- **The Company has identified a potential acquisition.**
- **Proposed purchase of a 387-ton fishing vessel.**

Processor, distributor and exporter of premium seafood products. And secondary producer of nutraceutical and marine ingredients. **New Zealand Coastal Seafoods Limited (ASX:NZS)** (the “Company”) is pleased to announce its quarterly activities report and appendix 4C for the three-month period ended 31 December 2024 (the “Quarter” or the “Reporting Period”).

### Operational overview:

**Cody Star has completed its explorational fishing trips into the CSF with excellent results.**

Confirmation of large quantities of fish stocks (including sought-after Coral Trout, Bar Cod and Flame-Tail Snapper) in the CSF has been determined and areas mapped.

These exploration trips cover only a very small proportion of the vast CSF which spans 989,836 sq. km. Further exploration needs to be conducted to realise the full potential of the CSF.

### Breach of Listing Rule 10.1.

On 20 September 2024, the Company announced that it has breached Listing Rule 10.1.

From around June 2023 to June 2024, the Company was under tremendous stress due to changes to the Board and senior management. This, together with the looming threat of closing of the Company’s New Zealand business, caused the Company to overlook some announcements that it should have made.

The Company sincerely apologises for these mistakes. And reviewed its internal processes and has implemented appropriate controls to ensure such a breach of Listing Rule 10.1 will not happen in future.
