## ASX ANNOUNCEMENT

# QUARTERLY ACTIVITIES REPORT - JUNE 2025

## HIGHLIGHTS

- **\$427,200 capital raising completed**
- **Proactively reviewing new project opportunities**

---

Ragusa Minerals Limited (ASX: **RAS**) ("**Ragusa**" or "**Company**"), is an Australian based mineral exploration company with a 100% interest in the Burracoppin REE & Kaolin/Halloysite Project in Western Australia. The Company provides the following update for the Quarter:

### **New Project Opportunities**

The Company is reviewing new projects across various commodities and jurisdictions with the aim to identify a fit for purpose project that may complement our current project portfolio and/or be value accretive.

The Company has conducted due diligence on several projects that may complement our current project portfolio and is prioritising such works to expedite this process.

### **Burracoppin REE & Kaolin/Halloysite Project (100% interest)**

The Burracoppin REE & Kaolin/Halloysite Project comprises granted exploration licence E70/5708, located ~300 kilometres east of Perth in WA, and is prospective for rare earth elements (REE), halloysite and kaolinite. The project is located near Merredin, with port easily accessible via the Great Eastern Highway. All services required for a low-cost operation are in close proximity.

The Company is conducting a review of the project to determine possible development opportunities related to kaolin and REE.

### **Placement**

The Company conducted a placement to raise \$427,200 (before costs) at \$0.012 per share via the issue of 35,600,000 fully paid ordinary shares under its existing placement capacities available under ASX Listing Rule 7.1 and 7.1A to sophisticated and professional investors.

In addition, and subject to shareholder approval to be sought at a general meeting of the Company, for every three (3) Shares issued under the Placement investors will receive one (1) free attaching option, each with an exercise price of three cents (\$0.03) expiring three (3) years from the date of issue.

Funds raised from the Placement will enable Ragusa to assess potential new project acquisitions and for corporate and general working capital requirements.

**Other**

The Binding Heads of Agreement between Geopolymer Industries Pty Ltd (Geopolymer), the shareholders of Geopolymer and the Company was terminated during the Quarter.

The Company withdrew from the NT Project Tenement Farmin Agreement between Ragusa and May Drilling Pty Ltd during the Quarter.

**Corporate**

The Company has cash reserves of ~\$162,000 (as at 30 June 2025). The Company completed a \$427,200 (before costs) capital raise during July 2025.
