Cochlear statement on US tariff announcement

Cochlear Limited (ASX:COH) refers to its ASX announcement released on 3 April 2025 and the announcement by the US Government on 2 April 2025 (US) on the introduction of a tariff of 10% on exports to the US from Australia.

Cochlear confirms that it will continue to be able to rely on a chapter of the Harmonized Tariff Schedule of the United States that provides for duty-free importation on a range of products into the US, including hearing implants.

Cochlear will continue to actively monitor and engage in the evolving global landscape so that it can continue to provide implantable hearing solutions to as many people as possible, and service existing recipients over the course of their life.
