Dear Sir/Madam,

Plato Income Maximiser (ASX: PL8) announces monthly dividends for September 2025 quarter of \$0.0055 per share

The Board of Plato Income Maximiser Limited (**ASX: PL8**) has resolved to pay three fully-franked dividends of \$0.0055 per share payable in July, August and September 2025. This continues the level of dividends paid in the June 2025 quarter.

Although franked dividend yields on Australian shares continue to decline, the Board has decided to hold dividends steady at the current level for the time being. It will monitor the upcoming reporting season for signs of change prior to making any further decision.

Dr Don Hamson, Director of PL8 and Managing Director of Plato Investment Management Limited (the manager of PL8), said:

“Markets have rallied to all time highs spurred along by interest rates cuts here in Australia and expectations of more to follow, however, the timing of those declines is still quite uncertain. This has led to a further fall in the historical yield of the Australian market. Despite the uncertainty in the global economy as a result of U.S. tariff policy, we expect to continue to receive solid dividends from a diversified portfolio of Australian companies in FY26. One of the benefits of a closed-end listed investment company focused on income, such as PL8, is the ability to manage capital amidst uncertainty so as to provide regular dividend distributions over time. In the ongoing environment of economic uncertainty, liquidity and diversification are very important. By design, PL8’s underlying portfolio is well diversified and very liquid. PL8’s investment portfolio is well positioned to capture dividends from Australian companies.”

The announcement of the dividends is in line with the Board’s stated policy to pay regular monthly dividends from available profits, provided it has sufficient reserves and it is permitted by law and within prudent business practices to do so.

Details of each dividend are as follows:

	July	August	September
Amount:	\$0.0055 per share	\$0.0055 per share	\$0.0055 per share
Ex – Dividend Date:	23 July 2025	14 August 2025	15 September 2025
Dividend Record Date:	24 July 2025	15 August 2025	16 September 2025
Dividend Payment Date:	31 July 2025	29 August 2025	30 September 2025

At 30 June 2025, the value of the Company's franking account was \$9.0m (\$0.012 per share). This is equivalent to \$0.028 (2.8 cents) per share in fully-franked dividends at the Company tax rate of 30% and the Company presently maintains sufficient profit reserves for this value of dividends.

The Board will re-assess economic conditions in three months' time when considering the monthly dividends for the December 2025 quarter.

This announcement was authorised for release by the Board of Directors.
