Holder of the 70,000,000 contributing shares that are partly paid to A\$0.0001 (with A\$0.0059 unpaid) are entitled to participate in the Entitlement Offer as if those holders held fully paid ordinary shares. Holders of the 350,000,000 contributing shares that are partly paid to A\$0.0001 (with A\$0.0079 unpaid) are also entitled to participate in the Entitlement Offer as if those holders held fully paid ordinary shares. A total of up to ~2,422,037,825 New Shares and up to ~2,422,037,825 New Options will be issued pursuant to the Entitlement Offer (assuming no shares are issued prior to the Record Date, and that all entitlements are taken up).

The Entitlement Offer is being made to all shareholders of the Company named on its register of members at 5:00pm (AWST) on 29 May 2025 (**Record Date**) whose registered address is in Australia or New Zealand.

All New Shares issued will rank equally with existing shares on issue. The Company will also apply to the ASX for quotation of the Bonus Shares and the New Options, subject to compliance with the requirements of the ASX Listing Rules. The Entitlement Offer is being offered to shareholders under the Prospectus which will be dispatched in accordance with the timetable set out below.

The Entitlement Offer will include a top-up facility under which eligible shareholders who take up their full entitlements will be invited to apply for additional shares in the Entitlement Offer (**Top-Up Facility**). Additional shares will only be available where there is a shortfall between the applications received from eligible shareholders and the number of New Shares proposed to be issued under the Entitlement Offer. There is no guarantee that applicants under the Top-Up Facility will receive all or any of the shares they apply for under the Top-Up Facility. If eligible shareholders do not take up all of their pro-rata entitlements under the Entitlement Offer, it is anticipated that the shortfall will be allocated to eligible shareholders who apply to take up additional New Shares in accordance with the terms of the Top-Up Facility in the first instance. If any shortfall remains after the allocation to eligible shareholders provided above, the resulting shortfall may be placed by the directors of the Company in accordance with the ASX Listing Rules and the Corporations Act. The Lead Manager will be paid a fixed fee of \$15,000 (exclusive of GST) and 6% (exclusive of GST) of the proceeds received from any shortfall securities placed under the Entitlement Offer and are entitled to be issued with sixty (60) New Options for every dollar (\$1) of funds raised from any shortfall securities placed.

The Entitlement Offer is non-renounceable. That means that shareholders who do not take up their entitlement to participate in the Entitlement Offer will not be able to transfer or receive any value for those entitlements, and their equity interest in the Company will be diluted.

The Entitlement Offer will not be underwritten.

The Entitlement Offer falls within an exception to ASX Listing Rule 7.1 and does not require shareholder approval.

The Lead Manager Options will be issued under the Prospectus on the same terms as the New Options. All Lead Manager Options will be issued under the Company's existing

placement capacity under ASX Listing Rule 7.1.

### Use of Funds

The primary purpose of the Placement and Entitlement Offer is to raise funds for developing the Yidby Gold and the Copper Hill Projects, for continued exploration on and development of the Company's other 100% owned West Australian projects, and for continued working capital purposes and costs of the entitlement offer. If, in the view of the Board, circumstances present as appropriate, funds will also be allocated to assess, and if applicable, acquire, further projects.
