Past performance

Investors should note that the Company's past performance, including past share price performance, cannot be relied upon as an indicator of (and provides no guidance as to) the Company's future performance including the Company's future financial position or share price performance.

Future performance and forward-looking statements

This Offer Booklet contains certain statements that constitute "forward-looking statements". These statements can be identified by the use of terminology such as "will", "anticipate", "believe", "expect", "project", "continue", "assume", "forecast", "estimate", "likely", "intend", "outlook", "should", "could", "may", "target", "plan" or comparable terminology. Indications of, and guidance on, future earnings, financial position, dividends and distributions and performance are also forward-looking statements, as are statements regarding the Company's intent, belief or current expectations with respect to the timetable, conduct and outcome of the Entitlement Offer and the use of proceeds thereafter, statements about the plans, objectives and strategies of the management of the Group, statements about the industry and markets in which the Company operates, statements about the future performance of the Company's business and its financial condition, and forecasted economic indicators.

Such forward-looking statements are provided as a general guide only, should not be relied on as an indication or guarantee of future performance, and involve known and unknown risks (including, without limitation, the risks set out slides 7 to 13 of the Investor Presentation) uncertainties and other factors, many of which are beyond the control of the Company, its officers, employees, agents and advisors, that may cause the Company's actual results and performance to be materially different from any future results or performance expressed or implied in such statements. Forward-looking statements may also assume the success of the Company's

business strategies. The success of any of these strategies is subject to uncertainties and contingencies beyond the Company's control, and no assurance can be given that any of the strategies will be effective or that the anticipated benefits from the strategies will be realised in the period for which the forward-looking statements may have been prepared or otherwise.

There can be no assurance that actual outcomes will not differ materially from the forward-looking statements in this Offer Booklet. There are usually differences between forecast and actual results because events and actual circumstances frequently do not occur as forecasted and their differences may be material. Refer to slides 7 to 13 of the Investor Presentation for a non-exhaustive summary of certain key risk factors.

Neither the Company or any other person gives any representation, warranty, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statement will occur.

To the maximum extent permitted by law, the Company and its advisors, affiliates, related bodies corporate, directors, officers, partners, employees and agents disclaim any responsibility and undertake no obligation for the accuracy or completeness of any forward-looking statements whether as a result of new information, future events or results or otherwise. The Company disclaims any responsibility to update or revise any forward-looking statement to reflect any change in the Company's financial condition, status or affairs or any change in the events, conditions or circumstances on which a statement is based, except as required by Australian law.

Risks

An investment in New Shares is subject to investment and other known and unknown risks, some of which are beyond the control of the Company. The Company does not guarantee any particular rate of return or the performance of the Company, nor does it guarantee any particular tax treatment.

Shareholders should refer to slides 7 to 13 of the Investor Presentation for a summary of key risk factors that may affect the Company and an investment in New Shares.

Trading New Shares

The Company will have no responsibility and disclaims all liability (to the maximum extent permitted by law) to persons who trade New Shares they believe will be issued to them before they receive their holding statements, whether on the basis of confirmation of the allocation provided by the Company or the Share Registry or otherwise, or who otherwise trade or purport to trade New Shares in error or which they do not hold or are not entitled to.

If you are in any doubt, as to these matters you should first consult with your stockbroker, solicitor, accountant or other professional adviser.

Chair's letter

Dear Shareholder,

On behalf of the Directors, I am pleased to invite you as a valued Shareholder of Cardix Limited (**Company**) to participate in a 1 for 4 non-renounceable pro-rata entitlement offer of new fully paid ordinary shares in the Company (**New Shares**) at an issue price of \$0.04 per New Share (**Offer Price**) to raise up to approximately \$4.1 million (before costs) (**Entitlement Offer**).

The Entitlement Offer provides Eligible Shareholders with the opportunity to further invest in the Company as it continues to advance its plans regarding device manufacturing and scale-up of its supply chain.

Capital Raising

On Friday, 30 May 2025, the Company announced that it had secured binding commitments to raise approximately \$2.4 million (before costs) via a placement of Shares at an issue price of \$0.04 each (**Placement**) comprising the following tranches:

- (i) tranche 1 comprising 42,500,000 New Shares issued utilising the Company's available placement capacity under Listing Rule 7.1; and
- (ii) tranche 2 comprising 18,409,580 New Shares to be issued to C2 Ventures Pty Limited (**C2V**), subject to shareholder approval at an upcoming extraordinary general meeting to be held by the Company (**EGM**). C2V is a company owned by two directors of the Company, Niall Cairns and Craig Cooper.

To provide Eligible Shareholders with the ability to participate in the Company's capital raising, the Company is offering Eligible Shareholders an opportunity to subscribe for New Shares on the same terms as the Placement. Under the Entitlement Offer, Eligible Shareholders are entitled to acquire 1 New Share for every 4 Existing Shares in the Company held on the Record Date at 7.00pm (AEST) on Wednesday, 4 June 2025. New Shares issued under the Entitlement Offer will rank equally with the Existing Shares on issue.

