About Osteopore Limited

Osteopore Ltd. is a global medical technology company founded in Singapore and listed in Australia that commercialises products designed to enable natural bone healing across multiple therapeutic areas. Osteopore's patented technology fabricates specific micro-structured scaffolds for bone regeneration through 3D printing and bioresorbable material.

ASX ANNOUNCEMENT

Osteopore's patent-protected scaffolds are manufactured using a proprietary manufacturing technique with a polymer that naturally dissolves over time to only allow natural and healthy bone tissue, significantly reducing the post-surgery complications commonly associated with permanent bone implants. Our 3D printing technology is unique to Osteopore.

About Total Orthopaedics

Total Orthopaedic Care & Surgery is an orthopaedic specialist clinic in Singapore dedicated to providing comprehensive, evidence-based orthopaedic and musculoskeletal care to patients, with a focus on patient care, minimally invasive techniques, quality and accessibility.
