Microba Life Sciences Limited (ASX: MAP) (Microba or the Company), is pleased to announce that it has successfully secured commitments for its Placement under which it received strong demand from new and existing, institutional and sophisticated investors. Microba will issue approximately 138.9 million new fully paid ordinary shares (**New Shares**) at an issue price of \$0.09 per Share to raise \$12.5 million (before costs) via a two-tranche Placement.

Microba will also offer eligible shareholders in Australia and New Zealand the opportunity to participate in a Share Purchase Plan (**SPP**). Eligible shareholders will be entitled to apply for up to \$30,000 of New Shares, to raise an additional \$2.0m in gross proceeds.

Both the Placement and the SPP have an offer price of A\$0.09 (**Offer Price**) per New Share, which represents a:

- 21.7% discount to the last close price of A\$0.115 on Wednesday, 18 June 2025; and a
- 25.9% discount to the 5-day VWAP of A\$0.122.

New Shares issued under the Placement and SPP will have one unlisted attaching option (**Attaching Option**) for every two New Shares issued, with an exercise price of \$0.14 each and an expiry date of two years following their issue. Exercise of one Attaching Option will entitle the holder to one new fully paid ordinary share in the Company.

The Attaching Options will be issued subject to shareholder approval for the purpose of ASX Listing Rule 7.1. The terms of issue of the Attaching Options are contained in **Annexure B** to this ASX Announcement.

Proceeds raised under the Offer will be used to drive expanded clinical adoption of the company's core microbiome testing products, with a focus on:

- Advancing the product development roadmap to support expanded clinical adoption in Australia and the United Kingdom
- Advancing scalable sales, marketing and commercial operations in Australia and the United Kingdom
- Developing targeted clinical evidence to underpin the product roadmap and drive clinical adoption
- Strengthening working capital and balance sheet flexibility to support growth initiatives
- Offer Costs

Microba's Board and Management have demonstrated their continued support for the Company by committing to invest approximately \$290,000, on the same terms as the Placement.

Microba's largest and strategic shareholder Sonic Healthcare Limited (**Sonic**), will:

- invest approximately A\$4.16 million, resulting in its voting power remaining at 19.14% following the issue of New Shares under Tranche 1 of the Placement. Subject to approval at the Company's General Meeting, Sonic's holding will then increase from 19.14% to 21.68% following the issue of the New Shares under Tranche 2 of the Placement and the SPP³.
- subject to Shareholder approval and ASX confirmation of terms, also be issued with an option (**Sonic Option**), with a total exercise price of ~A\$4.16m convertible into shares and options, exercisable within 17 months. The number of:
 - Shares to be issued on exercise of the Sonic Option will be determined by dividing the \$A equivalent of £2m (with the GBP/AUD exchange rate detailed in the Notice of Meeting, being ~\$4.16m) by the greater of 90% of the 30-day VWAP calculated for the 30 days prior to the date on which Microba receives an Exercise Notice from Sonic and \$0.09 (**Exercise Price**).
 - Options to be issued on exercise of the Sonic Option will be on the basis of 1 option for every 4 Shares subscribed (exercisable on a 1:1 basis at a 20% premium to the Exercise Price). (**Sonic Attaching Options**).

The terms of the Sonic Option and Sonic Attaching Options are detailed in **Annexure C** to this ASX Announcement.

³ Sonic will rely on the 'creep' exception detailed in Item 9 of section 611 of the *Corporations Act 2001* (Cth) to increase its shareholding to 21.68%. Shareholder approval will, however be required given the New Shares will be issued under Tranche 2 of the Placement.

- The exercise of the Sonic Option would be subject to regulatory compliance at the time of exercise. Details with respect to potential control implications, will be contained in the Prospectus to be lodged with ASIC and the ASX on 27 June 2025.
- Separately, an exclusive Commercial Laboratory Processing Services Agreement has been signed with The Doctors Laboratory (TDL), a wholly-owned subsidiary of Sonic Healthcare Limited and the largest medical laboratory diagnostics provider in the UK. This agreement provides a two-year option for TDL provide the laboratory processing services for Microba in the UK (**Laboratory Processing Services**), build a beneficial operating partnership with Sonic in the UK region, and enable Microba to focus on scaling its international growth as software company, without the need for laboratory CAPEX and associated operational overheads. The two-year Option can be exercised by TDL at any time, and, once exercised, will result in the preparation and execution of a full form agreement, containing the commercial terms (including Service Level Agreement terms) for the provision of such Laboratory Processing Services by TDL, with a three-year Term, and an Option for TDL to extend the term for an additional three-years.

