Takeover Bid Implementation Agreement executed with Iris

Reef Corporate Services Limited ABN 66 057 599 621 (**RCSL**), in its capacity as responsible entity of the Reef Casino Trust ARSN 093 156 293 (**RCT**) (ASX:RCT), is pleased to announce that it has entered into a Takeover Bid Implementation Agreement (**TIA**) with Iris Cairns Property Pty Ltd (ACN 686 055 514) as trustee for the Iris Cairns Property Trust (ABN 37 481 296 645 (**Iris**)).

Overview

Subject to the terms of the TIA, Iris will make an off-market cash takeover bid to acquire all of the ordinary units in RCT (**Offer**). If the Offer proceeds, and is successfully completed, RCT unitholders (**Unitholders**) will receive approximately A\$177 million in aggregate (being \$3.5541 per unit in respect of the 49,801,036 fully paid units on issue in RCT (**Units**)).

The Independent Board Committee established by RCSL (**IBC**) has considered the Offer and the Directors (both independent and non-independent) unanimously recommend that Unitholders accept the Offer. The Directors' recommendation is subject to:

- there being no superior proposal;
- the regulatory conditions being satisfied by, or not becoming incapable of being satisfied before, the end of the Offer period (provided that, in either case, ASIC has either consented to the withdrawal of the Offer or the Offer period has ended and Iris is not required to proceed with the Offer); and
- the appointed Independent Expert determining that the Offer is either fair and reasonable, or not fair but reasonable, and that certain other transactions contemplated by the TIA do not amount to a net benefit (**Reasonable Opinion**).

As at the date of this announcement, no superior proposal has emerged.

The proposed takeover has the unanimous support of the RCSL Board, and all of the Directors also intend to accept the Offer in respect of all the Units they hold or control after the satisfaction or waiver of the Regulatory Conditions,¹ in the absence of a superior proposal and subject to the Independent Expert giving (and not revoking) a Reasonable Opinion.

¹ Refer to the definition of 'Regulatory Conditions' in Schedule 1 of the TIA. These conditions broadly relate to casino and liquor licensing approvals, all approvals required under the Foundation Agreement and ACCC non-objection.

RCT's two largest Unitholders — Accor and Casinos Austria International, who collectively have a relevant interest in more than 70% of the units in RCT — have advised RCT of their support for the Offer, and have confirmed that they intend to accept the Offer in respect of all of their RCT units within 21 days from the opening of the offer period in the absence of a superior proposal and subject to the Independent Expert giving (and not revoking) a Reasonable Opinion. These Unitholders have also confirmed that once they accept the Offer, they will not exercise any withdrawal rights if the Offer period is extended because of the non-satisfaction of the gaming regulatory approval or minimum acceptance conditions at the time a withdrawal right is available, subject to there being no superior proposal and the Independent Expert giving (and not revoking) a Reasonable Opinion.

Offer premium

The Offer represents a significant premium to the current trading price of RCT's Units, valuing the total equity of RCT at approximately \$177 million.

The Offer price of \$3.5541 cash per Unit represents:

- a 17.69% premium to the closing Unit price of \$3.02 on 11 July 2025;
- a 30.19% premium to the closing Unit price of \$2.73 on 25 February 2025, being the last trading day that Units traded on the ASX prior to the date that RCT announced that it had received a proposal from Iris; and
- a 32.07% premium to the 3-month volume weighted average price of Units to 25 February 2025 of \$2.691 per Unit.

Implementation

The Offer will be subject to conditions including:

- an 80% minimum acceptance condition;
- casino and liquor licensing approvals, including in respect of the Foundation Agreement with the State of Queensland;
- ACCC non-objection;
- no material adverse change having occurred in relation to RCT;
- share purchase agreements pursuant to which Iris has agreed to acquire all of the issued shares in:
 - RCSL (the responsible entity of RCT); and
 - Casinos Austria International (Cairns) Pty Ltd (the operator of The Reef Hotel Casino) (**CAIC**),becoming unconditional (other than any condition in relation to the Offer becoming unconditional); and
- no prescribed occurrences and various other customary conditions.

