## ASX ANNOUNCEMENT

### Correction

**Sydney, 21 February 2025:** Domain Holdings Australia Limited [ASX:DHG] (“**Domain**” or “**Company**”) has been informed by its third party data sourcing provider that they approved a data point in error that was then reported in Domain’s FY25 H1 results, announced on 13 February 2025<sup>1</sup>. The data point related to Domain’s site visits for the period July to December 2023. This data indicated a 23% year-on-year uplift in site visits for Domain versus a 4% uplift for our major competitor. Domain is now correcting the statement by instead comparing the period from July to December 2024 (H1 FY2025) to January to June 2024 (H2 FY2024) in which Domain achieved a 7% uplift in site visits versus a 2% uplift for our major competitor for that same period.<sup>2</sup>