The number of New Shares for which you are entitled to subscribe under the Entitlement Offer (**Entitlement**) is set out in your personalised Entitlement and Acceptance Form that accompanies this Offer Booklet.

The Entitlement Offer is non-renounceable and therefore your Entitlements will not be tradeable on the ASX or otherwise transferable. Accordingly, Eligible Shareholders can:

- take up their Entitlement in full or in part; or
- do nothing, in which case their Entitlement will lapse and they will not receive any value for their Entitlement.

Top-Up Offer

If you take up your full Entitlement, you may also apply for additional Top-Up Shares in excess of your Entitlement, at the Offer Price (**Top-Up Offer**). The allocation of Top-Up Shares under the Top-Up Offer will be subject to the availability of New Shares as a shortfall under the Entitlement Offer, and otherwise in accordance with the terms and conditions set out in sections 2.2 and 2.6. The Company reserves the right to scale back applications for Top-Up Shares at its absolute discretion.

Underwriting and sub-underwriting

The Entitlement Offer is lead managed by Blackpeak Capital Pty Ltd (ACN 601 350 841) (**Blackpeak Capital**), Stralis Capital Partners Pty Limited (ACN 681 589 515) (**Stralis**) and Taylor Collison Limited (ABN 53 008 172 450) as Joint Lead Managers.

The Entitlement Offer is underwritten by Blackpeak Capital (**Underwriter**) for the full amount of the Entitlement Offer (**Underwritten Amount**), being up to 101,515,968 New Shares. The Underwriter has entered into sub-underwriting agreements with C2V and an associated entity (Carnethy

Evergreen Pty Ltd, a company controlled by director Niall Cairns), to sub-underwrite up to \$1,200,000 of the Underwriter's underwriting commitment. The Underwriter intends to sub-underwrite some or all of the remaining Underwritten Amount. A summary of the key terms of the Underwriting Agreement is set out in section 5.12.

Pursuant to the Underwriting Agreement and to the extent that any New Shares are not taken up by Eligible Shareholders under the Entitlement Offer and Top-Up Offer, the Underwriter must subscribe for, or procure subscriptions for, the balance of the Underwritten Amount worth of New Shares.

Purpose of the Entitlement Offer

The proceeds of the Entitlement Offer will be used as follows:

- device manufacturing including the build-up of inventory;
- marketing and sales activities, including payments to suppliers and contractors.
- up-scale of the supply chain, fulfillment of anticipated customer orders and customer care operations;
- further research and development;
- repayment of debts;
- costs of the Entitlement Offer; and
- for corporate and working capital.

The Company intends to use the proceeds of the Entitlement Offer in accordance with the use of funds outlined in section 3.2

The Entitlement Offer is non-renounceable, which means that the Entitlements cannot be sold, traded on ASX or any other exchange, nor can it be privately transferred. If you do not participate in the Entitlement Offer, you will not receive any value for your Entitlement.

The following Directors and their associates who are Eligible Shareholders have provided written commitments to the Company to take up their Entitlements in full in accordance with the terms of the Entitlement Offer:

Immediately prior to announcing the Entitlement Offer, the Company undertook a Placement and received firm commitments to raise \$2.4 million, under which approximately 60,909,580 New Shares were offered to new and existing sophisticated and professional investors at the Offer Price per New Share.

C2 Ventures Pty Limited (**C2V**), an entity controlled by Directors Niall Cairns and Craig Cooper, has provided a binding commitment to the Company to subscribe for up to \$736,383.20 worth of Shares under the Placement. The issue of Shares to C2V under the Placement is subject to the receipt of prior Shareholder approval to be obtained at the Company's upcoming general meeting expected to be held in late July 2025.

The Placement is split into two tranches:

- (a) **Tranche 1:** comprises 42,500,000 Shares (~\$1.664 million before costs) under the Company's 15% placement capacity pursuant to Listing Rule 7.1, which are expected to be issued on Thursday, 5 June 2025 (**Tranche 1 Placement Shares**); and
- (b) **Tranche 2:** comprises 18.4 million Shares (~\$0.736 million before costs) to be issued to C2V subject to Shareholder approval (**Tranche 2 Placement Shares**). The Company intends to seek Shareholder approval at a general meeting to be convened in late July 2025.

The Shares under the Placement will be issued after the Record Date for the Entitlement Offer and, as such, participants in the Placement will not be entitled to participate in the Entitlement Offer in respect of their Placement Shares.

2.3 Top-Up Offer

Eligible Shareholders who take up their Entitlements in full may also apply for additional New Shares under the Top-Up Offer in excess of their Entitlement at the same Offer Price (**Top-Up Shares**). Top-Up Shares in excess of Entitlements will only be allocated to Eligible

Shareholders if and to the extent that the Company determines in its absolute discretion based on the allocation policy outlined in section 2.6 below.

An Eligible Shareholder who is a 'related party' of the Company (as that term is defined in the Listing Rules), or is otherwise a person to whom Listing Rule 10.11 applies, is not eligible to apply for or be allocated any Top-Up Shares under the Top-Up Offer.