The full set of conditions is set out in Schedule 2 to the TIA. The TIA also includes customary exclusivity provisions for Iris' benefit, including a break fee, no talk, no shop and a right to match competing proposals. In accordance with these exclusivity provisions, RCSL (in its capacity as responsible entity of RCT) has ceased engaging in discussions regarding a proposed control transaction with any other

interested third party as at the date of this announcement.

RCT may also be entitled to receive a reverse break fee from Iris in certain circumstances, including where the Regulatory Conditions are not satisfied (and Iris is not entitled to exercise certain rights of termination in respect of the TIA).

A complete copy of the TIA, which includes further details of the conditions and implementation process, is attached to this announcement.

Benefits of the offer

- The Offer provides Unitholders with the opportunity to receive a certain cash return relative to their Units.
- The Offer price of \$3.5541 cash per Unit is materially above the trading price of Units on the ASX before the date of announcement. The Offer price is also at a material premium to the historic trading performance of RCT.

The chair of the IBC, Ms Wendy Morris, said: *“We are pleased to have reached agreement with Iris in relation to a transaction that will deliver value to Unitholders. The Independent Board Committee believes that the Offer represents a compelling premium to the recent and historical market price of RCT units.”*

Next steps

An indicative timetable for the Offer is set out in Schedule 3 of the TIA, the terms of which are subject to change in accordance with the Corporations Act and the TIA. Iris intends to send its Bidder’s Statement to RCT Unitholders between 10 September 2025 and 12 September 2025. Following that, RCT will provide Unitholders with its detailed recommendation in its Target’s Statement, to be sent to Unitholders on or around 29 September 2025, after dispatch of the Bidder’s Statement.

The Target’s Statement will include an independent expert’s report. Lonergan Edwards & Associates Limited (**Independent Expert**) has been retained by RCT to prepare an independent expert’s report on the fairness and reasonableness of the Offer, and as to whether the share purchase agreements in respect of RCSL and CAIC constitute a net benefit. Details of the Independent Expert’s opinion will be included in the Target’s Statement.

In accordance with its continuous disclosure obligations, RCT will keep Unitholders informed of any material developments as the transaction progresses.

Advisers

RCSL, in its capacity as responsible entity of RCT, is being advised by Herbert Smith Freehills Kramer as legal adviser and Morgans Corporate Limited as financial adviser. Iris is being advised by Gilbert + Tobin. RCT’s two largest Unitholders, Accor and Casinos Austria International, are being advised by King & Wood Mallesons.

- For personal use only
- (c) Subject to clause 4.5(d), Target will, and will cause the senior management of Target to, provide Bidder and its Representatives with reasonable access to such officers and senior executives, documents, records, premises, sites, locations and other information which Bidder reasonably requires for the sole purposes of:
 - (i) implementing the Transaction;
 - (ii) preparing for controlling the conduct of the business of Target following implementation of the Transaction; or
 - (iii) obtaining any of the Regulatory Approvals.
 - (d) Nothing in this clause 4.5 requires the Target to provide access to information or to its officers, employees:
 - (i) concerning its directors' and management's consideration of, or advice received in relation to, the Bid or a Competing Transaction; or
 - (ii) that, in the reasonable opinion of the Target, places an unreasonable burden on the ability of Target to operate its business, would be a breach of any applicable law (including the ASX Listing Rules), would require the Target to make any disclosure that would or may compromise legal privilege, or would breach an existing confidentiality obligation owed to a third party, provided that Target has used reasonable endeavours to identify an alternative way in which such information could be provided without such breach or compromise.
 - (e) Clauses 4.5(a) to 4.5(c) cease to apply upon the IBC Directors changing or withdrawing their recommendation in circumstances permitted by this agreement.

