**Estimated distribution for the period ending 30 June 2025**

Set out below is information relating to the estimated distribution for Firetrail Australian Small Companies Fund – Active ETF (**FSML**) for the period ending 30 June 2025.

The estimated distribution for FSML is \$0.00116347 but may change due to variables, including realisation of any capital gains or losses in the underlying portfolio and changes to the number of units on issue which are entitled to the distribution.

A summary of the key dates, in the event that a distribution is payable, are as follows:

Key Dates	
Announcement date	26 June 2025
Ex-distribution date	1 July 2025
Record date	2 July 2025
DRP Election Date	3 July 2025
Announcement of final distribution	3 July 2025
Payment Date	11 July 2025

Distributions are calculated on the number of units held by you as at the record date. The estimated / final distribution calculated for FSML will lead to an equivalent reduction in FSML's net asset value from the ex-distribution date.

Distributions for unitholders who have not made an election to receive cash, in relation to their participation in the Distribution Reinvestment Plan (**DRP**) by 5pm on 3 July 2025 will be automatically reinvested in accordance with the **DRP** Rules, available at the Firetrail FSML website.

For unitholders who have elected to receive their distribution as cash, FSML is adopting direct crediting of distribution payments as this is a more secure and convenient way to receive payments. Unitholders who have elected to receive their distribution as cash and do not provide Australian financial institution account details will have their distribution payments set aside and retained on their behalf. To avoid distribution payments being delayed, unitholders should provide their payment instructions to the unit registry before the Record Date.
