## RESPONSE TO MEDIA SPECULATION AND INDICATIVE PROPOSAL FROM KINTERRA

New World Resources Limited (ASX: NWC) (“**New World**” or the “**Company**”) refers to the Australian Financial Review (“**AFR**”) article on 23 June 2025 in relation to speculation regarding the possibility of a takeover bid from Kinterra Capital.

New World confirms that it received an unsolicited, non-binding, conditional and indicative proposal from Kinterra Capital GP Corp. II in its capacity as general partner of the Kinterra Critical Materials & Infrastructure Opportunities Fund II, LP (“**Kinterra**”) on 23 June 2025 to acquire all the shares in New World that it does not already own for \$0.057 per share paid entirely in cash (“**Offer Price**”) via an off-market takeover offer (“**Indicative Proposal**”).

The Indicative Proposal is incomplete and subject to a number of conditions. There is no certainty that the Indicative Proposal will result in a binding transaction.

The Board of New World, together with its advisers, is currently undertaking a review of the Indicative Proposal. The Company is aware of its continuous disclosure obligations under ASX Listing Rules and will update shareholders as appropriate.

New World shareholders do not need to take any action at this time pending the Company’s assessment of the Indicative Proposal.

This announcement has been authorised for release by the Managing Director, Nick Woolrych.
