Aldoro Resources Limited (ASX: ARN) – Continuation of Suspension from Quotation

Description

The securities of Aldoro Resources Limited ('ARN') were placed in a trading halt at the request of ARN on 16 April 2025 pending an announcement regarding exploration results, and the release of a price query response. ARN's securities will now be suspended from quotation immediately in accordance with Listing Rule 17.3 due to ARN not having lodged its exploration results, and the release of a price query response by commencement of trading on Thursday, 24 April 2025, being the timeframe contemplated in its request for a trading halt.

The suspension will continue until ASX is satisfied that ARN is in compliance with the Listing Rules, including Listing Rule 3.1, and that it is otherwise appropriate for ARN's securities to be reinstated to quotation.
