

ASX ANNOUNCEMENT

27 May 2025

BEACON EXECUTES WEALTH OF NATIONS OPTION AGREEMENT

- **Beacon executes option agreement to acquire tenements at the historic Wealth of Nations mine**
- **The tenements are located 11 kilometres NW of Beacon’s Jaurdi processing plant**
- **Beacon will complete a 7-hole drill program during the option period**

Beacon Minerals Limited (ASX:BCN) (**Beacon** or **the Company**) is pleased to advise that its wholly owned subsidiary, Beacon Mining Pty Ltd (**Beacon Mining**), has executed a binding heads of agreement (**Agreement**) with Corinthian Mining Pty Ltd (**Corinthian**) and Blue Tiger Mining Pty Ltd (**Blue Tiger**), pursuant to which Corinthian has granted Beacon Mining an option to acquire Corinthian’s 100% legal and beneficial interest in tenements located in Western Australia.

Pursuant to the Agreement, Beacon will acquire 100% interest in the following Tenements (subject to satisfaction of the conditions precedent and exercise of the option):

- M16/301
- M16/425
- M16/486
- P16/2627 (live – awaiting conversion)
- M15/570 (pending)

The Wealth of Nations tenements are located 10km’s NW of Beacon’s Jaurdi Gold Processing Plant (Figure 1) and is accessed via existing haul roads.

The Wealth of Nations deposit is located on the western flank of the Dunnsville/Doyle Dam Granodiorite Dome. The geology of the project area is dominated by the lower basaltic unit of the Dunnsville Ubini Greenstone Belt, which is intruded by several narrow dolerite and gabbro sills. The basalt sequence is underlain by komatiites which are mapped on the western margin of the project. The main structural features within the project area are the Jaurdi Shear Zone along the east side of the project and a northeast trending fault that passes approximately through the middle of the of the project separating the Dunnsville Granodiorite Dome in the north from the Doyle Dam Granodiorite Dome to the south.

The Wealth of Nations was discovered in 1894 and prior to 2022 had historical production of 28,000 ounces of gold from 45,500 tonnes extracted from a 3 level 300-foot-deep underground mine.

A small open pit was mined by Corinthian in 2022 producing 23,000 tonnes of ore for 1,694 recovered ounces.

A 7-hole RC programme has been planned to commence on the 6 June 2025 to test the deposit.

Managing Director/Chairman Graham McGarry comments on the acquisition:

"The tenements have historic production and are on approved mining leases, which are beneficial to Beacon.

"During the option term Beacon will be drilling to verify and JORC comply previous work completed by Corinthian Mining Pty Ltd. Drilling is expected to commence the first week of June 2025."

Key terms of the Acquisition

The consideration payable by Beacon to acquire the tenements is:

- A non-refundable option fee of \$100,000 plus GST on execution of Agreement. The payment of the option fee will grant Beacon Mining an exclusive 90-day option to acquire the tenements.
- At settlement, payments totalling \$1,400,000 for the tenements and reimbursements of mining expenses incurred on the tenements by Corinthian and Blue Tiger
- Beacon Mining will enter into a Royalty Agreement with Corinthian. On and from the date Beacon Mining has produced 7,000 ounces of gold from the Tenements, Beacon Mining agrees to grant Corinthian a 4% net smelter royalty in respect of any gold produced from the Tenements.
- During the 90-day option period, Beacon Mining will undertake a drilling and evaluation process on the Tenements to its sole satisfaction.
- Exercise of the option to acquire the Tenements (and, as a consequence, settlement of the transfer of the Tenements from Corinthian to Beacon Mining following the valid exercise of the Option) is subject to and conditional upon the satisfaction (or waiver) of the following conditions precedent on or prior to 90 days after execution of the Agreement, or such other date as agreed between the parties:
 - completion of financial, legal and technical due diligence by Beacon Mining on the Tenements;
 - the parties obtaining all necessary governmental and regulatory approvals, consents or waivers pursuant to the ASX Listing Rules, the Corporations Act or any other applicable laws and regulations to allow the Parties to lawfully complete the matters set out in the Agreement;
 - Blue Tiger agreeing to relinquish its existing "right to mine" the Tenements and confirming that Blue Tiger has no rights or entitlements with respect to the Tenements and Blue Tiger arranging for any other actions required to give effect to the relinquishment;
 - the parties obtaining all necessary third-party approvals, consents and waivers, including the consent of the Minister responsible for the Mining Act 1978 (WA) for the transfer of the Tenements (as required); and
 - Corinthian, Beacon Mining and, if necessary, under any third-party agreements relating to the Tenements, the relevant third party, executing a deed of assignment and assumption in relation to each third-party agreement.

Settlement will occur on the date which is five (5) business days after Beacon exercises the option in accordance with the Agreement.

Beacon will fund the costs of the acquisition using its current cash reserves.