4.6 Integration planning

- (a) The parties must work together in good faith to commence planning for the merger and integration of Target and Bidder following the close of the Offer.
- (b) As soon as practicable after the date of this agreement, the parties will constitute an operational committee which may consist of members of the management team of each of Bidder and Target and such other persons as Bidder and Target may agree from time to time. The role of the operational committee is to act as a forum for the consideration and planning of the integration of the merged Bidder and Target business.
- (c) As soon as practicable after the date of this agreement, Target and Bidder must seek to identify any change of control or similar provisions in Material Contracts to which Target is a party and which may be triggered by the implementation of the Transaction. In respect of those contracts:
 - (i) Target and Bidder will use reasonable endeavours to agree a proposed course of action and then jointly initiate contact with the relevant counter-parties and request that they provide any consents required;
 - (ii) the parties must cooperate with each other and use reasonable endeavours to obtain such consents as expeditiously as possible in accordance with the agreed course of action; and

- (iii) a failure to obtain any third party consent or confirmation, or the exercise of a termination right by a counterparty, will not constitute a breach of this agreement by the Target.
- (d) Clause 4.6 (other than clause 4.6(c)(iii) and this clause 4.6(d)) ceases to apply upon the IBC Directors changing or withdrawing their recommendation.

4.7 Appointment of Directors to Target Board

Target warrants to Bidder that each Director has confirmed to it that he or she will, and Target must procure that the Target Board will:

- (a) take all actions necessary to ensure the nominees of Bidder are lawfully appointed as directors of Target, subject to such nominees first obtaining any necessary probity approvals and written consents to act, and those existing Directors identified by Bidder resign such that the Bidder nominees represent a majority of the Target Board once Bidder acquires a Relevant Interest of more than 50% and the Offer has become or is declared unconditional; and
- (b) as soon as practicable after Bidder acquires a Relevant Interest in 80% or more of the Target Units and the Offer becomes or is declared unconditional, and subject at all times to the Casino Agreements, ensure that all except for one of the non-Bidder nominees on the Target Board resign,

provided that a proper board is constituted at all times and that Bidder procures that its appointees to the Target Board do not participate in decisions of the Target Board in relation to the Offer until after the End Date.

5 Public announcements

- (a) Subject to clause 5(b), before making any public announcement in relation to the Transaction or the other party (whether to ASX or otherwise), the Bidder and the Target must provide the other party (as applicable) with a draft copy of such public announcement as soon as reasonably practicable before it is proposed that such public announcement is made, and must give the other party a reasonable opportunity to comment on the form and content of the draft announcement and must take into account all reasonable comments from the other party and its Representatives on the draft.
- (b) Target will only be required to comply with clause 5(a) if and to the extent that compliance would not result or be likely to result in Target breaching its continuous disclosure obligations.

6 Exclusivity

6.1 No existing discussion

- (a) Target represents and warrants to Bidder that as at the date of this agreement neither it, nor any of its Representatives is a party to any agreement with a third party entered into for the purpose of facilitating a Competing Transaction, other than any confidentiality agreements entered into prior to the date of this agreement; and
- (b) Target represents and warrants to Bidder that immediately following release of the Agreed Public Announcement neither it, nor any of its Representatives will be

involved in any discussions or negotiations with any person that concern, or could reasonably be expected to lead to, a Competing Transaction and it will, immediately following release of the Agreed Public Announcement cease any such discussions or negotiations to the extent that they were on foot prior to the date of this agreement.

6.2 No shop

During the Exclusivity Period, Target must not, and must ensure that each of its Representatives does not, directly or indirectly, solicit, invite, encourage or initiate (including by the provision of non-public information to any third party) any enquiries, expressions of interest, offers, proposals, negotiations or discussions in relation to a Competing Transaction or which might reasonably be expected to lead to a Competing Transaction, or communicate to any person an intention to do anything referred to in this clause 6.

