

4Q25 Activity Report – Net Operating Performance Improving

28 July 2025

Anagenics Limited (ASX: AN1, “Anagenics” or the “Company”) today provides an update on activities during the quarter ended 30 June 2025 (“4Q25”).

During 4Q25, the Company achieved a significant improvement in operating cash flows, driven by the previously detailed business restructuring, which delivered an operating cash flow of \$ 132,000 for the quarter.

The Company has completed the business restructuring process, which began in early October 2024, and achieved significant improvements in overall financial performance compared to the last financial year.

Following a successful launch in May, Flouf Factor Growth Tonic continued the strong performance of Bouf Haircare products. Based on sales revenue since launch the brand is on track to exceed \$9 million in sales in its first year, ahead of initial expectations. YSB is also evaluating further growth opportunities, including potential expansion into international markets, which is expected to generate higher royalty fee receipts for the Company in FY2026.

The Company is in dialogue with Roquefort Therapeutics' midkine antibody licencing and will continue to provide any additional information in accordance with its continuous disclosure obligations. Shareholders interested in the progress of Roqueforts efforts to progress a transaction involving Lyramid are referred to its website at <https://www.roquefortplc.com> . Anagenics notes that as at the date of this announcement Roquefort has not completed a transaction and has extended the date of completion for the transaction until 31 August 2025.

During the quarter ended 30 June 2025, the Company didn't make any payments to or to associates of related parties of the entity included in Appendix 4C for the quarter ended 30 June 2025.

The Directors of Anagenics believe the Company has sufficient funds on hand to support its normal level of net Operating Cash Flow requirements over the next two quarters, such that the Company does not require additional equity funding for this purpose.

The Company continues to seek value-accretive opportunities in line with its stated strategy and objectives.

This announcement was authorised by the Board of Anagenics Limited.

Notes

1. This quarterly cash flow report and the accompanying activity report provide a basis for informing the market about the entity's activities for the past quarter, how they have been financed and the effect this has had on its cash position. An entity that wishes to disclose additional information over and above the minimum required under the Listing Rules is encouraged to do so.
2. If this quarterly cash flow report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report. If this quarterly cash flow report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standard applies to this report.

3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
4. If this report has been authorised for release to the market by your board of directors, you can insert here: "By the board". If it has been authorised for release to the market by a committee of your board of directors, you can insert here: "By the [name of board committee – e.g. Audit and Risk Committee]". If it has been authorised for release to the market by a disclosure committee, you can insert here: "By the Disclosure Committee".
5. If this report has been authorised for release to the market by your board of directors and you wish to hold yourself out as complying with recommendation 4.2 of the ASX Corporate Governance Council's *Corporate Governance Principles and Recommendations*, the board should have received a declaration from its CEO and CFO that, in their opinion, the financial records of the entity have been properly maintained, that this report complies with the appropriate accounting standards and gives a true and fair view of the cash flows of the entity, and that their opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.