Placement details

New Shares to be issued under the Placement will rank equally in all respects with existing fully paid ordinary shares and will be issued in two tranches as follows.

- The first tranche of the Placement (Tranche 1 Placement) will result in the issue of 67,177,796 new Shares (Tranche 1 Placement Shares) and 33,588,898 Attaching Options (Tranche 1 Placement Options). The Tranche 1 Placement Shares will be issued under the Company's existing placement capacity under Listing Rules 7.1. The Tranche 1 Placement Options will be issued subject to Shareholder approval at the Company's General Meeting, which is scheduled to occur on or around Friday, 8 August 2025 (General Meeting). Settlement of the Tranche 1 Placement will occur on Thursday, 26 June 2025, with the Tranche 1 Placement Shares expected to be issued on Friday, 27 June 2025, and trading to commence on a normal settlement basis on the Australian Securities Exchange (ASX) no later than the following trading day. The Tranche 1 Placement Options will be issued following shareholder approval at the General Meeting at the same time as the securities under the Tranche 2 Placement, as detailed below.
- The second tranche of the Placement (Tranche 2 Placement) will result in the issue of 71,711,093 New Shares (Tranche 2 Placement Shares) and 35,855,546 Attaching Options (Tranche 2 Placement Options). The Tranche 2 Placement Shares and Tranche 2 Placement Options will be subject to shareholder approval at the Company's General Meeting. It is anticipated that the settlement of Tranche 2 Placement will occur on Tuesday, 12 August 2025, with the Tranche 2 Placement Shares and Tranche 2 Placement Options expected to be issued on Wednesday, 13 August 2025, and trading of the Tranche 2 Placement Shares to commence on a normal settlement basis on the ASX no later than the following trading day.

All Tranche 1 and Tranche 2 Placement Shares and shares issued on exercise of the Tranche 1 and Tranche 2 Placement Options will rank equally with the Company's existing shares on issue.

The Tranche 1 Placement Options and Tranche 2 Placement Option will be issued under the transaction specific Prospectus containing the SPP Offer.

Canaccord Genuity (Australia) Limited and Morgans Corporate Limited acted as Joint Lead Managers to the Placement.

Share Purchase Plan

Microba also intends to launch a fully underwritten SPP to raise up to \$2.0 million. The SPP will provide eligible shareholders with the opportunity to apply for up to \$30,000 worth of New Shares and one Attaching Options (together **SPP Securities**) at the offer price of \$0.09 per New Share. The SPP Securities are also subject to Shareholder approval at the General Meeting.

All New Shares and shares issued on exercise of the Attaching Options issued under the SPP will rank equally with the Company's existing shares on issue.

The terms and conditions under which Eligible Shareholders may apply will be outlined in a transaction specific Prospectus, which is expected to be lodged with ASIC and dispatched to Eligible Shareholders on Friday, 27 June 2025 (**Prospectus**). The Prospectus is expected to be available on the ASX website on Friday, 27 June 2025.

Eligible Shareholders should carefully consider the Prospectus before deciding to apply for the SPP Securities under the SPP Offer.

Eligible Shareholders who wish to participate in the SPP Offer will need to complete the Application Form accompanying the Prospectus.

Existing shareholders with a registered address outside Australia and New Zealand on the Record Date or who are acting for the account or benefit of persons in the United States will be ineligible to participate in the SPP.

The SPP is underwritten by Canaccord Genuity (Australia) Limited and Morgans Corporate Limited

The material terms of the Underwriting Agreement are contained in **Annexure A** to this ASX Announcement.

Guidance and ~3 Year Strategic Objectives⁴

Further to the FY25 Revenue guidance provided to the ASX on 30 April 2025, Microba is pleased to provide the following updates:

- Narrowed the FY25 Revenue guidance from \$15.25 - \$16.25 million to \$15.4 - \$16 million;
- By the end of FY26, Microba is expecting to achieve regional break-even points in Australia and United Kingdom. This guidance is based on the assumption of expanding clinical adoption with core test volumes >24,000 to deliver >100% year on year core test growth;
- Approximately 3 year Strategic Objective to target group breakeven, through continued strong penetration of innovator & early adopter clinicians across 4 core regions. This strategic objective is based on the assumption that both Australia and the United Kingdom continue to experience strong year-on-year growth, along with initial market entry and momentum in the first state targeted in the United States and initial market entry and momentum in the first country targeted in Europe.

Indicative Offer timetable

The indicative timetable for the Offer is provided below:

Indicative Offer Timetable Event	Time and Date