6.3 No talk

- (a) Subject to clause 6.6, during the Exclusivity Period, Target must not, and must ensure that each of its Representatives does not:
- (i) directly or indirectly enter into, continue or participate in negotiations or discussions with any other person regarding, or that could reasonably be expected to lead to, a Competing Transaction being made, enquired about, negotiated or discussed, even if:
 - (A) those negotiations or discussions were not directly or indirectly encouraged, solicited, invited or initiated by Target or any of its Representatives; or
 - (B) that person has publicly announced their Competing Transaction;
 - (ii) accept, enter into any agreement, arrangement or understanding of any kind (whether written or verbal, binding or non-binding, express or implied or enforceable or unenforceable) regarding a Competing Transaction (**Competing Agreement**) (whether or not a Competing Transaction has actually been made); or
 - (iii) communicate to any person any intention to do any of the things referred to in clause 6.3(a)(i) or 6.3(a)(ii).
- (b) Nothing in clause 6.3(a) prevents Target or any of its Representatives from:
- (i) making normal presentations to, or responding to enquiries from, brokers, portfolio investors and analysts in the ordinary course of business or promoting the merits of the Offer or the business generally;
 - (ii) providing information to the Target's auditors, advisers, lenders, customers, contractors and suppliers acting in that capacity and in the ordinary and usual course of business;
 - (iii) providing information required to be provided by law, including to satisfy its obligations of disclosure under the ASX Listing Rules or to any Government Agency;
 - (iv) engaging with Target Unitholders (in their capacity as a unitholder in the Trust) in the ordinary course and consistent with past practice in relation to

the Target, provided that such engagement does not relate to the Target soliciting, inviting, encouraging or initiating an actual or potential Competing Transaction; or

- (v) communicating and participating in discussions with any person solely for the purpose of:
 - (A) acknowledging receipt of an inquiry, expression of interest, offer or proposal; or
 - (B) advising any person that Target is unable to engage in respect to that inquiry, expression of interest, offer or proposal at the relevant time.

6.4 No due diligence

- (a) Subject to clause 6.6, during the Exclusivity Period, Target must not, and must ensure that each of its Representatives does not:
 - (i) solicit, invite, initiate, or encourage, or facilitate or permit, any person (other than Bidder) to undertake due diligence investigations in respect of the Target, or any of its business and operations, in connection with such person formulating, developing or finalising, or assisting in the formulation, development or finalisation of, a Competing Transaction; or
 - (ii) make available to any other person or permit any other person to receive any non-public information relating to Target or any of its business, assets or operations, in connection with such person formulating, developing or finalising, or assisting in the formulation, development or finalisation of, a Competing Transaction (**Diligence Information**).
- (b) Before Target provides a third party with Diligence Information, it must first enter into a binding confidentiality agreement with that party on customary terms which, in any event and taken as a whole, is no less favourable to Target than the confidentiality agreement with the Bidder.
- (c) If Target provides a third party with Diligence Information, it must provide a copy of the Diligence Information not already made available to Bidder, to the Bidder, at the same time as it is provided to the third party.

6.5 Notification of approaches

- (a) During the Exclusivity Period, Target must, as soon as reasonably practicable (and, in any event, within two Business Days) notify Bidder in writing if:
 - (i) it proposes to take, or is approached by any person to take, any action of a kind that is set out in clause 6.2, 6.3 or 6.4; or
 - (ii) it or any of its Representatives directly or indirectly receives any approach, inquiry or proposal (whether written or verbal) from any person regarding, or that could reasonably be expected to lead to, a Competing Transaction.
- (b) A notice given under this clause 6.5 must be accompanied by all material details of the relevant event, which details will, for the avoidance of doubt, include the following (to the extent applicable):

- For personal use only
- (i) all material terms of the Competing Transaction (including the consideration proposed to be offered under that transaction and any conditions to which that transaction would be subject); and
 - (ii) the identity of the relevant person(s) who has proposed the Competing Transaction (or on whose behalf the Competing Transaction was proposed, as the case may be) unless the IBC Directors have first determined, in good faith, and in what the IBC Directors consider to be in the best interest of the Target and Target Unitholders, and after receiving written advice from their external lawyers, that providing such identity would, or would be reasonably likely to, constitute a breach of any of the IBC Directors' fiduciary or statutory duties.

