Dear Ms Lombardi,

ASTRON CORPORATION LIMITED – REQUEST FOR TRADING HALT

I refer to our telephone conversation earlier today.

Astron Corporation Limited (ASX: **ATR**) (**Astron**) requests an immediate trading halt in ATR's securities pending an announcement to be made by Astron to the market in connection with its Work Plan application regarding the construction and operation of the Donald Rare Earths and Mineral Sands Project.

For the purposes of ASX Listing Rule 17.1, Astron provides the following information:

1. Astron expects that the trading halt will remain in place until the commencement of trading on 27 June 2025 unless, before that time, Astron requests that the trading halt be lifted.
2. Astron is not aware of any reason why the trading halt should not be granted by ASX and does not believe that there is any further information which needs to be disclosed to the market at the time of seeking the trading halt.

If you have any queries, please do not hesitate to contact me.

Yours sincerely

Astron Corporation Limited
