Aurizon Network: UT6 Update

Aurizon Network and the Rail Working Group of the Queensland Resources Council (RWG) have written to the Queensland Competition Authority (QCA) to advise that a non-binding term sheet has been agreed which will be the basis for drafting a *Draft Amending Access Undertaking (DAAU)*.

Since mid-2024 Aurizon Network and the RWG have been meeting to discuss the option of Aurizon Network submitting to the QCA a DAAU to apply once the current Access Undertaking (UT5) ends on 30 June 2027.

The content of the DAAU is still to be finalised by Aurizon Network and the RWG over the coming months. The parties are committed to working towards a submission of the DAAU to the QCA during the December 2025 quarter, in line with the agreed term sheet.
