## Financial Performance

Revenue grew 1% quarter on quarter to \$2.09 million as we continue to unearth new organic opportunities in Australia and New Zealand. Some delays in client expansions due to broader market uncertainty has impacted revenue in Q3 and pushed deals into Q4.

### Revenue by quarter

XPON grew its gross margin by 1ppts on the previous quarter to 75% which is consistent with our target margin range.

### Capital Management and Cash Flow

XPON had a cash balance of \$3.9 million at 31 March 2025, down \$1.56 million on the previous quarter. The Company is actively managing its capital to ensure financial stability and support future growth initiatives. As announced on 15 January 2025, the Company has extended the convertible note until August 2025 to further strengthen its financial options.

XPON reported net cash outflows from operating activities for Q3 FY25 of \$1.54 million.

- Total receipts from customers were \$0.8 million for Q3 FY25. The amount was lower than the prior quarter primarily due to the reduction of the aged payable.
- Payments to suppliers, employees and others were \$2.4 million for Q3 FY25 down 26% YoY, reflecting the positive impacts of cost optimisation initiatives that were implemented.

As detailed in item 6.1 of the Appendix 4C, payments to related parties and their associates during the quarter totalled \$122k comprising CEO salary, employee associate of CEO and motor vehicle leasing and operating costs for the CEO.
