Activities Report for Quarter Ended 30 June 2025

Openn Negotiation Limited (**Openn** or **Company**) (ASX: **OPN**) refers to its Appendix 4C and Activities Report for the three months ending 30 June 2025.

DOCA Background and Update Status

On 13 May 2024, the Board resolved that a voluntary administration was in the best interests of creditors and shareholders. The Company appointed Richard Tucker and John Bumbak of KordaMentha as Joint and Several Administrators of the Company (**Administrators**) pursuant to section 436A of the Corporations Act 2001 (*Cth*) (**Corporations Act**).

The appointment of the Administrators followed an assessment by the Board that the Company was insolvent or likely to become insolvent in the near future. The Board resolved that voluntary administration was in the best interests of creditors and shareholders. Consequently, the Directors no longer retained management powers, other than as permitted or directed by the Administrator under the Corporations Act.

On 11 June 2024, the Administrators issued a Report to Creditors pursuant to section 439A of the Corporations Act, convening a second meeting of creditors of the Company and its subsidiaries. An overview of the Openn Negotiation Ltd DOCA Proposal (**DOCA Proposal**) was provided in the Report to Creditors. The DOCA Proposal required all of the Company's assets (including its interest in the subsidiaries) to be dealt with before it could be tabled to creditors. Consequently, a resolution to accept the DOCA Proposal was not formally tabled due to the Subsidiaries DOCA needing to effectuate beforehand.

On 17 June 2024, the Supplementary Report, which included the Administrators' position in relation to the DOCA Proposal, was provided to creditors.

On 18 June 2024, the Subsidiaries DOCA was approved by the relevant creditors at the second creditors' meetings (Second Creditors Meeting). The Company's Second Creditors Meeting was adjourned for not more than 45 business days.

On 9 July 2024, the Subsidiaries DOCA was executed by the Subsidiaries, their administrators and the proponents and on 12 July 2024, the Subsidiaries DOCA was effectuated. The consequence of the effectuation of the Subsidiaries DOCA meant that the shares held by the Company in the Subsidiaries were transferred, and the DOCA Proposal could now be formally proposed to the Company's creditors.

The Administrators subsequently called a meeting of creditors pursuant to section 439A of the Corporations Act 2001 (*Cth*), recommending the proposal of Benelong Capital Partners Pty Ltd to re-capitalise the Company. Following a review of strategic options, a DOCA proposal was approved by creditors on 19 August 2024, and the DOCA was executed on 9 September 2024. The DOCA provides for a recapitalisation of the Company and settlement with creditors.

The DOCA and recapitalisation proposal required shareholder approval. The Resolutions put forward in the Notice of Meeting are to implement the Recapitalisation Proposal. The key terms of the DOCA are that a Recapitalisation will be created to pay creditors, and from which costs, charges and expenses of the Voluntary Administrators will then retire; the conditions precedent require shareholders to pass all resolutions of the recapitalisation proposal.

On 2 December 2024, the Administrator convened a General Meeting of Shareholders through a Notice of Meeting announcement regarding the suspension from quotation on the official list of the Australian Securities Exchange (“ASX”) due to its financial condition. The administrators were seeking approval for a proposed recapitalisation of the Company.

The recapitalisation was intended to facilitate the Company’s financial restructuring, satisfy the requirements of the DOCA, and support its potential return to solvency and normal operations. Shareholder approval was being sought for resolutions relating to the consolidation of shares, the allotment and issue of 101.626 million shares to raise \$211,000 and potential changes to board composition, and any other matters required to effect the proposed recapitalisation in accordance with the Corporations Act and relevant listing rules.

The Company engaged Hall Chadwick to prepare an Independent Expert’s Report (IER) in accordance with ASIC Regulatory Guide 111, in relation to the proposed issue of new shares under the recapitalisation plan. The share issue, if approved and implemented, would result in ST Holding 2 Pty Ltd acquiring a relevant interest in more than 20% of the Company’s voting shares. As such, shareholder approval was being sought under item 7 of section 611 of the Corporations Act.

The IER assessed whether the proposed transaction is fair and reasonable to non-associated shareholders. After evaluating the terms of the proposed share issue, including pricing, control implications, alternatives available to the Company, and potential dilution, the Independent Expert concluded that the transaction was fair and reasonable to non-associated shareholders.

The Independent Expert’s Report is referred to in the Notice of Meeting.

Effectuation of the Deed of Company Arrangement

On 17 January 2025, it was advised that the conditions precedent had been satisfied and the DOCA was effectuated. The Company exited from external administration, and control was returned to the new Directors. In addition, a new Company Secretary was appointed.

Funding

During the quarter, the Company entered into Loan 1 (unsecured) with ST Holding 2 Pty Ltd (**ST2**) (major shareholder) towards the working capital needs of the Company. The terms of the loans are:

ST2 Loan 1

- The borrowed amount is \$74,959.74.
- The loan agreement is dated 22 April 2025,
- Interest-free shareholder loan.

The Company’s major shareholder will continue funding the Company through arm’s-length loans.

Activities of the Company

The Company notes that pursuant to ASX Listing Rule 4.7C.1, no substantive business activities have occurred during the quarter.

Related Party Payments

In accordance with ASX listing Rule 4.7C.3, payments to related parties and their associates outlined in the Company’s Appendix 4C for the quarter of approximately \$20,000 relate to directors’ salaries, fees and superannuation payments.

This announcement is authorised for market release by the Board of Openn Negotiation Ltd.