2.4 Underwriting the Entitlement Offer

The Entitlement Offer is joint lead managed by the Joint Lead Managers and fully underwritten by the Underwriter, being Blackpeak Capital, for up to the maximum amount of the Entitlement Offer (**Underwritten Amount**). The Underwriter's commitment is supported by a sub-underwriting commitment from C2V and its associated entity for up to \$1,200,000 of the Underwritten Amount, being up to 30,000,000 New Shares. The Underwriting Agreement is on usual terms, the material terms of which are summarised in section 5.12.

Pursuant to the Underwriting Agreement and to the extent that any New Shares are not taken up by Eligible Shareholders pursuant to the Entitlement Offer and Top-Up Offer, the Underwriter must subscribe for, or procure subscriptions for, the balance of the Underwritten Amount worth of New Shares.

The Company understands that the Underwriter intends to sub-underwrite some or all of the Underwritten Amount amongst a diverse range of sub-underwriters, including the sub-underwriting commitment from C2V and its associated entity as described above.

2.5 Shortfall Offer

In respect of any New Shares not taken up pursuant to the Entitlement Offer or the Top-Up Offer, and not issued to the Underwriter for any reason (including by virtue of termination of the Underwriting Agreement), the Board reserves the right to allocate the Shortfall Shares at its sole discretion, within 3 months after the Closing Date, and otherwise in accordance with the allocation policy described in section 2.6 below (**Shortfall Offer**).

The Shortfall Offer will only be extended to parties identified by the Company. A 'related party' of the Company (as that term is defined in the Listing Rules), or is otherwise a person to whom Listing Rule 10.11 applies, is not eligible to be allocated any Shortfall Shares under the Shortfall Offer without prior Shareholder approval.

2.6 Allocation policy

Each Eligible Shareholder who takes up its Entitlement (in full or in part) will be allocated New Shares in respect of that Entitlement.

Each Eligible Shareholder who:

- (a) takes up their Entitlement in full; and
- (b) applies and pays for additional Top-Up Shares under the Top-Up Offer,

will be allocated the number of additional Top-Up Shares under the Top-Up Offer subscribed for by that Eligible Shareholder, subject to being scaled-back (either pro rata or at the Board's discretion) if the Top-Up Offer is oversubscribed. However, a 'related party' of the Company (as that term is defined in the Listing Rules), or is otherwise a person to whom Listing Rule 10.11 applies, is not eligible to be allocated any Top-Up Shares under the Top-Up Offer.

In the event of a scale-back in the Top-Up Offer, the difference between the Application Monies received, and the number of additional Top-Up Shares allocated to you multiplied by the Offer Price will be refunded following allotment. No interest will be paid on any Application Monies received and returned.

To the extent that any New Shares are not taken up by Eligible Shareholders pursuant to the Entitlement Offer and Top-Up Offer, the Underwriter is obliged to subscribe for, or procure subscriptions for, up to the Underwritten Amount worth of those New Shares. For the

avoidance of doubt, this allocation policy does not restrict the Underwriter or any sub-underwriter from increasing its voting power in the Company above 20% as a result of their underwriting or sub-underwriting commitments subject to the Company having satisfied the allocation of shortfall to Eligible Shareholders under the Top-Up Offer in priority to the Underwriter or any sub-underwriter, in accordance with the allocation policy outlined above.

Notwithstanding any of the above:

- (a) there is no guarantee that any application in the Top-Up Offer will be successful and the Company reserves the right to issue any shortfall by way of the Top-Up Offer or by other means and reserves the right to satisfy applications in the Top-Up Offer at its sole and complete discretion, including by applying a rata scale-back mechanism;
- (b) the Top-Up Offer has the same closing date as the Entitlement Offer; and
- (c) the Company will not issue Top-Up Shares under the Top-Up Offer where to do so would result in a breach of its Constitution, the Corporations Act or the ASX Listing Rules.

If, following the allocation of Top-Up Shares (including pursuant to the Underwriting Agreement) there remains Shortfall Shares which have not been allocated, the Shortfall Shares may be allocated by the Company at the Board's discretion.

In exercising their discretion to allocate the Shortfall Shares (if any), the Directors may have regard to the following (non-exhaustive) factors:

- (a) the best interests of the Company and the Company's desire to maximise the amount of funds raised from the Entitlement Offer;
- (b) the overall level of demand under the Entitlement Offer;
- (c) ensuring that the potential effects of the Entitlement Offer on control is mitigated by allotting the Shortfall Shares to a spread of investors; and
- (d) ensuring an appropriate Shareholder base for the Company going forward.

Notwithstanding any of the above, Shortfall Shares will not be issued to any person which would, if issued, result in:

- (a) the investor increasing their voting power in the Company above 20%; or
- (b) a contravention of any law or ASX Listing Rule.

2.7 Ranking of New Shares

The New Shares issued under the Entitlement Offer, Top-Up Offer and Shortfall Offer will be fully paid and rank equally with Existing Shares. The rights attaching to the New Shares are set out in the Company's Constitution and are regulated by the Corporations Act, Listing Rules and general law.