6.6 Exceptions to no talk and no due diligence

The restrictions in clauses 6.3 and 6.4 do not apply to the extent that they restrict Target or the IBC Directors from taking or refusing to take any action with respect to any actual, proposed or potential Competing Transaction (which was not encouraged, solicited, invited or initiated in contravention of clause 6.2, 6.3 or 6.4) provided that in the opinion of each IBC Director, formed in good faith:

- (a) after consultation with Target's external legal or financial advisers (as applicable), the Competing Transaction would be, or could reasonably be expected to lead to, a transaction which is, more favourable to Target Unitholders than the Bid, after taking into account all aspects of the Competing Transaction; and
- (b) after receiving written advice from external legal or financial advisers (as applicable) that taking or failing to take the action with respect to the Competing Transaction would, or would be reasonably likely to, involve a breach of the fiduciary or statutory obligations of each IBC Director.

6.7 Matching Right

- (a) Without limiting Target's obligations under clauses 6.4(b) and 6.5, if any IBC Director proposes to (whether or not subject to conditions) either:
 - (i) change, withdraw or modify his or her recommendation of the Offer; or
 - (ii) approve or recommend entry into any agreement, commitment, arrangement or understanding relating to the Competing Transaction (**Rival Transaction**),the Target must give Bidder written notice (**Relevant Notice**) of such proposed change of recommendation.
- (b) A Relevant Notice must include:
 - (i) all the material terms and conditions (including identity of the proposed bidder, price, conditions precedent, timetable and break fee (if any)) of the Rival Transaction, unless the IBC Directors have first determined, in good faith, and in what the IBC Directors consider to be in the best interest of the Target and Target Unitholders, and after receiving written advice from its external lawyers, that providing such identity would, or would be reasonably likely to, constitute a breach of any of the IBC Directors' fiduciary or statutory duties;

- For personal use only
- (ii) a copy of any material confidential information concerning Target provided to any person associated with the Rival Transaction which has not previously been provided to Bidder; and
 - (iii) details of the basis upon which the IBC Director intends to change, withdraw or modify his or her recommendation.
- (c) Bidder will have the right, but not the obligation, at any time during the period of five Business Days following receipt of a Relevant Notice (**Matching Right Period**), to amend the terms of the Offer (including, but not limited to, increasing the amount of consideration offered under the Bid or proposing any other form of transaction (each a **Counter Proposal**)). If it does so, the IBC Directors must review the Counter Proposal in good faith. If a majority of the IBC Directors determine that the Counter Proposal would be as favourable (as a whole) to Target Unitholders as the Rival Transaction:
- (i) Target and Bidder must use all reasonable endeavours to, as soon as practicable, enter into the necessary documentation to give effect to the Counter Proposal; and
 - (ii) Target must:
 - (A) use all reasonable endeavours to procure that each of the IBC Directors recommends the Counter Proposal to Target Unitholders (subject to there being no Superior Proposal and the Independent Expert continuing to give the Reasonable Opinion) and does not recommend the Rival Transaction;
 - (B) not enter into a Competing Agreement in respect of the Rival Transaction; and
 - (C) continue to comply with its obligations under this agreement.
- (d) Without limitation to any other part of this agreement, during the Matching Right Period:
- (i) no IBC Director is permitted to change, withdraw or modify his or her recommendation of the Offer or to make any public statement to the effect that he or she may do so at some future point in time (provided that a statement that no action should be taken by Target Unitholders pending assessment of a Competing Transaction by the IBC and the Target's advisers will not contravene this clause); and
 - (ii) Target must not enter into any agreement, arrangement or understanding in respect of the Rival Transaction.
- (e) For the purposes of this clause 6.7, each successive material modification to a Rival Transaction will constitute a new Rival Transaction in respect of which Target must comply with its obligations under this clause 6.7.

