

COMPLETION OF ENTITLEMENT OFFER

PERTH, Australia and SAN FRANCISCO, California – 17 April 2025

PYC Therapeutics Limited (ASX:PYC) (**PYC** or the **Company**) is a precision medicine Company dedicated to changing the lives of patients with genetic diseases who have no treatment options available.

The Company today announces that it has received the full ~\$146m proceeds of the Entitlement Offer announced to the ASX on 17 February 2025¹. Completion of the Entitlement Offer has provided the Company with a cash runway of >\$200m² that will fund human safety and efficacy read-outs within the Company's pipeline of multiple first-in-class drug candidates with disease-modifying potential over the course of the next 24 months³.

Issuance of the remaining New Shares forming part of the Entitlement Offer is expected to occur next week.

About PYC Therapeutics

PYC Therapeutics (ASX: PYC) is a clinical-stage biotechnology company creating a new generation of RNA therapies to change the lives of patients with genetic diseases. The Company utilises its proprietary drug delivery platform to enhance the potency of precision medicines within the rapidly growing and commercially proven RNA therapeutic class. PYC's drug development programs target monogenic diseases – **the indications with the highest likelihood of success in clinical development**⁴.