3. Effect of the Entitlement Offer

3.1 Capital structure

The proposed capital structure of the Company following the issue of the New Shares in connection with the Entitlement Offer will be as follows:

The Tranche 2 Placement Shares and the December 2024 placement shares, if approved, will be issued after the Entitlement Offer closes, but are presented here on a pre-Entitlement Offer basis for clarity.
2. These numbers may vary due to rounding of Entitlements.
3. Assumes that the Entitlement Offer is fully subscribed, and that no options are exercised or performance rights vest prior to the Record Date and no other Shares are issued.
4. 111,750,185 quoted Options expiring 30 November 2025 under ASX code CDXOA.

 - j. 1,494,370 Options exercisable at \$0.45 and expiring 16 December 2025.

The Entitlement Offer will not result in any adjustment to the exercise price of the quoted Options, even though the Offer Price is less than the exercise price of those Options.

3.2 Use of proceeds

The Company intends to apply the funds raised from the Entitlement Offer in accordance with the table below, assuming the Entitlement Offer is fully subscribed:

Proposed use of funds	\$
Device manufacturing including the build-up of inventory.	1,000,000
Marketing and sales activities including funding requirements for the scale up of the supply chain, future order fulfillment and customer care operations.	1,500,000
Further research and development, including payments to suppliers and contractors.	1,000,000
Repayment of debt. ¹	500,000
Corporate & working capital. ²	2,000,000
Costs of the Entitlement Offer. ³	500,000
Total	6,500,000

Notes:

1. \$500,000 will be used for repayment of debt. The Company currently has a promissory note with Wilson Sonsini Goodrich & Rosati, with the next instalment of US\$250,000 due on 31 July 2025. The final balance of US\$1million, plus outstanding interest, is currently due on 31 October 2025. The Company reserves its full right and discretion to seek revised terms for the repayment or seek other forms of debt funding to repay this in full.
2. Working capital includes but is not limited to the general costs associated with the management and operation of the business including ongoing corporate expenditure, administration expenditure, staff and operating costs, payment of trade creditors, and other ordinary expenditure.
3. Includes ASX quotation fees, ASIC application fees, underwriting fee, Nominee fee and legal and preparation expenses. The costs of the Entitlement Offer do not currently include any fees that may be payable to brokers under the Shortfall Offer, although such fees will be payable at the Company's discretion (which, if paid, will be allocated from the funds assigned to general working capital to the extent required).
4. The above table is based on the assumption that the Entitlement Offer is fully subscribed. If the Entitlement Offer is not fully subscribed, and depending on the amount raised, the Company intends to scale back allocation to working capital.

The above table is a statement of current intentions as at the date of this Offer Booklet. Investors should note that, as with any budget, the allocation of funds set out in the above table may change depending on a number of factors, including market conditions, the development of new opportunities and/or any number of other factors (including the key risk factors summarised in slides 7-13 of the Investor Presentation). Actual expenditure levels may also differ significantly from the above estimates.

3.3 Substantial Shareholders

Based on available information as at the date of this Offer Booklet and to the extent known by the Company, the Company has only one current substantial Shareholder, being C2V and its associates (including the interests of directors Niall Cairns and Craig Cooper) (together the **Substantial Shareholder**), who may potentially increase its current voting power in the Company as a result of the Entitlement Offer, depending on whether other Shareholders take up their Entitlements and/or apply for additional Shares under the Top-Up Offer or are issued Shortfall Shares.

Substantial Shareholder ¹	Existing Shares	Voting power ²	Entitlements
C2 Ventures Pty Limited and its associates	145,689,830	35.87%	33,544,990 New Shares

Note:

- The shareholding listed above is as disclosed to the Company by Shareholders in substantial holding notices. Information regarding substantial holdings that arise, change or cease after the date of the substantial holding notices disclosed to the Company, or in respect of which the relevant announcement is not available on the ASX's website (www.asx.com.au), is not included above.
- Assumes 406,063,872 Shares on issue as at the date of this Offer Booklet and that no other Shares are issued prior to the Record Date.

3.4 Director interests

The relevant interest of each of the Directors in Securities as at the date of this Offer Booklet, together with their direct or indirect Entitlement under the Entitlement Offer are set out below:

Director	Existing Shares	Voting power (%) ¹	Options	Convertible Note Options	Performance Rights	Entitlement ²
Niall Cairns ³	134,179,967	33.04	35,515,193	1,700,000	9,500,000	33,544,992
Craig Cooper ⁴	134,286,818	33.07	35,720,808	1,500,000	9,500,000	33,571,705
Charlie Taylor ⁵	833,334	0.21	1,833,334	Nil	Nil	208,334

3.5 Control issues and consequences of the Entitlement Offer

(a) Take-up under the Entitlement Offer

The maximum number of New Shares to be issued under the Entitlement Offer is 101,515,968 (subject to rounding) which will constitute approximately 17.77% of the Shares on issue following completion of the Placement and Entitlement Offer (assuming the Entitlement Offer is fully subscribed, and no other Shares are issued or convertible securities exercised or converted prior to the Record Date).