7 Break Fees

7.1 Acknowledgment

- (a) Each of the Bidder and the Target acknowledges that, if they enter into this agreement and the Bid does not succeed, it will have incurred significant costs and losses, including significant opportunity costs.
- (b) In the circumstances referred to in clause 7.1(a), each party acknowledges and agrees that the costs and losses that have been and will be incurred by Bidder or the Target (respectively) under this clause 7.1 will be of such nature that they cannot accurately be ascertained, but that the Target Break Fee and Bidder Break Fee (respectively) are each a genuine and reasonable estimate of those costs and losses and have each been calculated to reimburse the Bidder or Target (as applicable) for those costs and losses.
- (c) Target represents and warrants to Bidder that:
 - (i) it has received legal advice on this agreement and the operation of this clause 7; and
 - (ii) it considers this clause 7 to be fair and reasonable and that it is appropriate to agree the terms in this clause 7 in order to secure the benefits to it (and Target Unitholders) if the Bid is successful.

7.2 Target Break Fee

Subject to clause 7.5, Target must pay Bidder the Target Break Fee (plus any GST, only once and without set-off or withholding), within 10 Business Days after receiving a written demand from Bidder, if any of the following occur:

- (a) any IBC Director fails to make, or makes and then withdraws, revises, revokes or qualifies, a recommendation to Target Unitholders to accept the Offer (whether or not that failure, withdrawal, revocation, qualification or revision is otherwise in breach of this agreement), unless Target is entitled to terminate this agreement and has given notice of termination pursuant to clause 10.1(b)(i), clause 10.1(b)(ii) (provided that the Independent Expert has not failed to give, or given and then withdrawn, the Reasonable Opinion where the sole reason or dominant reason for the Independent Expert doing so is due to the existence of any Competing Transaction), or clause 10.1(b)(iii);
- (b) any IBC Director publicly endorses or otherwise publicly supports or assists with the implementation of a Competing Transaction or any other third-party proposal to directly or indirectly acquire:
 - (i) Target Units; or
 - (ii) the whole or a substantial part of Target's assets, business or property,

unless Target is entitled to terminate this agreement and has given notice of termination pursuant to clause 10.1(b)(i), clause 10.1(b)(ii) (provided that the Independent Expert has not failed to give, or given and then withdraws, the Reasonable Opinion, where the sole reason or dominant reason for the Independent Expert doing so is due to the existence of any Competing Transaction) or clause 10.1(b)(iii); or

- For personal use only
- (c) a Competing Transaction is announced or occurs during the Exclusivity Period and, within 12 months of the Competing Transaction being announced, the Competing Transaction results in a person or persons (either alone or in aggregate, other than Bidder) obtaining control of Target or acquiring (either alone or in aggregate) a legal, beneficial or economic interest in or control of, 20% or more of the Target Units;
 - (d) Bidder is entitled to terminate this agreement and has given written notice of termination under clause 10.1(a), excluding under:
 - (i) clause 10.1(a)(iii) in circumstances where the Target is entitled to terminate this agreement and has given written notice of termination in accordance with clause 10.1(b)(i), 10.1(b)(ii) (provided that the Independent Expert has not failed to give, or given and then withdrawn, the Reasonable Opinion where the sole reason or dominant reason for the Independent Expert doing so is due to the existence of any Competing Transaction) or 10.1(b)(iii); and
 - (ii) clause 10.1(a)(iv) and 10.1(a)(vi).

