(b) **The Creasy Group Intention Statement**

CZR refers to Section 1.2 of the Original Target's Statement which contained information in relation to the intention statement provided by the Creasy Group. CZR clarifies that the reference to the Offer Consideration being "fair and reasonable" contained in that section is a reference to a statement made by the Creasy Group in their intention statement. The Creasy Group intention statement is not based upon an independent expert's analysis of the Fenix Offer and was a statement made by the Creasy Group itself as part of its intention statement.

No independent expert's report was commissioned by CZR in relation to the Fenix Offer. Neither CZR, nor any of the CZR Directors, makes any representation (express or implied), and CZR Shareholders should not rely on the use of the words "fair and reasonable" in the Creasy Group's intention statement, to suggest that an independent expert's report was commissioned for the purposes of determining whether the Offer Consideration was "fair and reasonable".

The CZR Board does not provide any opinion and does not make any statement to CZR Shareholders on whether the Offer Consideration under the Fenix Offer is fair and reasonable.
