ASX ANNOUNCEMENT

30 May 2025

METRICS MASTER INCOME TRUST (ASX: MXT) Completion of Wholesale Placement

The Trust Company (RE Services) Limited (ABN 45 003 278 831) (**Responsible Entity**), part of Perpetual Limited, and the responsible entity for the Metrics Master Income Trust ARSN 620 465 090 (**MXT or Trust**) is pleased to announce that, further to its announcement dated 29 May 2025 of a placement to wholesale investors, it has received binding commitments for 157,500,000 new fully paid ordinary units in the Trust (**New Units**), at a price of \$2.00 per New Unit.

The Responsible Entity has determined to issue 157,500,000 New Units (**Placement**) amounting to aggregate proceeds of \$315,000,000.

The Placement was conducted utilising the Trust's available placement capacity pursuant to ASX Listing Rule 7.1. Accordingly, no securityholder approval is required for the issue of the New Units under the Placement.

The Responsible Entity expects the trading halt in respect of the Trust's ordinary units to be lifted and for the Trust's ordinary units to resume trading from market open today.

Settlement of the Placement is scheduled to take place on Wednesday, 4 June 2025, with the issue of the New Units to take place on Thursday, 5 June 2025 and quotation of the New Units to occur on the ASX on Friday, 6 June 2025.

Purpose of the Placement

The proceeds from the Placement will be invested in accordance with the investment mandate and target return of MXT and consistent with the product disclosure statement of the Trust lodged with the ASX on 13 February 2020 and supplementary product disclosure statement lodged with the ASX on 12 March 2020 (together, the **PDS**).

Commenting on the completion of the Placement, Metrics' Managing Partner, Andrew Lockhart said:

"We are very pleased to have completed this wholesale placement and to have received such strong investor support of MXT.

This is a resounding vote of confidence in the Trust, its almost eight years of demonstrated performance, and its ability to deliver on investment objectives.

The proceeds raised under this placement will allow us to continue providing a valuable source of non-bank finance to Australian companies, ensuring greater portfolio diversification for MXT, and in turn, deliver enhanced outcomes for our investors.

Since inception, the Trust has grown its exposure from 55 directly originated loan assets to now in excess of 300 loan assets. Today the Trust is one of the largest investment platforms providing investors

exposure to private credit with ASX secondary market liquidity and paying monthly cash income. The Trust will have a Net Asset Value (NAV) of circa \$2.44b post Placement completion.

We again thank investors and will continue to seek to originate transactions that are in line with the Trust's investment strategy, creating diversified exposure to the Australian corporate loan market."

The New Units issued under the Placement are expected to rank equally with existing fully paid ordinary units on issue in the Trust with effect from their date of issue, including in respect of entitlement to distributions.¹