For the avoidance of doubt, the Break Fee is not payable if the Offer becomes or is declared unconditional and Bidder obtains a relevant interest in at least 80% of Target Units, and if the Break Fee has already been paid to Bidder it must be refunded by Bidder within 10 Business Days after the date on which Bidder acquires a Relevant Interest in at least 80% of Target Units.

7.3 Bidder Break Fee

Subject to clause 7.5, Bidder must pay Target the Bidder Break Fee (plus any GST, only once and without set-off or withholding), within 10 Business Days after receiving a written demand from Target, if at any time following the date of this agreement and before the end of the Offer Period the Target terminates this agreement in accordance with clause 10.1(b)(i) or the Regulatory Conditions are not satisfied or have not been waived by the End Date for any reason unless Bidder is entitled to terminate this agreement and has given notice of termination pursuant to clauses 10.1(a)(i), 10.1(a)(ii), 10.1(a)(iii) or 10.1(a)(v).

7.4 Basis of Break Fees

The Target Break Fee and Bidder Break Fee have been calculated to reimburse the Bidder and Target (respectively) for:

- (a) fees for legal, financial and other professional advice in planning and implementing the Bid;
- (b) reasonable opportunity costs incurred in engaging in the Bid or in not engaging in other alternative acquisitions or strategic initiatives;
- (c) costs of its management and directors' time in planning and implementing the Bid;
- (d) out of pocket expenses incurred by the party's employees, advisers and agents in planning and implementing the Bid;
- (e) any damage to the party's reputation associated with a failed transaction and the implications of that damage if the party seeks to execute alternative acquisitions in the future; and

- (f) losses associated with any damage to the party's goodwill with its customers, suppliers, licensors or employees,

incurred by the Bidder or Target (respectively) directly or indirectly as a result of pursuing the Bid.

7.5 Compliance with law

- (a) If it is finally determined following the exhaustion of all reasonable avenues of appeal to the Takeovers Panel or a court that all or any part of the Break Fee:

- (i) is unlawful;
- (ii) involves a breach of directors' duties; or
- (iii) constitutes unacceptable circumstances or breaches an order of the Takeovers Panel,

(Challenged Amount) then:

- (iv) the requirement to pay the Break Fee does not apply to the extent (but only to the extent) of the Challenged Amount; and
 - (v) if the Bidder or Target (as applicable) has received the Challenged Amount, it must refund it within 10 Business Days of the final determination being made.
- (b) The parties must not make, or cause or permit to be made, any application to a court or the Takeovers Panel for or in relation to a determination referred to in clause 7.5(a).

7.6 Break Fee only payable once

- (a) If the Target pays the Target Break Fee to the Bidder and the amount paid does not become a Challenged Amount under clause 7.5 or is not otherwise required to be refunded under this clause 7, then Bidder cannot make any claim against Target for payment of any additional or further Break Fee.
- (b) If Bidder pays the Bidder Break Fee to Target and the amount paid does not become a Challenged Amount under clause 7.5 or is not otherwise required to be refunded under this clause 7, then Target cannot make any claim against Bidder for payment of any additional or further Break Fee.

7.7 Limitation of liability

- (a) Notwithstanding any other provision of this agreement, except in relation to a wilful or intentional breach of this agreement, each party acknowledges and agrees that:
 - (i) the maximum liability of a party to the other party under or in connection with this agreement will be the Break Fee and in no event will the aggregate liability of either party under or in connection with this agreement or any claim exceed the amount of the Break Fee;
 - (ii) subject to clause 7.7(b), payment of the Break Fee by a party is the sole and exclusive remedy available to the other party in connection with any event or occurrence referred to in this clause 7, and neither party is:

- (A) liable for any loss or damage arising in connection with any such event or occurrence other than the Break Fee under this clause 7; or
- (B) entitled to seek any other remedies which would otherwise be available in equity or law as a remedy for a breach or threatened breach of this agreement by any party.
- (b) In the event of any claim, either party may seek specific performance or injunctive relief.
-

Reef Corporate Services Limited ABN 66 057 599 621 (**RCSL**), in its capacity as responsible entity of the Reef Casino Trust ARSN 093 156 293 (**RCT**) (ASX:RCT), is pleased to announce that it has entered into a Takeover Bid Implementation Agreement (**TIA**) with Iris Cairns Property Pty Ltd (ACN 686 055 514) as trustee for the Iris Cairns Property Trust (ABN 37 481 296 645 (**Iris**)).

