

ASX Announcement

21 July 2025

Completion of Acquisition of Iris Studio Inc, a leading cloud based remote video production platform

Audinate Group Limited (ASX:AD8), today confirms it has completed the transaction announced on 25 June 2025, to acquire Iris Studio Inc, a US based leader in AI powered, cloud-based camera control technology (Iris), for total consideration of up to US\$28 million.

The acquisition of Iris significantly enhances Audinate's position in video and aligns closely with Audinate's broader vision for interoperable control and management of AV-over-IP solutions across the widest possible range of audio-visual devices.

Authorisation: This announcement was authorised by the Company Secretary of Audinate Group Limited.

Forward-Looking Statements

This ASX release includes certain forward-looking statements that are based on information and assumptions known to date and are subject to various risks and uncertainties. Actual results, performance or achievements could be significantly different from those expressed in, or implied by, these forward-looking statements. Such forward-looking statements are not guarantees of future performance and involve known and unknown risks, uncertainties, and other factors, many of which are beyond the control of Audinate. These factors may cause actual results to differ materially from those expressed in the statements contained in this announcement.

About Audinate Group Limited

Audinate Group Ltd (ASX: AD8) was founded with a vision to pioneer the future of AV. Audinate's award-winning Dante IP networking solution is the worldwide leader and used extensively in the professional live sound, commercial installation, broadcast, public address, and recording industries. Dante replaces traditional analogue cables by transmitting perfectly synchronised AV signals across large distances to multiple locations at once, using nothing more than an Ethernet cable. Audinate is headquartered in

ASX Announcement

Australia and has regional offices in the United States, United Kingdom, Belgium, and Hong Kong. Dante technology powers products available from hundreds of leading audio and video partners around the world. The Company's ordinary shares are traded on the Australian Securities Exchange (ASX) under the ticker code AD8.