The Company's Substantial Shareholder may potentially increase its current voting power in the Company of 35.88% as a result of:

- (i) C2V and associates who are Eligible Shareholders (**Eligible Associates**) taking up their pro-rata entitlement in full under the Entitlement Offer; and
- (ii) the obligations of C2V and its associated entity pursuant to their sub-underwriting agreement with the Underwriter.

Overall, the voting power of the Substantial Shareholder will depend on whether other Shareholders take up their Entitlements and/or apply for additional Top-Up Shares or are issued Shortfall Shares.

Eligible Shareholders who do not take up their Entitlement in full may be diluted relative to those Eligible Shareholders who apply for some or all of their Entitlement. The extent of dilution will depend on the extent to which Eligible Shareholders take up their Entitlement or more than their Entitlement (under the Top-Up Offer).

The proportional interests of Ineligible Shareholders will also be diluted because such Shareholders are not entitled to participate in the Entitlement Offer.

The following table illustrates the Substantial Shareholder's maximum potential relevant interest and voting power in the Company under several scenarios, including where the Entitlement Offer is 25%, 50%, 75% and fully subscribed by the other Eligible Shareholders and in the unlikely event that no other Eligible Shareholders take up their entitlement under the Entitlement Offer and the full amount of underwritten shortfall is issued to Underwriter and sub-underwriter(s).

Substantial Shareholder	Total Shares held by Substantial Shareholder	Substantial Shareholder voting power ¹	
Current	145,689,830 ²	35.88%	
On completion of the Placement	166,877,188 ³	35.52% ³	
On completion of Placement and Entitlement Offer (but before underwriting)	200,422,178 ⁴	Participation by other Eligible Shareholders	Voting power ⁴
		100%	35.08%
		75%	36.71%
		50%	38.51%
		0%	39.82%
Minimum sub-underwriting ⁵	200,422,178	35.08%	
Maximum sub-underwriting ⁶	230,422,178	40.34%	

Notes:

1. Assumes 406,063,872 Shares in the Company on the date of this document and that no other Shares are issued or Securities converted into Shares prior to the record date.
2. The current shareholding of the Substantial Shareholder (comprising the interests of C2V, Niall Cairns and Craig Cooper, and C2V's associates) listed above is based on the information disclosed to the Company by Shareholders in substantial holding notices.

For personal use only

Information regarding substantial holdings that arise, change or cease after the date of the substantial holding notices disclosed to the Company, or in respect of which the relevant announcement is not available on the ASX's website (www.asx.com.au), is not included above.

3. Assumes C2V participates in the Placement for the agreed \$736,383.20. The issue of these Tranche 2 Placement Shares is subject to shareholder approval at a general meeting which is expected to be held in July 2025. This amount also includes 2,777,778 Shares to be issued to C2V from the December 2024 placement, the issue of which is also subject to shareholder approval at the upcoming general meeting. (The Tranche 2 Placement Shares and the December 2024 placement shares are together the **EGM Placement Shares**). The EGM Placement Shares, if approved, will be issued *after* the Entitlement Offer closes, but are presented here on a pre-Entitlement Offer basis for clarity.
4. In calculating the potential outcomes for the Substantial Shareholder, the Company has assumed that C2V and its Eligible Associates take up their entitlements in full (but no assurance is given of whether that will occur).
5. Assumes C2V participates in the Placement (such that the EGM Placement Shares will be subject to shareholder approval at the upcoming general meeting and issued at a later date), the Entitlement Offer is fully subscribed and all shareholders take up 100% of their Entitlements under the Entitlement Offer and/or the Top-Up Offer, meaning no New Shares are issued to the Underwriter or sub-underwriter(s) including C2V and its associated entity in the capacity as sub-underwriter.
6. Assumes no shareholders other than C2V and its Eligible Associates take up their Entitlements under the Entitlement Offer, meaning the full amount of underwritten shortfall is issued to Underwriter and sub-underwriter(s), including 30,000,000 New Shares issued to C2V and its associated entity. This number *includes* the issue of EGM Placement Shares to C2V, which is subject to shareholder approval at the upcoming general meeting and will be issued at a later date.

In this scenario, the allocated sub-underwriting commitment to C2V and its associated entity may be reduced to avoid any potential breaches of the takeover provisions in Chapter 6 of the Corporations Act by C2V and its associates as a result of the subsequent issue of EGM Placement Shares to C2V and its Eligible Associates following shareholder approval at the planned general meeting.

As illustrated above, the Substantial Shareholder already has a voting power of greater than 20%, and may increase its voting power in the Company further (from a starting point that is above 20% and below 90%) as a result of the Entitlement Offer. This increase will fall within the exception pursuant to Item 10 of section 611 of the Corporations Act.

