## Principal activities

TALi Digital Limited (ASX: TD1) is a digital health company delivering diagnostic and therapeutic solutions to enhance attention cognitive function. The Company has built a patented platform technology with our first programs targeting cognitive attention skills during early childhood via an evidence-based screening tool (DETECT®) and training modules (TRAIN® and ReadyAttentionGo!). These programs are designed to be play-based interactions and can be complementary to existing therapy, placing TALi at the forefront of improving early intervention for childhood attention and concentration performance, which supports our vision to deliver a personalised digital experience to enhance cognitive care. A continuous innovation focus will see the Company deliver a series of product developments relevant to ADHD (Attention Deficit Hyperactivity Disorder) and ASD (Autism Spectrum Disorder).

TALi is incorporated and domiciled in Australia, and with a registered office and principal place of business located at Suite 201, 697 Burke Road, Camberwell Vic 3121. Except as disclosed elsewhere in this Report, there have been no significant changes in the nature of these activities during the year.

## Review of Operations

### Highlights:

- Net cash used in operating activities for the six-month period to 31 December 2024 was \$229,575 (31 December 2023: \$123,918) an addition of 85% compared to the first six months of FY24, with closing cash at 31 December 2024 of \$1,927,885 (30 June 2024: \$2,122,383)
- Loss from continuing operations after income tax for first six months ending 31 December 2024 was \$263,945 (31 December 2023: \$2,885,924).
- The partnership agreement between TALi and Genius Learning Pty Ltd ("Genius") continues, with the Genius relaunch of TALi products expected in FY25.
- TALi exploring merger and acquisition (M&A) opportunities.

### **Expanded Strategic Alliance Agreement with Genius Learning Pty Ltd**

The strategic review in August 2023 resulted in an expanded Strategic Alliance Agreement with Genius Learning Pty Ltd ("Genius") where Genius agreed to:

- Act as exclusive distributor of TALi's products in the education sector and non-exclusively across the healthcare sector;
- Develop TALi's products in consultation with TALi;
- Assume the conduct of TALi's product development and maintenance activities as well as its sales and marketing functions; and
- Assume relationships with TALi's customers and partners (including assuming any obligations with current contracted TALi partners), subject to the terms of those existing arrangements.

The partnership agreement continues with the TALi platform transitioned and now fully managed by the team at Genius bearing all commercial and development expenditure. TALi will receive a 20% royalty of all TALi product sales. Genius have made further progress towards the relaunch of the TALi platform with front and back-end development nearing completion. Concurrently Genius have been implementing various branding and marketing strategies and have advised that they are anticipating the commercial relaunch in FY25, although this is yet to occur.

### **Sale of Healthcarelink Group investment**

In June 2024 TALi completed the sale of its 1,000 ordinary shares (11% holding) in HCL for \$35,000 (received 8 July 2024) to the founder of HCL. As part of the sale, TALi will also receive 11% of any proceeds in the event Healthcarelink is sold within the next 18 months.

### **Merger and Acquisition Opportunities**

The Board remains actively engaged in assessing and exploring potential M&A opportunities. They continue to evaluate a range of strategic options that align with enhancing shareholder value. The Board is committed to maintaining a disciplined approach, carefully weighing the potential risks and benefits of each opportunity to maximise shareholder value.

### **Material Business risks**

The material business risks faced by the company that are likely to have an effect on the financial prospects of the company, disclosed above, and how the company manages these risks include:

- **Technological obsolescence** - given the rapidly changing environment in which the company operates, this could have a significant impact on our financial results. We address this risk through investment in product development by Genius our strategic partner (details of the partnership are included above under "Genius Childcare partners with TALi") and by constantly monitoring the market. With the expansion of EdTech and other digital offerings in all sectors of the education and healthcare markets, we see this risk increasing in the future
- **Changes in government policy** - given the sizable impact of government funding in education and our strategic partnership with Genius in early childhood education, this could have a significant impact on our financial results. Based on the views of prominent economic commentators, we do not anticipate any significant slowdown in government funding for education in the next few years, but are currently investigating the option with Genius for sales models which do not rely on government funding and expanding our sales into other emerging economies, such as Indonesia and Singapore
- **Distributor viability** - given that our current development, sales and marketing operating are being provided by Genius (details of the partnership are included above under "Genius Childcare partners with TALi"), their future viability could have a significant impact on our financial results. We consider this is unlikely to have any significant impact on our financial results in the next year, but could potentially be significant in future years if they are unable to provide these services. Genius are currently expanding the number of childcare centres they operate, are well funded by Sprint Capital and have strategic relationships with other large players in early childhood education. There is no reason to believe that Genius will be unable to perform under the strategic partnership; however, we continue to monitor the company, its relationships and the sector

### **Outlook**

TALi has a strong balance sheet and reduced operating expenditure. It is therefore well positioned to implement the outcomes of the 2023 strategic review which include driving sales and marketing efforts of its products through the Genius partnership whilst remaining focused on maximising value for its shareholders by seeking aligned opportunities to grow and expand the business to deliver that value.

### **Significant changes in the state of affairs**

There were no significant changes in the state of affairs of the consolidated entity during the financial half-year.

### **Matters subsequent to the end of the financial period**

No matter or circumstance has arisen since 31 December 2024 that has significantly affected, or may significantly affect the Company's operations, the results of those operations, or the Company's state of affairs in future financial years.

**Auditor's independence declaration**

A copy of the auditor's independence declaration as required under section 307C of the Corporations Act 2001 is set out immediately after this directors' report.

This report is made in accordance with a resolution of directors, pursuant to section 306(3)(a) of the Corporations Act 2001.

## 3. Reporting entity

TALi Digital Limited (the 'Company') is a company domiciled in Australia. The condensed consolidated interim financial statements of the Company as at and for the six months ended 31 December 2024 comprise the Company and its subsidiary entities (together referred to as the "Group" and individually as "Group entities").

## 4. Material accounting policy information

These general purpose financial statements for the interim half-year reporting period ended 31 December 2024 have been prepared in accordance with Australian Accounting Standard AASB 134 'Interim Financial Reporting' and the Corporations Act 2001, as appropriate for for-profit oriented entities. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 'Interim Financial Reporting'.

These general purpose financial statements do not include all the notes of the type normally included in annual financial statements. Accordingly, these financial statements are to be read in conjunction with the annual report for the year ended 30 June 2024 and any public announcements made by the company during the interim reporting period in accordance with the continuous disclosure requirements of the Corporations Act 2001.

The accounting policies adopted are consistent with those of the previous financial year and corresponding interim reporting period, unless otherwise stated.

### New or amended Accounting Standards and Interpretations adopted

The consolidated entity has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

#### 4. Material accounting policy information (continued)

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

#### 5. Operating segments

##### Identification of reportable operating segments

Operating segments are based on the internal reports that are reviewed and used by the Board of Directors in assessing performance and in determining the allocation of resources. From 1 July 2019 it was determined by the Board of Directors that the consolidated entity had only one operating segment.

#### 6. Loss per share

**INDEPENDENT AUDITOR'S REVIEW REPORT**  
**To the Members of TALi Digital Limited**

*Conclusion*

We have reviewed the accompanying half-year financial report of TALi Digital Limited which comprises the statement of financial position as at 31 December 2024, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the half-year ended on that date, notes comprising a summary of material accounting policies and other explanatory information, and the directors' declaration of the consolidated entity comprising the company and the entities it controlled at the half-year end or from time to time during the half-year.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of TALi Digital Limited is not in accordance with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the consolidated entity's financial position as at 31 December 2024 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and *Corporations Regulations 2001*.

*Basis for Conclusion*

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the Auditor's Responsibilities for the Review of the Financial Report section of our report. We are independent of the Company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of TALi Digital Limited, would be in the same terms if given to the directors as at the time of this auditor's review report.

*Responsibility of the Directors' for the Financial Report*

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

*Auditor's Responsibility for the Review of the Financial Report*

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2024 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
