NOT FOR DISTRIBUTION OR RELEASE IN THE UNITED STATES

This market announcement does not constitute an offer to sell or the solicitation of an offer to buy any securities in the United States or any other jurisdiction. The securities offered have not been and will not be registered under the U.S. Securities Act of 1933, as amended, and may not be offered or sold in the United States or to, or for the account or benefit of, U.S. persons absent registration or an applicable exemption from registration.

SCHEDULE

A. Effect on Westpac of the offer of the Tier 2 Subordinated Notes

The issuance of the Tier 2 Subordinated Notes is expected to raise Tier 2 regulatory capital to satisfy Westpac's regulatory requirements and maintain the diversity of Westpac's sources and types of capital funding.

The proceeds from the issue of the Tier 2 Subordinated Notes will be used for general corporate purposes. Those proceeds, less the costs of the issue, will be classified as loan capital in the financial statements of Westpac. The issue of the Tier 2 Subordinated Notes will not have a material impact on Westpac's financial position.

The proceeds of the issue, less the costs of the issue, are expected to increase Westpac's total capital ratio on a Level 2 basis by less than 0.4%.

B. Rights and liabilities attaching to the Tier 2 Subordinated Notes

The rights and liabilities attaching to the Tier 2 Subordinated Notes are set out in the Conditions as supplemented by the Pricing Supplement.

C. Effect on Westpac of the issue of the ordinary shares if the Tier 2 Subordinated Notes are required to be Converted¹

A key feature of APRA's requirements for Tier 2 regulatory capital instruments is that they absorb losses at the point of non-viability of the issuer. The Conditions include provisions that require the Tier 2 Subordinated Notes to be Converted into ordinary shares in the capital of Westpac or Written-off on the occurrence of a Non-Viability Trigger Event. A Non-Viability Trigger Event will occur when APRA notifies Westpac in writing that it believes that relevant non-viability circumstances (as described in the definition of "Non-Viability Trigger Event" in the Conditions) subsist, which could occur at any time.

If a Non-Viability Trigger Event occurs and Westpac Converts the Tier 2 Subordinated Notes and issues ordinary shares to Holders (as required under the Conditions), the effect of Conversion on Westpac would be to reduce loan capital by the principal amount, less any unamortised costs of the issue, of the Tier 2 Subordinated Notes being Converted and increase Westpac's shareholders' equity by a corresponding amount. APRA has not provided extensive guidance as to how it would determine non-viability. Non-viability could be expected to include serious impairment of Westpac's financial position and concerns about its capital, funding or liquidity levels and/or insolvency. APRA has indicated that non-viability is likely to arise prior to insolvency.

The number of ordinary shares issued on Conversion is variable, but is limited to the Maximum Conversion Number. Limiting the number of ordinary shares which may be issued to the Maximum Conversion Number means that it is likely that Holders will receive a number of ordinary shares that have a market value that is significantly less than the Outstanding Principal Amount of the Tier 2 Subordinated Notes.

The Maximum Conversion Number is calculated based on a VWAP set to reflect 20% of the Issue Date VWAP. The Maximum Conversion Number may be adjusted to reflect a

¹ If, in accordance with the Conditions, Westpac is replaced by an Approved Successor as debtor of the Tier 2 Subordinated Notes and the issuer of ordinary shares, Tier 2 Subordinated Notes may be Converted into fully paid ordinary shares in the capital of an Approved Successor in accordance with the Conditions. This notice also enables ordinary shares in the capital of an Approved Successor which is a NOHC for the purposes of the *Banking Act 1959 (Cth)* and the ultimate holding company of Westpac issued on Conversion to be sold without disclosure under Chapter 6D of the Act. Refer to the Conditions and the Instrument for further information.

consolidation, division or reclassification or pro rata bonus issue, of ordinary shares. However, no adjustment will be made to it on account of other transactions which may affect the price of ordinary shares, including for example, rights issues, returns of capital, buy-backs or special dividends.

The Maximum Conversion Number is 1,587.3016 Westpac ordinary shares per Tier 2 Subordinated Note (with a nominal value of A\$10,000), based on the Issue Date VWAP of A\$31.50. If Conversion of any Tier 2 Subordinated Notes does not occur for any reason within five ASX Business Days after the occurrence of the Non-Viability Trigger Event, the Tier 2 Subordinated Notes will be Written-off, and all corresponding rights and claims of Holders under the Conditions (including with respect to payments of interest, the repayment of the Outstanding Principal Amount and upon Conversion, the receipt of ordinary shares) will be immediately and irrevocably written-off and terminated, with effect on and from the Non-Viability Trigger Event Date in accordance with the Conditions, and investors will lose all or some of their investment and will not receive any compensation.

D. Rights and liabilities attaching to the ordinary shares in the capital of Westpac

Westpac was registered on 23 August 2002 as a public company limited by shares under the Act. Westpac's constitution was most recently amended at the general meeting held on 15 December 2021 ("**Constitution**", as amended from time to time). The ordinary shares in the capital of Westpac are admitted to trading on ASX. The rights attaching to the ordinary shares in the capital of Westpac are set out in the Act and the Constitution.

E. Additional information

Information about the Tier 2 Subordinated Notes is contained in the Information Memorandum and the Pricing Supplement.

Westpac is a disclosing entity for the purposes of the Act and, as a result, is subject to regular reporting and disclosure obligations under the Act and the ASX Listing Rules.