In the event where the Entitlement Offer is significantly undersubscribed by Eligible Shareholders, with the result that there is a large number of Top-Up Shares and Shortfall Shares, the Company intends to mitigate the potential effects on control by ensuring that its allocation policy facilitates the allotment of Top-Up Shares and Shortfall Shares to a spread of investors (see section 2.6 for further information). The potential control effects have also been mitigated through the Entitlement Offer being underwritten by the Underwriter and partially sub-underwritten by sub-underwriters who are not associated with C2V and its associated entity.

(b) **Impact of underwriting**

The number of New Shares that will be required to be allocated to the Underwriter and any sub-underwriters appointed by the Underwriter will depend on how many New Shares are taken up under the Entitlement Offer.

If the Entitlement Offer is fully sub-underwritten, then no Shares are expected to be allocated to the Underwriter.

Even if the full number of Entitlement Offer Shares were to be issued to the Underwriter and the Underwriter could not secure sub-underwriting for any of those Shares (which is considered to be hypothetical only due to the commitments from Directors and other Shareholders described above, and the sub-underwriting agreement with C2V and its

associated entity) the Underwriter would not acquire voting power in the Company of more than 20%.

3.6 Section 615 of the Corporations Act and appointment of Nominee

As noted above, the Company's existing Substantial Shareholder may further increase its voting power in the Company from a starting point that is above 20% but below 90% as a result of the Entitlement Offer.

To comply with Item 10 of section 611 of the Corporations Act, the Company is required to appoint a nominee in accordance with the requirements of section 615(a) of the Corporations Act. The Company is also required to appoint a nominee for the purposes of ASX Listing Rule 7.7.1(c).

ASIC has approved the appointment of Taylor Collison Limited (ABN 53 008 172 450) (AFSL 247083) as nominee for the purposes of section 615 of the Corporations Act (**Nominee**). In accordance with section 615(b)-(c) of the Corporations Act and consistent with *ASIC Regulatory Guide 6: Takeovers: Exceptions to the general prohibition*:

- (a) the Company will issue to the Nominee the Shares that would otherwise be issued to the Ineligible Shareholders (**Excluded Shares**); and
- (b) the Nominee will sell those Excluded Shares and distribute to each of those Ineligible Shareholders their proportion of the net proceeds of the sale (after paying the Company the Offer Price for the Excluded Shares and other selling expenses).

The Nominee will offer to sell the Excluded Shares in such manner and at such time as it sees fit, provided it must do so with the objective of achieving the best price for the Excluded Shares that is reasonably obtainable on market at the time of the relevant sale bearing in mind:

- (a) the total number of Excluded Shares;
- (b) prevailing market conditions at the time of the relevant sale (including the prevailing price of the Company's Shares on the ASX);
- (c) the period over which the sale process is completed; and
- (d) the desire to achieve a liquid and orderly market in the Company's securities.

There is no assurance that the Nominee will be able to sell the Excluded Shares at a price that will result in the Ineligible Shareholders receiving any net proceeds for their Entitlements such that Ineligible Shareholders may receive no value for their Entitlements.

For further details regarding the treatment of Ineligible Shareholders, refer to section 5.7.

4. How to apply

4.1 Entitlement Offer

The Entitlement Offer constitutes an offer to Eligible Shareholders to apply for 1 New Share for every 4 Existing Share held on the Record Date. Please refer to sections 5.1 and 5.2 regarding your eligibility to participate in the Entitlement Offer.

The Entitlement Offer opens on Friday, 6 June 2025 and the Offer Booklet will be made available by that date, along with a personalised Entitlement and Acceptance Form, to Eligible Shareholders. The Entitlement Offer is scheduled to close at 5.00pm (AEST) on Friday, 20 June 2025.

The Entitlement Offer is being made pursuant to section 708AA of the Corporations Act (as modified by *ASIC Corporations (Non-Traditional Rights Issues) Instrument 2016/84* and *ASIC Corporations (Disregarding Technical Relief) Instrument 2016/73*) which allows rights issues to be offered without a prospectus, provided certain conditions are satisfied.

As a result, the Entitlement Offer is not being made under a prospectus and it is important for Eligible Shareholders to read and understand the information on the Company and the Entitlement Offer made publicly available by the Company, prior to taking up all or part of their Entitlement. In particular, please refer to the materials enclosed in section 7, the Company's interim and annual reports, other announcements made available at www.asx.com.au and all other parts of this Offer Booklet carefully before making any decisions in relation to your Entitlement.

Eligible Shareholders should be aware that an investment in the Company, including taking up your Entitlement, involves risks. The key risks identified by the Company are summarised in slides 7 to 13 of the Investor Presentation included in section 8 of this Offer Booklet.

4.2 Your Entitlement

An Entitlement and Acceptance Form setting out your Entitlement (calculated as 1 New Share for every 4 Existing Shares held on the Record Date) will accompany this Offer Booklet. If you have more than one registered holding of Shares, you will have a separate Entitlement for each separate holding. Your personalised Entitlement and Acceptance Form can be accessed at <https://investor.automic.com.au/#/home>.

