Re: Request for Temporary Suspension under Listing Rule 17.2 – Inventis Limited (ASX: IVT)

Pursuant to ASX Listing Rule 17.2, Inventis Limited (“Inventis” or “the Company”) hereby formally requests that ASX suspend trading in Inventis securities with effect from the commencement of trading on Wednesday, 25 June 2025, or as soon thereafter as practicable.

The suspension is sought to allow the Board and Management sufficient time to complete the announcement necessary to release the current trading halt, given the request for more information from the ASX received this morning. The suspension will allow sufficient time for the ASX to review the amended announcement and make any further changes necessary.

Accordingly, Inventis requests that the suspension remain in place until the earlier of:

- the release of an announcement to the market; and
- the commencement of trading on Friday, 27 June 2025 (being two (2) business days from the date of this request).

The Company confirms that:

1. it is not aware of any reason why the suspension request should be declined by ASX; and

Inventis undertakes to issue an ASX announcement promptly upon finalisation and review of the announcement by the ASX, if earlier, upon expiry of the requested suspension period.
