**Request for trading halt: IKEGPS GROUP LIMITED (NZX:IKE, ASX:IKE)**

We request a trading halt be applied to ikeGPS Group Limited's (*IKE*) ordinary shares (ISIN NZIKKE0001S9) under NZX Listing Rule 9.9.1(a) and ASX Listing Rule 17.1, and set out below the details of the request as per the rules of each of NZX and ASX.

We would like the trading halt to commence from the commencement of trading on 10 July 2025 and be lifted at the earlier of: (i) an announcement of completion of the Placement discussed below; and (ii) commencement of trading for quoted equity securities on 14 July 2025.

**Reasons for trading halt, including impact of event on fair orderly or transparent markets:** IKE is proposing to undertake a fully underwritten equity placement to institutional and other select investors of approximately A\$18 million (approximately NZ\$19.6 million) (the *Placement*), and has engaged Shaw and Partners Limited and Unified Capital Partners Pty Ltd as underwriters and to assist IKE with the Placement bookbuild. IKE also proposes to undertake a non-underwritten share purchase plan of approximately A\$2 million (approximately NZ\$2.2 million) that will follow the Placement.

IKE considers that the trading halt is desirable to enable IKE to conduct the Placement bookbuild and determine the allocation of shares. IKE considers that, but for the trading halt, the Placement process would impact a fair, orderly or transparent market as information about the Placement or take up by investors may be known by some market participants and not others, so the market would not be trading on a fully informed basis.

As soon as the Placement and the allocation of shares under the Placement are completed, IKE will be in a position to release details of the results of the Placement to the market. IKE believes that such information will be price sensitive.

**How long we want the trading halt to last and why:** We would like the trading halt to last up to two trading days, commencing from the commencement of trading today, 10 July 2025, until the earlier of: (i) announcement of completion of the Placement; and (ii) commencement of trading for quoted equity securities on 14 July 2025.

**The event we expect to happen that will end the trading halt:** Announcement of the outcome of the Placement by IKE.

We confirm that we are not aware of any reason why the trading halt should not be granted, or of any other information necessary to inform the market about the trading halt.
