**About the Magellan Infrastructure Fund (Currency Hedged) – Active ETF**

The Fund’s primary investment objective is to achieve attractive risk-adjusted returns over the medium to long-term while reducing the risk of permanent capital loss through investment in a portfolio of high quality companies that meet Magellan’s definition of infrastructure. The Fund aims to invest in companies that generate the dominant part of their earnings from the ownership of infrastructure assets. The Fund’s portfolio will comprise 20 to 40 investments with some exposure to cash. The capital component of the foreign currency exposure of the Fund is intended to be substantially hedged.