4.3 Options available to you

The number of New Shares to which Eligible Shareholders are entitled is shown on the Entitlement and Acceptance Form that will accompany this Offer Booklet. Eligible Shareholders may:

- take up their Entitlement in full (refer to section 4.3(a) for further information);
- if they take up their full Entitlement, apply for additional Top-Up Shares in the Top-Up Offer (refer to section 4.3(a) for further information);
- take up part of their Entitlement and allow the balance to lapse (refer to section 4.3(c) for further information); or
- do nothing, in which case their Entitlement will lapse (refer to section 4.3(d) for further information) and they will not receive any value for their Entitlement.

The Entitlement Offer is an offer to Eligible Shareholders only. Ineligible Shareholders may not take up any of their Entitlements. Ineligible Shareholders should refer to section 5.7.

The Company reserves the right to reject any Entitlement and Acceptance Form that is not correctly completed or that is received after the Closing Date.

The Closing Date for acceptance of the Entitlement Offer is 5.00pm (AEST) on Friday, 20 June 2025, unless extended.

(a) **Taking up all of your Entitlement**

Any part of your Entitlement that you do not accept will lapse.

(d) **Allowing your Entitlement to lapse**

If you do not wish to accept any part of your Entitlement, do not take any further action and all of your Entitlement will lapse.

4.4 Consequences of not accepting all or part of your Entitlement

If you do not accept all or part of your Entitlement in accordance with the instructions set out above, those New Shares for which you would have otherwise been entitled under the Entitlement Offer (including New Shares that relate to the portion of your Entitlement that have not been accepted) will become available to other Eligible Shareholders in the Top-Up Offer, and otherwise in accordance with the allocation policy in section 2.6. Your Entitlement to participate in the Entitlement Offer is non-renounceable and cannot be traded on the ASX nor any other financial markets, nor can it be privately transferred.

By allowing your Entitlement to lapse, you will forgo any exposure to increases or decreases in the value of the New Shares had you taken up your Entitlement and you will not receive any payment or value for all or that part of your Entitlement. Your interest in the Company may also be diluted.

4.5 Payment

Payment should be made using BPAY® or by Electronic Funds Transfer (**EFT**). If you are based in New Zealand, and unable to pay using BPAY®, payments can be made by EFT (see section 4.5(b)). For the avoidance of doubt, Eligible Shareholders with a registered address in Australia can also make payment by EFT.

5.6 Notice to Shareholders in United Kingdom

Neither this Offer Booklet nor any other document relating to the offer of New Shares has been delivered for approval to the Financial Conduct Authority in the United Kingdom and no prospectus (within the meaning of section 85 of the Financial Services and Markets Act 2000, as amended ("FSMA")) has been published or is intended to be published in respect of the New Shares.

The New Shares may not be offered or sold in the United Kingdom by means of this Offer Booklet or any other document, except in circumstances that do not require the publication of a prospectus under section 86(1) of the FSMA. This document is issued on a confidential basis in the United Kingdom to fewer than 150 persons who are existing shareholders of the Company. This Offer Booklet may not be distributed or reproduced, in whole or in part, nor may its contents be disclosed by recipients, to any other person in the United Kingdom.

Any invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received in connection with the issue or sale of the New Shares has only been communicated or caused to be communicated and will only be communicated or caused to be communicated in the United Kingdom in circumstances in which section 21(1) of the FSMA does not apply to the Company.

In the United Kingdom, this Offer Booklet is being distributed only to, and is directed at, persons (i) who have professional experience in matters relating to investments falling within Article 19(5) (investment professionals) of the Financial Services and Markets Act 2000 (Financial Promotions) Order 2005 ("FPO"), (ii) who fall within the categories of persons referred to in Article 49(2)(a) to (d) (high net worth companies, unincorporated associations, etc.) of the FPO or (iii) to whom it may otherwise be lawfully communicated (together "relevant persons"). The investment to which this Offer Booklet relates is available only to relevant persons. Any person who is not a relevant person should not act or rely on this Offer Booklet.

5.7 Ineligible Shareholders

- (a) All Shareholders who do not satisfy the criteria to be Eligible Shareholders, are Ineligible Shareholders. Ineligible Shareholders are not entitled to participate in the Entitlement Offer, unless the Company otherwise determines.
- (b) The restrictions upon eligibility to participate in the Entitlement Offer arise because the Company has determined, pursuant to Listing Rule 7.7.1(a) and section 9A(3)(a) of the Corporations Act, that it would be unreasonable to extend the Entitlement Offer to Ineligible Shareholders. This decision has been made after taking into account the

number of non-residents in Australia, New Zealand, Hong Kong, Singapore and the United Kingdom on the Company's share register, the relatively small number and value of New Shares to which those Shareholders would otherwise be entitled and the potential costs of complying with legal and regulatory requirements in the jurisdictions in which the Ineligible Shareholders are located in relation to the Entitlement Offer.

