Anatara Lifesciences receives \$969,455 in R&D tax incentive for FY25

ADELAIDE, 28 July 2025: Anatara Lifesciences (ASX: ANR or “the Company”), a developer of evidence-based, innovative products to address significant unmet need in human health, with a particular focus on conditions that involve the complexity of the gastrointestinal tract (GIT), is pleased to report that the Company has received \$969,455.79 from the Australian Taxation Office under the Federal Government’s Research and Development (R&D) tax incentive scheme.

The refund received by Anatara will provide important capital for progression of the Company’s opportunities and, in particular, to progress the pre-clinical Proof of Concept studies for the Anti-Obesity project.

The Australian Government’s R&D tax incentive encourages companies engaging in beneficial, eligible research by providing a cash rebate of 43.5% for qualifying activities.
