Company Announcement – 1 August 2025

The Company refers to the Appendix 2A and cleansing statement lodged with ASX earlier today in relation to the issue of 4,000 shares in the Company. The shares were issued under the Company's employee incentive scheme and a cleansing statement was not required to be issued. The cleansing statement was therefore issued in error. Investors should therefore have no regard to the cleansing statement or the information contained in it.

This announcement has been authorised by the Board of the Company.