Overview

Subject to the terms of the TIA, Iris will make an off-market cash takeover bid to acquire all of the ordinary units in RCT (**Offer**). If the Offer proceeds, and is successfully completed, RCT unitholders (**Unitholders**) will receive approximately A\$177 million in aggregate (being \$3.5541 per unit in respect of the 49,801,036 fully paid units on issue in RCT (**Units**)).

The Independent Board Committee established by RCSL (**IBC**) has considered the Offer and the Directors (both independent and non-independent) unanimously recommend that Unitholders accept the Offer. The Directors' recommendation is subject to:

- there being no superior proposal;
- the regulatory conditions being satisfied by, or not becoming incapable of being satisfied before, the end of the Offer period (provided that, in either case, ASIC has either consented to the withdrawal of the Offer or the Offer period has ended and Iris is not required to proceed with the Offer); and
- the appointed Independent Expert determining that the Offer is either fair and reasonable, or not fair but reasonable, and that certain other transactions contemplated by the TIA do not amount to a net benefit (**Reasonable Opinion**).

As at the date of this announcement, no superior proposal has emerged.

The proposed takeover has the unanimous support of the RCSL Board, and all of the Directors also intend to accept the Offer in respect of all the Units they hold or control after the satisfaction or waiver of the Regulatory Conditions,¹ in the absence of a superior proposal and subject to the Independent Expert giving (and not revoking) a Reasonable Opinion.

¹ Refer to the definition of 'Regulatory Conditions' in Schedule 1 of the TIA. These conditions broadly relate to casino and liquor licensing approvals, all approvals required under the Foundation Agreement and ACCC non-objection.

interested third party as at the date of this announcement.

RCT may also be entitled to receive a reverse break fee from Iris in certain circumstances, including where the Regulatory Conditions are not satisfied (and Iris is not entitled to exercise certain rights of termination in respect of the TIA).

Benefits of the offer

- The Offer provides Unitholders with the opportunity to receive a certain cash return relative to their Units.
- The Offer price of \$3.5541 cash per Unit is materially above the trading price of Units on the ASX before the date of announcement. The Offer price is also at a material premium to the historic trading performance of RCT.

The chair of the IBC, Ms Wendy Morris, said: *“We are pleased to have reached agreement with Iris in relation to a transaction that will deliver value to Unitholders. The Independent Board Committee believes that the Offer represents a compelling premium to the recent and historical market price of RCT units.”*

Next steps

An indicative timetable for the Offer is set out in Schedule 3 of the TIA, the terms of which are subject to change in accordance with the Corporations Act and the TIA. Iris intends to send its Bidder’s Statement to RCT Unitholders between 10 September 2025 and 12 September 2025. Following that, RCT will provide Unitholders with its detailed recommendation in its Target’s Statement, to be sent to Unitholders on or around 29 September 2025, after dispatch of the Bidder’s Statement.

The Target’s Statement will include an independent expert’s report. Lonergan Edwards & Associates Limited (**Independent Expert**) has been retained by RCT to prepare an independent expert’s report on the fairness and reasonableness of the Offer, and as to whether the share purchase agreements in respect of RCSL and CAIC constitute a net benefit. Details of the Independent Expert’s opinion will be included in the Target’s Statement.

In accordance with its continuous disclosure obligations, RCT will keep Unitholders informed of any material developments as the transaction progresses.
