltd, an entity associated with Mr Wes Maas (**Cornerstone Investor**), of approximately 79 million New Shares at an issue price of 1.5 cents per share (**Offer Price**) to raise approximately \$1.19 million (**Placement**).
- Successful completion of the institutional component of a fully underwritten pro-rata accelerated non-renounceable entitlement offer of ordinary shares to existing shareholders on a 1 for 1 entitlement basis at the Offer Price (**Entitlement Offer**), with subscription commitments received for approximately 100 million New Shares to raise approximately \$1.5 million and representing ~35.6% of the total Entitlement Offer.
- The retail component of the fully underwritten Entitlement Offer opens on Monday, 10 February 2025 and will raise a further approximately \$2.7 million.

As announced on 3 February 2025, Savannah is undertaking a capital raising program comprising the Placement, the Entitlement Offer, a further placement of 300m shares at the Offer Price to raise \$4.5 million, subject to shareholder approval (**Conditional Placement**) and a placement of 15.3m Convertible Notes to the Cornerstone Investor at an issue price of 28 cents per Note to raise approximately \$4.3 million, subject to shareholder and noteholder approvals (**Convertible Note Placement**) (together, the **Capital Raising**). The Capital Raising is seeking to raise, in aggregate, approximately \$14 million, to strengthen the Company's balance sheet and to fund the recommencement of gold mining and processing operations at the Company's Agate Creek and Georgetown projects and resource growth activities.

The Placement and Entitlement Offer are fully underwritten by Morgans Corporate Limited.

Placement

The Placement has raised approximately \$1.19 million and represents the first part of the approximately \$7 million committed to the Capital Raising by the Cornerstone Investor. Approximately 79 million New Shares will be issued to the Cornerstone Investor under the Placement component of the Capital Raising.

The Placement is being conducted under the Company's ASX listing rule 7.1 placement capacity. The Company has obtained a standard 'supersize' waiver from ASX to enable it to conduct the Placement.

Settlement of the Placement will occur on Monday, 10 February 2025 with allotment of New Shares on Tuesday, 11 February 2025.

Institutional Entitlement Offer

The Institutional Entitlement Offer attracted strong support from existing shareholders with all eligible institutional shareholders who were accelerated taking up all their entitlements. Accordingly, no shortfall was sold into the bookbuild. The institutional component of the Entitlement Offer (**Institutional Entitlement Offer**), which closed on 4 February 2025, will issue approximately 100 million New Shares and raise approximately \$1.5 million.

Savannah's shares will recommence trading today on ASX on an ex-entitlement basis.

The Institutional Entitlement Offer is expected to settle on Monday, 10 February 2025 with allotment of New Shares expected to occur on Tuesday, 11 February 2025.

Retail Entitlement Offer

Eligible retail shareholders with a registered address in Australia or New Zealand as at 7.00 (AEDT) on Wednesday, 5 February 2025 (**Eligible Retail Shareholders**) will be invited to participate in the Retail Entitlement Offer at the same offer ratio and Offer Price as the Institutional Entitlement Offer.

Eligible Retail Shareholders will also have the ability to subscribe for additional New Shares in excess of their entitlements under the additional share facility. The allocation of New Shares under the additional share facility will depend on the uptake by Eligible Retail Shareholders and may be scaled back at the discretion of the board of Directors.

Eligible Retail Shareholders will be sent a letter containing details on how to access an electronic copy of the Prospectus dated 3 February 2025 (which was also released to ASX on that date) (**Prospectus**) and a personalised entitlement and acceptance form, which will contain further information in respect of the Retail Entitlement Offer, on Monday, 10 February 2025. If you are an Eligible Retail Shareholder, the number of New Shares that you are entitled to subscribe for under the Retail Entitlement Offer (**Entitlement**) will be set out in your personalised entitlement and acceptance form.

Eligible Retail Shareholders should carefully read the Prospectus in full and Eligible Retail Shareholders wishing to participate in the Retail Entitlement Offer should follow the instructions set out in the personalised entitlement and acceptance form.

Entitlements are non-renounceable and will not be tradeable on ASX or otherwise transferable.
