Dear Nicola,

REQUEST FOR TRADING HALT

In accordance with ASX Listing Rule 17.1, Gold Mountain Limited (ASX: GMN) requests a trading halt in its securities effective immediately. GMN provides the following information in relation to its request:

- The trading halt is requested until an announcement is made to the market regarding an update on the issue of shortfall securities under its rights issue announced on 3 April 2025 following non-payment by underwriters by due date and the outcome of incomplete confidential negotiations with them.
- GMN requests that the trading halt remain in place until the earlier of the opening of trading on Thursday, 29 May 2025 and when GMN makes an announcement to the market regarding the subject matter outlined above.
- The Company is not aware of any reason why the trading halt should not be granted or any other information necessary to inform the market about the trading halt.

This ASX announcement has been authorised by the Board of Gold Mountain Limited

About Us

Gold Mountain (ASX:GMN) is a mineral exploration company focused on rare earth elements (REE) with projects in Brazil and Papua New Guinea (PNG). While its assets are primarily centred around REE and niobium, the company is also exploring a diverse range of tenements for lithium, nickel, copper, and gold.

Gold Mountain has expanded its portfolio in Brazil, holding large areas of highly prospective REE and REE-niobium licenses in Bahia and in Minas Gerais. Additional tenement areas include lithium projects in the eastern Brazilian lithium belt, particularly in Salinas, Minas Gerais, and parts of the Borborema Province and São Francisco Craton in northeastern Brazil, as well as copper and copper-nickel projects in the northeast of Brazil.
