## 45 Days Exclusivity to Conduct Due Diligence on Centrex Ltd (Administrators Appointed)

We are pleased to announce that PRL Global Ltd (ASX: PRG) has been selected as the preferred party to advance through a 45-day period to conduct exclusive due diligence on Centrex Ltd (Administrators Appointed) (ASX: CXM), including its subsidiary Agriflex Pty Ltd (Administrators Appointed), which owns the Ardmore phosphate mine in Queensland.

The acquisition of CXM would provide the opportunity to expand PRG's customer base and market access, and drive growth and value for our shareholders and other valued stakeholders into the future.

Subject to the due diligence being completed to the satisfaction of PRG, the parties will finalise the terms of the potential acquisition. Pending completion of the due diligence and finalising the terms of the acquisition, this is not a market sensitive announcement.

An update will be provided on completion of the due diligence.

**About PRG:** PRG is a leading fertiliser company and producer of Australian Phosphate exports with a global fertiliser value chain, dedicated to providing high-quality products to meet the growing demands of customers. With a focus on innovation and sustainability, PRG strives to provide a sustainable and prosperous future for our community, employees, shareholders and customers.
