ASX Announcement (AMX)

Aerometrex awarded LiDAR contract with Queensland Government

Aerometrex Limited (ASX: AMX) is pleased to announce that it has signed a material LiDAR contract for approximately \$0.875 million (GST exclusive) with the Queensland Government Department of Natural Resources and Mines, Manufacturing and Regional and Rural Development. The work is expected to be completed during calendar year 2025. The key commercial arrangements are consistent with Aerometrex's LiDAR business terms.

The project includes the acquisition and delivery of high accuracy Airborne LiDAR, Concurrent Aerial Imagery and Elevation datasets across south-west Queensland.

This project was jointly funded by the Australian and Queensland governments under the Disaster Recovery Funding Arrangements.

Aerometrex's Acting Chief Executive Officer, Rob Veitch said:

"It is pleasing to be awarded this contract which builds on the ongoing relationship that Aerometrex developed over a number of years with the Queensland Government.

This release is approved by the Board of Directors of Aerometrex Limited.
