

STRONGLY SUPPORTED PLACEMENT TO UNDERPIN GROWTH AT CROWN PRINCE GOLD PROJECT

Not for release to US wire services or distribution in the United States

HIGHLIGHTS

- Firm commitments have been received for a \$16.5 million Placement of New Shares to institutional and sophisticated investors at \$0.013 per New Share.
- The Placement was strongly supported by new strategic cornerstone investors, including globally significant resources-focused funds.
- The Placement received significant excess demand demonstrating strong support for the Company's exploration and development strategy.
- Funding from the Placement proceeds will facilitate near mine resource growth via exploration and project development activities for the Crown Prince Gold Project.
- NMG's largest shareholder, Westgold Resources Ltd, subscribed for \$2.8m of New Shares in the Placement and will hold 16.22% of the issued capital of NMG post-Placement.
- The Company is set to deliver production from the Crown Prince Gold Project via the previously announced ore purchase agreement and mining development in H2 2025.

New Murchison Gold Limited ACN 085 782 994 (ASX: **NMG**) (the **Company** or **New Murchison Gold**) is pleased to announce that it has received firm commitments from existing and new strategic, institutional and sophisticated investors for a capital raising of \$16.5 million (before costs) to be completed by the issue of 1,269,230,769 fully paid ordinary shares in the Company (**New Shares**) at an issue price of \$0.13 per New Share (the **Placement**).

The Placement was strongly supported by the Company's existing major shareholder Westgold Resources with a subscription of \$2.8 million, resulting in a shareholding of 16.22% post-Placement.

New Murchison's CEO, Alex Passmore, commented:

"The Placement was undertaken in response to strong inbound interest from institutions following our recent exploration successes and also with growing recognition of the high-quality development being delivered on at Crown Prince Gold Project. The proceeds from the Placement underpin the acceleration of project development and our exciting deeper drilling, at depth, at Crown Prince."

About New Murchison Gold Limited

New Murchison Gold Limited (ASX: NMG) is a mineral exploration and development company which holds a substantial package of tenements in the prolific Murchison goldfield near Meekatharra, Western Australia.

The Company is focused on the Garden Gully Gold Project which comprises a 677km² tenure package covering the Abbotts Greenstone Belt and other key regional structures. The project has multiple gold deposits along the belt with the most advanced being the Crown Prince Deposit. Gold mineralisation in the belt is controlled by major north trending structures and contact zones between felsic and mafic metamorphosed rocks.

Crown Prince Deposit is located within a granted mining lease and is advancing towards development.
