Mirrabooka Investments Limited announces 1-for-7 Entitlement Offer

Mirrabooka Investments Limited (the **Company** or **Mirrabooka**) has today announced a 1-for-7 non-renounceable pro-rata entitlement offer of fully paid ordinary shares in the Company (**New Shares**) at an Issue Price of \$3.06 per New Share to its Australian and New Zealand shareholders and that will raise up to approximately \$85 million (the **Entitlement Offer**). Eligible Mirrabooka shareholders who take up their entitlement in full may also apply for additional New Shares in excess of their entitlement under a Top-Up Facility (subject to scale back at the Company's discretion). The proceeds of the issue will be used for general investment purposes in furthering the Company's investment objectives to the benefit of shareholders.

The Chairman, Mr Greg Richards commented "Until recently, equity markets had been trading at record highs which made us very cautious about investing additional capital into the market. However, with the fall in the share prices of many companies since that period and with the expectation that uncertain conditions will continue over the coming months, the investment team anticipates opportunities will arise to selectively add to Mirrabooka's portfolio having regard to the medium to long term investment focus of the Company".

The issue price of \$3.06 per New Share is equal to the average of the weekly estimated pre-tax value of the net tangible asset backing per Mirrabooka share over the period from Friday, 4 April 2025 to Friday, 2 May 2025 (inclusive).¹

The Issue Price also represents a discount of 5% to the closing price on Monday, 5 May 2025 of \$3.22 per Share (the last trading date prior to the announcement of the Entitlement Offer).

The Company will host a webinar for Shareholders to provide an overview of the Entitlement Offer, the Company's portfolio and performance on Thursday, 29 May 2025 at 1.00pm (Melbourne time). To join the webcast please use the following link:
<https://webcast.openbriefing.com/mir-mu-2025/>.

New Shares issued under the Entitlement Offer will rank equally with existing Shares on issue.

¹ Net tangible asset backing per Mirrabooka share is calculated as the Company's total tangible assets minus total liabilities (excluding tax on any unrealised gains or losses), divided by the number of Shares on issue. Calculations of the weekly estimated net tangible asset backing per Mirrabooka share released to the ASX were \$2.97 on 4 April 2025, \$3.02 on 11 April 2025, \$3.02 on 17 April 2025, \$3.08 on 24 April 2025 and \$3.21 on 2 May 2025.

The Directors of Mirrabooka intend that Mirrabooka will pay a fully franked final dividend of 6.5 cents per Share in respect of the 2024/2025 financial year². Shareholders who receive New Shares under the Entitlement Offer and Top-Up Facility will be entitled to receive the final dividend in respect of those New Shares.

The Entitlement Offer and Top-Up Facility are not underwritten. The Company will not undertake any placement of New Shares not taken up under the Entitlement Offer and the Top-Up Facility.

Participation in the Entitlement Offer is optional and open to eligible Mirrabooka Shareholders, being holders of fully paid ordinary shares in the Company at 7.00 pm (Melbourne time) on Friday, 9 May 2025 whose address on the Company's share register is in Australia or New Zealand. Further details will be forwarded to shareholders on Wednesday, 14 May 2025.