- (c) The Company, in its absolute discretion, may extend the Entitlement Offer to any Shareholder if it is satisfied that the Entitlement Offer may be made to the Shareholder in compliance with all applicable laws. The Company, in its absolute discretion, reserves the right to determine whether a Shareholder is an Eligible Shareholder or an Ineligible Shareholder. To the maximum extent permitted by law, the Company disclaims all liability in respect of such determination.
- (d) In accordance with section 615(b)-(c) of the Corporations Act and consistent with *ASIC Regulatory Guide 6: Takeovers: Exceptions to the general prohibition*:
 - (i) the Company will issue to the Nominee the Excluded Shares; and
 - (ii) the Nominee will sell those Excluded Shares and distribute to each of those Ineligible Shareholders their proportion of the net proceeds of the sale (after paying to the Company the Offer Price in respect of those Shares and other selling expenses).
- (e) The Nominee will have the absolute and sole discretion to determine the timing, the price at which the Excluded Shares may be sold and the manner of such sale, which is expected to be on-market on the ASX. The net proceeds of the sale will be distributed to Ineligible Shareholders pro rata in proportion to their respective shareholdings as at the Record Date (after deducting costs, including costs of the sale and costs of distributing the proceeds). There is no assurance that the Nominee will be able to sell the Excluded Shares at a price that will result in the Ineligible Shareholders receiving any net proceeds for their Entitlements such that Ineligible Shareholders may receive no value for their Entitlements.
- (f) Neither the Company nor the Nominee will be subject to any liability for failure to sell the New Shares of Ineligible Shareholders or to sell them at a particular price.
- (g) To the extent that any New Shares that would have been offered under the Entitlement Offer to Ineligible Shareholders (had they been entitled to participate in the Entitlement Offer) are not taken up (including pursuant to the Nominee process above) (**Ineligible Shares**), those Ineligible Shares will be Top-Up Shares or Shortfall Shares which are subject to the allocation policy detailed in section 2.6. The price at which those Ineligible Shares would be issued is the same as the Offer Price. Accordingly, there will be no net proceeds from those issues in excess of the Offer Price under the Entitlement Offer and Ineligible Shareholders will not receive any payment or value in connection with those Ineligible Shares.
- (h) The Nominee will receive a fee of \$5,000 (plus GST) for its services as Nominee, plus 1% of sale proceeds of Ineligible Shareholders' shares sold by the Nominee.

5.8 Allotment, trading and quotation

The Company will apply for quotation of the New Shares on ASX in accordance with Listing Rule requirements. If ASX does not grant quotation of the New Shares, the Company will repay all Application Monies (without interest).

Trading of New Shares will, subject to ASX approval, occur shortly after issue and allotment. It is expected that issue and allotment of the New Shares under the Entitlement Offer will take place on Friday, 27 June 2025. Application Monies will be held by the Company on trust for Applicants until the New Shares are issued and allotted. No interest will be paid on Application Monies.

It is the responsibility of Applicants to determine the number of New Shares allotted and issued to them prior to trading in the New Shares. The sale by an Applicant of New Shares prior to receiving their holding statement is at the Applicant's own risk. The Company disclaims all liability whether in negligence or otherwise (to the maximum extent permitted by law) to persons who trade New Shares before receiving their holding statements, whether on the basis of confirmation of the allocation provided by the Company or the Share Registry or otherwise.

5.9 Reconciliation

In any entitlement offer, investors may believe that they own more Existing Shares on the Record Date than they ultimately do. This may result in a need for reconciliation to ensure all Eligible Shareholders have the opportunity to receive their full Entitlement.

The Company may need to issue a small quantity of additional New Shares to ensure all Eligible Shareholders have the opportunity to receive their appropriate allocation of New Shares. The price at which these New Shares would be issued, if required, is the same as the Offer Price.

The Company also reserves the right to reduce the Entitlement or the number of New Shares allocated to Eligible Shareholders or persons claiming to be Eligible Shareholders, if their Entitlement claims prove to be overstated, if they or their nominees/custodians fail to provide information requested to substantiate their Entitlement claims, or if they are not Eligible Shareholders.

5.10 Continuous disclosure

The Company is a "disclosing entity" under the Corporations Act and is subject to regular reporting and disclosure obligations under the Corporations Act and the Listing Rules, including the preparation of annual reports and half yearly reports.

The Company is required to notify ASX of information about specific events and matters as they arise for the purposes of ASX making that information available to the stock market conducted by ASX. In particular, the Company has an obligation under the Listing Rules (subject to certain exceptions) to notify ASX immediately of any information of which it is or becomes aware which a reasonable person would expect to have a material effect on the price or value of Shares. That information is available to the public from ASX and can be accessed at www.asx.com.au (ASX: CDX).

This Offer Booklet is intended to be read in conjunction with the publicly available information in relation to the Company which has been notified to ASX and does not include information that would be included in a disclosure document or that investors ought to have regard to in deciding whether to subscribe for New Shares under the Entitlement Offer. Investors should therefore have regard to the other publicly available information in relation to the Company before making a decision whether or not to invest.

5.11 No cooling off rights

Cooling off rights do not apply to an investment in New Shares. No valid Application can be withdrawn once it has been made.
