About TALi Digital

TALi Digital Limited (ASX: TD1) is a digital health company delivering diagnostic and therapeutic solutions to enhance attention cognitive function. The Company has built a patented platform technology with our first programs targeting cognitive attention skills during early childhood via an evidence-based screening tool (DETECT®) and training modules (TRAIN® and ReadyAttentionGo!).

These programs are designed to be play-based interactions and can be complementary to existing therapy, placing TALi at the forefront of improving early intervention for childhood attention and concentration performance, which supports our vision to deliver a personalised digital experience to enhance cognitive care.

A continuous innovation focus will see the Company deliver a series of product developments relevant to ADHD (Attention Deficit Hyperactivity Disorder) and ASD (Autism Spectrum Disorder). Learn more at talidigital.com
